[Dying to Be Me](#) Anita Moorjani 2022-03-08 THE NEW YORK TIMES BESTSELLER! "I had the choice to come back ... or not. I chose to return when I realized that 'heaven' is a state, not a place" In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within this enhanced e-book, Anita recounts—in words and on video—stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. In "Dying to Be Me," Anita Freely shares all she has learned about illness, healing, fear, "being love," and the true magnificence of each and every human being!

[Medical Medium Life-Changing Foods](#) Anthony William 2016-11-08 The highly anticipated new release from the groundbreaking, New York Times best-selling author of Medical Medium! Experience the next level of medical revelations. Packed with information you won't find anywhere else about the Unforgiving Four—the threats responsible for the rise of illness—and the miraculous power of food to heal, this book gives you the ability to become your own health expert, so you can protect yourself, friends, family, and loved ones from symptoms, suffering, and disease. Unleash the hidden powers of fruits and vegetables and transform your life in the process. ANTHONY WILLIAM, the Medical Medium, has helped tens of thousands of people heal from ailments that have been misdiagnosed or ineffectively treated—or that medical communities can't resolve. And he's done it all by listening to a divine voice that literally speaks into his ear, telling him what is at the root of people's pain or illness and what they need to do to be restored to health. In his first book, the New York Times bestseller Medical Medium, Anthony revealed how you can treat dozens of illnesses with targeted healing regimens in which nutrition plays a major role. Medical Medium Life-Changing Foods delves deeper into the healing power of over 50 fruits, vegetables, herbs and spices, and wild foods that can have an extraordinary effect on health. Anthony explains each food's properties, the symptoms and conditions it can help relieve or heal, and the emotional and spiritual benefits it brings. And he offers delicious recipes to help you enjoy each food's maximum benefit, from sweet potatoes with braised cabbage stuffing to honey-coconut ice cream. YOU'LL DISCOVER: • Why wild blueberries are the "resurrection food," asparagus is the fountain of youth, and lemons can lift your spirits when you've had bad news • The best foods to eat to relieve gallstones, hypertension, brain fog, thyroid issues, migraines, and hundreds more symptoms and conditions • The particular healing powers of kiwis, cucumbers, cat's claw, coconut, and much more • Insight into cravings, how to use stress to your advantage, and the key role fruit plays in fertility Much of Anthony's information is dramatically different from the conventional wisdom of medical communities, so don't expect to hear the same old food facts rehashed here. Instead, expect to get a whole new understanding of why oranges offer more than just vitamin C—and a powerful set of tools for healing

from illness and keeping yourself and your loved ones safe and well. Here are just a few highlights of what's inside: • Critical information about the specific factors behind the rise of illness and how to protect yourself and your family • Foods to repair your DNA, boost your immune system, improve your mental clarity, alkalize every body system, shield you from others' negative emotions, and so much more • Techniques to make fruits, vegetables, herbs and spices, and wild foods the most healing they can be for your individual needs Plus targeted foods to bring into your life for relief from hundreds of symptoms and conditions, including: • ANXIETY • AUTOIMMUNE DISORDERS • CANCER • DIABETES • DIGESTIVE PROBLEMS • FATIGUE • FOOD ALLERGIES • INFERTILITY • INFLAMMATION • INSOMNIA • LYME DISEASE • MEMORY LOSS • MIGRAINES • THYROID DISEASE • WEIGHT GAIN

What If This Is Heaven? Anita Moorjani 2016-09-13 If life is about the journey and not the destination, could it be that this is heaven —this physical life we are living here on Earth? What we experience in our daily lives often feels like anything but heaven. But what if we understood how powerful we are —that we are powerful enough to mold both our internal and our external reality? Anita Moorjani, the New York Times bestselling author of *Dying to Be Me*, is convinced we can do exactly that. The process, she explains, requires dismantling many cultural myths mistaken for indisputable truths. Beliefs such as "We get what we deserve," "Loving ourselves is selfish," and "Coincidences are just that —coincidences," are ingrained within us from birth, pervasive and influential, leading to generations of misguidance. Following her near-death experience, Moorjani began to embody truths she learned in the other realm, discovering that letting go of these outmoded myths allowed her to experience heaven not as a physical place but as a state of mind, right here and right now. In this examination of our common myths, she shares stories and examples from her own life, revealing the lies beneath the surface of what she was taught and absorbed. By freeing ourselves from these falsehoods, Moorjani asserts, we can leave fear, heartache, and self-imposed boundaries behind and instead live lives full of purpose and joy.

