In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.

Weekly World News 1997-08-26 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

Sin and Sex Briffault Robert 2019-06-03 Originally published in 1931, *Sin and Sex*, including an introduction from Bertrand Russell, constitutes an able and vigorous attempt on the part of Robert Briffault to induce his readers to base their ethical opinions upon something other than the prejudices of the average members of the last generation.

Lucy's Legacy Alison Jolly 2001 Takes a look at human evolution focusing on the long line of women and of female behavior that was to follow the age of the much-studied oldest human remains.

What Smart Women Know Steven Carter 2000 Before "Ally McBeal" there was "What Smart Women Know," a straightforward and honest guide from women who have learned the hard way how to be smart about men. This national bestseller is geared for women from all walks of life.

Private Sex Advice to Women R. B. Armitage 2015-07-20 In this book the writer thereof seeks to convey to women—particularly to young wives and women expecting to be married—certain important facts of knowledge, certain necessary information, which all such women should possess, but which few are given the opportunity to acquire. It would seem to require no argument to convince a rational individual that before a woman is capable of intelligent motherhood she should be made acquainted with the physiological processes which are involved in the sexual functions leading to the state of motherhood; but we are confronted by the fact that few young women are given such instruction.

Sexual Intelligence Marty Klein 2012-02-07 This is not your standard sex book. Sex therapist, sociologist, and Psychology Today contributor Dr. Marty Klein goes beyond the sex manuals to reveal how our mindsets during sex are more important than any tricks or techniques—and that the way to a healthier, more exciting, more fulfilling sex life lies in first developing our sexual intelligence. This book is the antidote to the many gimmick-oriented sex guides and manuals; Dr. Klein shows us how to reorient how we think about sex in order to experience a truly different way of being sexual. "Marty Klein is the Steve Jobs of sex advice. . . . Sexual Intelligence is a work of enormous wisdom and expansiveness, and will inspire readers, regardless of age, to realize their full sexual potential." —Ian Kerner, best-selling author of *She Comes First*

Sex and the intelligent women Manfred F. DeMartino 2013-12-11

Private Sex Advice to Women R. B. Armitage 2014-06-03 In this book the writer thereof seeks to convey to women—particularly to young wives and women expecting to be married—certain important facts of knowledge, certain necessary information, which all such women should possess, but which few are given the opportunity to acquire. It would seem to require no argument to convince a rational individual that before a woman is capable of intelligent motherhood she should be made acquainted with the physiological processes which are involved in the sexual functions leading to the state of motherhood; but we are confronted by the fact that few young women are given such instruction. It is a strange thing that while even the ordinary school child is made acquainted with the physiological processes concerned with the processes of digestion, respiration, circulation, elimination, etc., and while such education is highly commended, yet at the same time not only are the young of both sexes reared as if there was no such thing as sexual functions in existence, but even full-grown adults are left to pick up their instruction on sexual subjects from chance sources—often polluted sources.

A Woman Who Defends All the Persons of Her Sex Gabrielle Suchon 2010-05-15 During the oppressive reign of Louis XIV, Gabrielle Suchon (1632–1703) was the most forceful female voice in France, advocating women's freedom and self-determination, access to knowledge, and assertion of authority. This volume collects Suchon's writing from two works—*Treatise on Ethics and Politics* (1693) and *On the Celibate Life Freely Chosen; or, Life without Commitments* (1700)—and demonstrates her to be an original philosophical and moral thinker and writer. Suchon argues that both women and men have inherently similar intellectual, corporeal, and spiritual capacities, which entitle them equally to essentially human prerogatives, and she displays her breadth of knowledge as she harnesses evidence from biblical, classical, patristic, and contemporary secular sources to bolster her claim. Forgotten over the centuries, these writings have been gaining increasing attention from feminist historians, students of philosophy, and scholars of seventeenth-century French literature and culture. This translation, from Domna C. Stanton and Rebecca M. Wilkin, marks the first time these works will appear in English.