Tripping Over the Truth Travis Christofferson 2014-10-08 "In the wake of the Cancer Genome Atlas project's failure to provide a legible road map to a cure for cancer, science writer Travis Christofferson illuminates a promising blend of old and new perspectives on the disease. 'Tripping Over the Truth' follows the story of cancers proposed metabolic origin from the vaunted halls of the German scientific golden age, to modern laboratories around the world. The reader is taken on a journey through time and science that results in an unlikely connecting of the dots with profound therapeutic implications." --Cover.

Vital Signs Gregg Levoy 2014-12-26 Rediscover—or discover for the first time—the things that make you passionate in life Vital Signs is about what inspires passion and what defeats it. How we lose it and how we get it back. And ultimately it's about the endless yet endlessly fruitful tug-of-war between freedom and domestication, the wild in us and the tame, our natural selves and our conditioned selves. Each chapter in Vital Signs will contain a core sample, an intimate biography of one of the strategies we employ to gain or regain our passion. The book also affirms the importance of courageous inquiry into dispassion—where we're numb, depressed, stuck, bored—so the reader can recognize and change these tendencies in themselves.

All the Wild Hungers Karen Babine 2019-01-08 A "lovely" memoir of caring for a mother with cancer, reflecting on our appetites for food and for life (Minneapolis Star Tribune). When her mother is diagnosed with a rare cancer, Karen Babine—cook, collector of vintage cast iron, and fiercely devoted daughter, sister, and aunt—can't help but wonder: feed a fever, starve a cold, but what do we do for cancer? And so she commits to preparing her mother anything she will eat, a vegetarian diving into the unfamiliar world of bone broth and pot roast. In this series of mini-essays, Babine ponders the intimate connections between food, family, and illness. As she notes that her sister's unborn baby is the size of lemon while her mother's tumor is the size of a cabbage, she reflects on what draws us toward food metaphors to describe disease. What is the power of language, of naming, in a medical culture where patients are too often made invisible? How do we seek meaning where none is to be found—and can we create it from scratch? And how, Babine asks as she bakes cookies with her small niece and nephew, does a family create its own food culture across generations? Generous and bittersweet, *All the Wild Hungers* is an affecting chronicle of one family's experience of illness and of a writer's culinary attempt to make sense of the inexplicable. "[Babine] continues to navigate her way through extraordinary challenges with ordinary comforts, finding poetry in the everyday. Reading this quiet book should provide the sort of balm for those in similar circumstances that writing it must have for the author."—Kirkus Reviews "Profound...Anyone who has experienced a family member's struggle with cancer will be stabbed by recognition throughout this book...In the end, the overriding hunger referred to in this lovely book's title is the hunger for life."—Minneapolis Star Tribune

Living Mindfully Across the Lifespan J. Kim Penberthy 2020-11-23 Living Mindfully Across the Lifespan: An Intergenerational Guide provides user-friendly, empirically supported information about and answers to some of the most frequently encountered questions and dilemmas of human living, interactions, and emotions. With a mix of empirical data, humor, and personal insight, each chapter introduces the reader to a significant topic or question, including self-worth, anxiety, depression, relationships, personal development, loss, and death. Along with exercises that clients and therapists can use in daily practice, chapters feature personal stories and case studies, interwoven throughout with the authors' unique intergenerational perspectives. Compassionate, engaging writing is balanced with a straightforward presentation of research data and practical strategies to help address issues via psychological, behavioral, contemplative, and movement-oriented exercises. Readers will learn how to look deeply at themselves and society, and to apply what has been learned over decades of research and clinical experience to enrich their lives and the lives of others.