Sex Problems in Women Anthony John Copper Magian 1922

Battleground of Desire Peter N. Stearns 1999-04 Stearns (history, Carnegie Mellon University) explores the history of American self control and discusses the wide social implications of self control as a characteristic prescribed by every culture in different ways. He investigates issues that define American attitudes towards morality, sexuality, and disciplines of the body, covering the Victorian legacy through current norms. In comparing trends throughout our cultural history, he points out that there has been no collapse of impulse control or moral demonstration between the eras, only a shift in form. The Intelligent Woman's Guide to Man-hunting Albert Ellis 1963

When and Where I Enter Paula J. Giddings 2009-10-06 "History at its best—clear, intelligent, moving. Paula Giddings has written a book as priceless as its subject"—Toni Morrison Acclaimed by writers Toni Morrison and Maya Angelou, Paula Giddings's *When and Where I Enter* is not only an eloquent testament to the unsung contributions of individual women to our nation, but to the collective activism which elevated the race and women's movements that define our times. From Ida B. Wells to the first black Presidential candidate, Shirley Chisholm; from the anti-lynching movement to the struggle for suffrage and equal protection under the law; Giddings tells the stories of black women who transcended the dual discrimination of race and gender—and whose legacy inspires our own generation. Forty years after the passing of the Voting Rights Act, when phrases like "affirmative action" and "wrongful imprisonment" are rallying cries, Giddings words resonate now more than ever.

Sex for Smart Women Adrienne West 2015-08-14 *Sex For Smart Women* is erotica, elevated. Adrienne West is a normal girl who isn't afraid to ask for what she wants—the anti-Anastasia Steele. Her sexual curiosity leads her to venture beyond tropes as she offers up the secrets of 15 shameless encounters, including the time she stripped for her boss, slept with her best friend's father, and for one week, offered up sex to her boyfriend whenever he wanted it. In this bold collection of adventurous tales, West's writing satisfies the erudite and the erotic in all of us. Note: Best read in the bath.

Why Women Have Better Sex Under Socialism Kristen R. Ghodsee 2018-11-20 A spirited, deeply researched exploration of why capitalism is bad for women and how, when done right, socialism leads to economic independence, better labor conditions, better work-life balance and, yes, even better sex. In a witty,

irreverent op-ed piece that went viral, Kristen Ghodsee argued that women had better sex under socialism. The response was tremendous -- clearly she articulated something many women had sensed for years: the problem is with capitalism, not with us. Ghodsee, an acclaimed ethnographer and professor of Russian and East European Studies, spent years researching what happened to women in countries that transitioned from state socialism to capitalism. She argues here that unregulated capitalism disproportionately harms women, and that we should learn from the past. By rejecting the bad and salvaging the good, we can adapt some socialist ideas to the 21st century and improve our lives. She tackles all aspects of a woman's life - work, parenting, sex and relationships, citizenship, and leadership. In a chapter called "Women: Like Men, But Cheaper," she talks about women in the workplace, discussing everything from the wage gap to harassment and discrimination. In "What To Expect When You're Expecting Exploitation," she addresses motherhood and how "having it all" is impossible under capitalism. Women are standing up for themselves like never before, from the increase in the number of women running for office to the women's march to the long-overdue public outcry against sexual harassment. Interest in socialism is also on the rise - whether it's the popularity of Bernie Sanders or the skyrocketing membership numbers of the Democratic Socialists of America. It's become increasingly clear to women that capitalism isn't working for us, and Ghodsee is the informed, lively guide who can show us the way forward.

The Sex Diaries Bettina Arndt 2009-03-01 In *The Sex Diaries* Australia's best known sex therapist, Bettina Arndt, uncovers the night-time drama being played out in bedrooms everywhere—the creeping hand and feigning of sleep, the staying up late in the hope that he will doze off. It is one of the great inconvenient truths of relationships that after the first blissful years together, most men want more sex than their female partners. Bettina Arndt recruited ninety-eight couples to keep diaries, revealing their intimate negotiations over sex. Who feels like having sex? Who doesn't? And how do couples cope if one person wants it more than the other? She draws on her thirty-five years of professional experience to provide a provocative analysis that challenges our basic assumptions about sex. With her characteristic humour and insight, Bettina Arndt proposes a new approach to how couples can enjoy regular sex—and sustain loving relationships.

Her Way Paula Kamen 2000 Chicago-based journalist Kamen (women's studies, Northwestern U.) argues that Monica Lewinsky's ambition and audacity are characteristic of a whole generation of women now in their 20s. She chronicles the sexual evolution of young women over the past decade. Annotation copyrighted by Book News Inc., Portland, OR

Study Guide to The Second Sex by Simone de Beauvoir Intelligent Education 2020-02-15 A comprehensive study guide offering in-depth explanation, essay, and test prep for Simone de Beauvoir's *The Second Sex*, the book that arguably stands as the stepping stone for all other feminists' work. As a work of post-WWII, *The Second Sex* stirred up controversy as women in France and America had just earned their right to vote and men who fought on the front returned home to reclaim the jobs that had been filled by women. Moreover, the fight for liberation and equality for women continues to impact politics and philosophy even today. This Bright Notes Study Guide explores the context and history of de Beauvoir's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

The Compatibility Code Elizabeth E. George 2011-09 With divorce rates for first and second marriages well over 50%, it's time to take the guesswork out of compatibility. Millions of otherwise intelligent, well-adjusted women fall in love and marry men with whom they are truly incompatible. The Compatibility Code changes all that. Authors Elizabeth and Darren George, having each been part of the grim divorce statistics, set out to research the problem and find a way to reduce the risk and improve the chances of success in marriage. What they learned will surprise, if not shock, you into a new understanding of the role of love, romance, sex, communication, and more. You'll discover how to de-bunk the myth of Prince Charming, take 3 critical steps to prequalify your guy and Pre-Fix a lasting marriage, negotiate your differences while

savoring your similarities--and live your own "forever" ending! This easy-to-follow partner selection code gives you the freedom and confidence to fall in love.

Private Sex Advice to Women R. B. Armitage 2013-07 In this book the writer thereof seeks to convey to women—particularly to young wives and women expecting to be married—certain important facts of knowledge, certain necessary information, which all such women should possess, but which few are given the opportunity to acquire. It would seem to require no argument to convince a rational individual that before a woman is capable of intelligent motherhood she should be made acquainted with the physiological processes which are involved in the sexual functions leading to the state of motherhood; but we are confronted by the fact that few young women are given such instruction. It is a strange thing that while even the ordinary school child is made acquainted with the physiological processes concerned with the processes of digestion, respiration, circulation, elimination, etc., and while such education is highly commended, yet at the same time not only are the young of both sexes reared as if there was no such thing as sexual functions in existence, but even full-grown adults are left to pick up their instruction on sexual subjects from chance sources—often polluted sources.

The Sexual Life of Catherine M. Catherine Millet 2003 In an erotic memoir, the author honestly and graphically describes her active and free sexual life of physical gratification, the consequences of sex stripped of sentiment, and the fallacies of female sexuality.

Sex and Lies Leila Slimani 2020-07-14 "Jaw-dropping . . . Inspiring . . . A haunting and beautifully composed book . . . It blew my mind." --Lisa Taddeo, #1 New York Times bestselling author of *Three Women* A fearless exposé of the secrets and lies of women's intimate lives, by the bestselling author of *The Perfect Nanny*, *Adèle*, and *In the Country of Others* "All those in positions of authority--politicians, parents, teachers--maintain the same line: 'Do what you like, but do it in private.'" Leila Slimani was in her native Morocco promoting her novel *Adèle*, about a woman addicted to sex, when she began meeting women who confided the dark secrets of their sexual lives. In Morocco, adultery, abortion, homosexuality, prostitution, and sex outside of marriage are all punishable by law, and women have only two choices: They can be wives or virgins. *Sex and Lies* combines vivid, often harrowing testimonies with Slimani's passionate and intelligent commentary to make a galvanizing case for a sexual revolution in the Arab world.