Faith Unravels Daniel Franklin Greyber 2012-09-12 Every year, thousands of young people die, leaving in their wake circles of grieving friends in need of support. Many look to how clergy understand loss but few religious traditions have a defined mourning process--or even a role in mourning--for non-family members. Faith Unravels speaks to the profound pain experienced by a forgotten mourner, not by making an argument about God or by offering a recipe of rituals, but by sharing a profound story of faith lost and regained anew.

90 Days to Live Rodney Stamps 2019-01-01 An inspiring and unforgettable memoir of one couple's push for survival in the face of insurmountable odds. 2019 New York City Big Book Award Winner 2019 American Book Fest - Best Book Awards Winner 2019 National Indie Excellence Award Winner 2019 Independent

Press Award - Distinguished Favorite 2019 IAN Book of the Year Award - Finalist When an out-of-the-blue cancer diagnosis quickly turned into a 90-days-to-live death sentence from his doctor, Rodney Stamps and his wife Paige defied the medical establishment, and drew their line in the sand. With both a growing family and business--and given that their doctors promised only to briefly extend his life with chemotherapy--the Stamps gave a resounding "No" to chemo and radiation. 90 Days to Live recounts the Stamps' incredible and inspirational journey to find an alternative answer to cancer. In the end... They'd beaten cancer while building a million-dollar business. Following his ALL-natural protocol religiously, Rodney's cancer went into full remission. On top of that triumph, he took his fire-and-safety business--which had just begun to take off when he'd received his cancer diagnosis--into a million-dollar enterprise. Alternately heart-wrenching and heartwarming--and delivered in an engaging dual-author format--90 Days to Live will speak to anyone struggling with an "incurable" disease, building a business under trying circumstances, or anyone who just loves a good old-fashioned, "beating-the-odds" story.

Once Upon a Farm Rory Feek 2018-06-19 National Bestseller Sometimes it's not only what we plant but where we're planted. Now raising their four-year-old daughter, Indiana, alone, after Joey's passing, Rory Feek digs deeper into the soil of his life and the unusual choices he and his wife, Joey, made together and the ones he's making now to lead his family into the future. When Rory Feek and his older daughters moved into a run-down farmhouse almost twenty years ago, he had no idea of the almost fairy-tale love story that was going to unfold on that small piece of Tennessee land . . . and the lessons he and his family would learn along the way. Now two years after Joey's passing, as Rory takes their four-year-old daughter Indiana's hand and walks forward into an unknown future, he takes readers on his incredible journey from heartbreak to hope and, ultimately, the kind of healing that comes only through faith. A raw and vulnerable look deeper into Rory's heart, Once Upon a Farm is filled with powerful stories of love, life, and hope and the insights that one extraordinary, ordinary man in bib overalls has gleamed along the way. As opposed to homesteading, this is instead a book on lifesteading as Rory learns to cultivate faith, love, and fatherhood on a small farm while doing everything, at times, but farming. With frequent stories of his and Joey's years together, and how those guide his life today, Rory unpacks just what it means to be open to new experiences. "This isn't a how-to book; it's more of a how we, or more accurately, how He, God, planted us on a few acres of land and grew something bigger than Joey or I could have ever imagined."