College Girls: Bluestockings, Sex Kittens, and Co-eds, Then and Now Lynn Peril 2006-08-17 A pop-culture analysis of the American female college student evaluates the dual stereotype that portrays college girls as both socially inept intellectuals and seductresses, offering insight into society's lingering distrust of educated women. By the author of *Pink Think*. Original.

The Intelligent Woman's Guide To Online Dating Dale Koppel 2008 *The Intelligent Woman's Guide to Online Dating* is two books in one! The first book (103 p.): "How I Did It" is Dale's story of how she found her Mr. Right on line. Flip the book over to reveal Book Two (69 p.): *If I Can Do It, You Can Too!* Dale shares how she learned to make the most of online dating and polished her skills and created strategies that really worked.

Female Chauvinist Pigs Ariel Levy 2005-09-13 A classic work on gender culture exploring how the women's movement has evolved to *Girls Gone Wild* in a new, self-imposed chauvinism. In the tradition of Susan Faludi's *Backlash* and Naomi Wolf's *The Beauty Myth*, New York Magazine writer Ariel Levy studies the effects of modern feminism on women today. Meet the Female Chauvinist Pig—the new brand of “empowered woman” who wears the Playboy bunny as a talisman, bares all for *Girls Gone Wild*, pursues casual sex as if it were a sport, and embraces “raunch culture” wherever she finds it. If male chauvinist pigs of years past thought of women as pieces of meat, Female Chauvinist Pigs of today are doing them one better, making sex objects of other women—and of themselves. They think they're being brave, they think they're being funny, but in *Female Chauvinist Pigs*, Ariel Levy asks if the joke is on them. In her quest to uncover why this is happening, Levy interviews college women who flash for the cameras on spring break and teens raised on Paris Hilton and breast implants. She examines a culture in which every music video seems to feature a stripper on a pole, the memoirs of porn stars are climbing the bestseller lists, Olympic athletes parade their Brazilian bikini waxes in the pages of *Playboy*, and thongs are marketed to prepubescent girls. Levy meets the high-powered women who create raunch culture—the new oinking women warriors of the corporate and entertainment worlds who eagerly defend their efforts to be “one of

the guys.” And she traces the history of this trend back to conflicts between the women’s movement and the sexual revolution long left unresolved. Levy pulls apart the myth of the Female Chauvinist Pig and argues that what has come to pass for liberating rebellion is actually a kind of limiting conformity.

Irresistibly witty and wickedly intelligent, *Female Chauvinist Pigs* makes the case that the rise of raunch does not represent how far women have come, it only proves how far they have left to go.

I Cry Sometimes M. A. Harris 2011-01-27 Anthony is an intelligent man that was raised in a loving family that never told him what love meant. Introduced to sex at a young age and hearing and seeing the same from his family members, he eventually thought and believed that’s what loves was—sex. Pleasure from women and getting what he came for from them was what he only knew. And saying “I love you” just to have sex with a woman was something that he did without meaning or feeling; it was just life. Spinning out of control and dating—or so-called dating—as many women as he could just to get his groove on, he started to wonder if what he was doing was right. Confused and feeling something was missing, he started to search for the right one that would help him find and know what true love is. He knew that in the long run, he would have to pay for his mistreatment of women’s hearts yet did not understand that it would affect him also. He knew the pleasures of a woman’s body and never knew the pleasures of a woman’s heart—at least he thought he didn’t know. Follow Anthony as he floats through denial and runs from love that he desperately wanted to have, give, and know.

The Intelligent Woman's Guide to Dating and Mating Albert Ellis 1979-01-01 Acknowledging the radical shifts in man-woman relationships over the past decade, Ellis advises women on finding suitable companions for satisfying sex-love relationships within or without marriage

Sex Differences in Intelligence: The Developmental Theory Richard Lynn 2021-12-09 In *Sex Differences in Intelligence*, Dr Richard Lynn refutes the belief that males and females are equally smart. He presents the findings of his extensive research showing that, on the contrary, the average intelligence of young girls is higher than that of young boys. It is only in school-age students that boys and girls have approximately the same intelligence, while in adults the average intelligence of men is four IQ points higher than that of women. Lynn supports his Developmental Theory with a review of well over a hundred studies conducted by himself and a host of other reputable scientists. The book discusses the reasons for the higher average intelligence of men among adults. One of these is that men have a larger average brain size than women. He refutes the contention of some feminists that brain size has no relation to intelligence. He argues that men have evolved higher average intelligence than that of women because this enhances their ability, in competition with other men for territory or status, to obtain women and thus pass on their genes. Another evolutionary explanation for men having a higher IQ lies in sexual selection such that females normally prefer to accept males with high intelligence as mates because they view them as potentially better providers for themselves and their children. This path-breaking book will revolutionise the understanding of sex differences in intelligence.

Why Men Want Sex and Women Need Love Barbara Pease 2010-01-12 Allan and Barbara Pease, the international bestselling authors of *Why Men Don’t Listen & Women Can’t Read Maps*, deliver their most exciting book yet. Will men and women ever see eye-to-eye about love and sex? How will relationships ever be rewarding if men only want to rush into bed and women want to rush to the altar? In this practical, witty and down-to-earth guide, couples experts Allan and Barbara Pease reveal the truth about how men and women can really get along. By translating science and cutting edge research into a powerful yet highly entertaining read, you’ll learn how to find true happiness and compatibility with the opposite sex.

REVEALED IN THIS BOOK: * The seven types of love * The top five things women want from men * What to do when the chemistry is wrong * What turns men and women on – and off! * The most common “New Relationship” mistakes and how to avoid them * How to decode “manspeak” If you want to get the most satisfaction from your relationship, or are single and looking for the right person, then you must read this book for the answer to *Why Men Want Sex and Women Need Love*.

The Intelligent Woman's Guide to Conservatism: Conservatism and the conservative sex 1955

Boy, Girl, Man, Woman Bent H. Claësson 1980-01-01

Sex and the Intelligent Woman [By] Manfred F. Demartino. Epilogue by Albert Ellis Manfred F. DeMartino 1974

Sex and Class in Women's History Judith L. Newton 2013-01-03 The essays collected in this volume reflect the upsurge of interest in the research and writing of feminist history in the 1970s/80s and illustrate the developments which have taken place – in the types of questions asked, the methodologies employed, and the scope and sophistication of the analytical approaches which have been adopted. Focusing on women in nineteenth-century Britain and America, this book includes work by scholars in both countries and takes its place in a long history of Anglo-American debate. The collection adopts 'the doubled vision of feminist theory', the view that it is the simultaneous operation of relations of class and of sex/gender that perpetuate both patriarchy and capitalism. This view informs a wide variety of contributions from 'Class and Gender in Victorian England', to 'Servants, Sexual Relations and the Risks of Illegitimacy', 'Free Black Women', 'The Power of Women’s Networks', and 'Socialism, Feminism and Sexual Antagonism in the London Tailoring Trade'. Both the vigour and the urgency of scholarship infused with social aims can be clearly felt in the essays collected here.

Overcoming Resistance Albert Ellis PhD 2007-07-31 With a new foreword by Raymond DiGiuseppe, PhD, ScD, St. John's University "Albert Ellis has written many books on his favorite topic Rational Emotive Behavior Therapy. Although he writes on that topic very well, he often does not write about generic psychotherapy. REBT is an integrative form of psychotherapy. Following this model, psychotherapists can incorporate many diverse techniques and strategies to change clients' dysfunctional behaviors and emotions . Much of what Al identifies as good REBT in this book is just good psychotherapy. Because people so universally identify Al with REBT, people may generally overlook his wisdom as a clinician. Having worked with Al for more than thirty years, I have been fortunate enough to learn from him. Much of the knowledge I learned from Al and cherish the most is not necessarily about REBT theory. They concern wise ways of thinking about clinical problems. That is why, out of all Al's books, this is my favorite. This is Al Ellis, the clinician." -- From the Foreword by Raymond DiGiuseppe, PhD, ScD, Director of Professional Education, Albert Ellis Institute; Professor and Chair, Department of Psychology, St. John's University Now available in an affordable paperback, this edition takes a look at the underlying causes of resisting cognitive-emotional-behavioral change and the methods used to overcome them. Written in present-action language, Ellis gives an overview of the basic principles of Rational Emotive Behavior Therapy and Cognitive Behavior Therapy. Ellis charts the changes in the field that have taken place in the 20 years leading up to 2002, when this edition was originally published. The book also integrates recent therapies into REBT, including psychotherapy, solution-focused therapy, and recent findings of experimental psychology.

The Smart Girl's Guide to Polyamory Dedeker Winston 2017-02-07 No one likes a know-it-all, but everyone loves a girl with brains and heart. The *Smart Girl's Guide to Polyamory* is an intelligent and comprehensive guide to polyamory, open relationships, and other forms of alternative love, offering relationship advice radically different from anything you'll find on the magazine rack. This practical guidebook will help women break free of the mold of traditional monogamy, without the constraints of jealousy, possessiveness, insecurity, and competition. The *Smart Girl's Guide to Polyamory* incorporates interviews and real-world advice from women of all ages in nontraditional relationships, as well as exercises for building self-awareness, confidence in communication, and strategies for managing and eliminating jealousy. If you're curious about exploring group sex, opening up your current monogamous relationship, or ready to “come out” as polyamorous, this book covers it all! Whether you're a seasoned graduate, a timid freshman, or somewhere in between, you'll learn how to discover and craft unique relationships that are healthy, happy, sexy, and tailor-made for you. Because when it comes to your love life, being a know-it-all is actually a great thing to be.

Free Women, Free Men Camille Paglia 2018-02-06 Ever since the release of her seminal first book, *Sexual Personae*, Camille Paglia has remained one of feminism's most outspoken, independent, and searingly intelligent voices. Now, for the first time, her best essays on the subject are gathered together in one concise volume. Whether she’s calling for equal opportunity for American women (years before the founding of the National Organization for Women), championing a more discerning standard of beauty that goes beyond plastic surgery’s quest for eternal youth, lauding the liberating force of rock and roll, or demanding free and unfettered speech on university campuses and beyond, Paglia can always be counted

on to get to the heart of matters large and small. At once illuminating, witty, and inspiring, these essays are essential reading that affirm the power of men and women and what we can accomplish together.

The Correct Decision: Freedom Versus Evil And Ignorance Jamil Kazoun 2019-09-22 The content is about freedom, how it is dead on earth, killed because of the uneducated masses, flawed political systems and flawed law, which are not based on mathematics. The author shoots back, with iron-strong logic, hoping to revive freedom, and to destroy bad politics and the law. From the book: The freedom to own your child. A child is born a property of the mother, completely as part of her physical body, as an arm or leg or hair, and then for her to decide all matters. Also, all the responsibilities are hers alone. No matter how uneducated, incapable, or irresponsible she may be, the baby is hers, and the decisions and control are completely hers: To educate or not, and how to, what they eat, drink, smoke, learn, or do, etc. No government or anyone can mandate to her. Having given a woman sperm does not constitute a person becoming a parent or obligated to be one. Also, what this means is that the father has zero obligations towards the child or the mother. Zero obligations financially or otherwise. What a father does in support is out of love. So a child born is not a financial transaction for the benefit of the mother. A social welfare system of sort to flk the men financially. If you need money for your life, get educated and get a job or learn about birth control. The mother decides who the parents are. She or they, not the government, decide the age of child maturity. Do not allow or make the government or society play the role of a mother and father. They are not. At least do not make them mine. If you need a mother and a father to tell you what to do, go find your mother or father, or get adopted.

Are We Having Fun Yet? Marcia Douglass 1997-07-17 Offers female readers advice on enhancing their sex lives, addressing such subjects as how to enjoy the physical pleasures of sex and how women's bodies respond best to sexual stimulation.