Writing for Bliss 2017-09-01 Writing for Bliss is most fundamentally about reflection, truth, and freedom. With techniques and prompts for both the seasoned and novice writer, it will lead you to tap into your creativity through storytelling and poetry, examine how life-changing experiences can inspire writing, pursue self-examination and self-discovery through the written word, and understand how published writers have been transformed by writing. Poet and memoirist Raab (Lust) credits her lifelong love of writing and its therapeutic effects with inspiring her to write this thoughtful and detailed primer that targets pretty much anyone interested in writing a memoir. Most compelling here is Raab's willingness to share her intimate stories (e.g., the loss of a relative, ongoing struggles with cancer, a difficult relationship with her mother). Her revelations are encouraging to writers who feel they need permission to take... a voyage of self-discovery. The book's seven-step plan includes plenty of guidance, including on learning to read like a writer, and on addressing readers as if seated across the table. Raab covers big topics such as the art and power of storytelling and small details such as choosing pens and notebooks that you enjoy using. She also helps readers with the important step of finding your form. --PUBLISHER'S WEEKLY "Writing for Bliss is about the profound ways in which we may be transformed in and through the act of writing. I am grateful to Diana Raab for sharing it, and I trust that you will feel the same as you read on. May you savor the journey." --from the foreword by MARK FREEMAN, PhD "By listening to ourselves and being aware of what we are saying and feeling, the true story of our life's past experience is revealed. Diana Raab's book gives us the insights by which we can achieve this through her life-coaching wisdom and our writing." --BERNIE SIEGEL, MD, author of The Art of Healing "Only a talented writer who has fought hard to overcome life's many obstacles could take her readers by the hand and lead them through the writing process with such enormous compassion, amazing insight, and kindness. Diana Raab is a powerful, wise, intelligent guide well worth our following." --JAMES BROWN, author of The Los Angeles

Diaries and The River "Writing for Bliss is far more than a 'how-to manual'; it enlightens the creative process with wisdom and a delightful sense of adventure. Bravo to Bliss!" --LINDA GRAY SEXTON, author of Searching for Mercy Street: My Journey Back to My Mother, Anne Sexton "Uniquely blending inspiring insights with practical advice, Diana guides you on a path to discover the story that is truly inside you and yearning to be told." --PATRICK SWEENEY, coauthor of the New York Times bestseller Succeed on Your Own Terms DIANA RAAB, PhD, is an award-winning memoirist, poet, blogger, workshop facilitator, thought provoker, and survivor. Island Magic Elizabeth Goudge 2016 The year is 1888. Rachell and Andre du Frocq live on a run-down farm in the town of St. Pierre, on one of the Channel Islands (between England and the coast of Normandy). The proud parents of five high-spirited children, they have wrestled their happiness out of heartache: they've buried three babies and depleted Rachell's inheritance to keep the farm alive. When a shipwrecked man lands on the island, Rachell takes him in. The man, Ranulph, has spent his whole life refusing to be tied down to anyone or any place, yet he finds the du Frocq family hard to resist. As the story unfolds he finds healing for some of his past hurts and begins to find ways to support the family, the farm, and the island. Exploring the freedom found in commitment and perseverance, this story of family devotion was Elizabeth Goudge's first novel and is not without its surprises!

I Cure Cancer Chris Wark 2019-05-30 "I cure cancer," say it, because only you can cure your cancer. Say, "I cure cancer!" How do you cure cancer? Cure your acidosis and kill your pathogens. Dr. Bernardo was treating cancer patients for 50 years with this alkaline balancing protocol with a 90% success rate. This book has his protocol and many experts to back it up. I Cure Cancer, debuted in 2006 as a movie in NY. It explains for curing cancer, natural healing is the only way. Go holistic. Get alkaline. You don't die of cancer. You die of Acidosis. My info isn't to replace your Doctors it's to add to your arsenal. I'm just a filmmaker. That being said these days, going to your doctor is not enough due to the fact that the medical business is just that: a business. Therefore, it offers only those treatments that are lucrative for the medical industry. Those treatments have a dismal long-term remission rate, and they are only a tiny slice of what's available for treating cancer and what has worked for other people. Therefore, if you want to make sure you are doing everything you can to cure your cancer, and if you are willing to take responsibility for your own life, you must not only go to your doctor but also do your own research in order to learn about options that could either complement or replace conventional, Western methods (chemotherapy, radiation and surgery). These methods work for some but also have serious and sometimes fatal side effects. I am not a Doctor, nor am I offering a cure to anyone. The "i" in I Cure Cancer refers to 'you', the person who is logging on to the site in search of information regarding what other fellow human beings have done in battling this horrendous disease. In short as with any matter of importance dealing with one's well being, the first step is in taking responsibility for one's self. To gather as much information on the subject as possible in order to make educated assessments on what would work best for them. I made the film because as an actor in Hollywood it was the next viable venue for me to express what I had to say as a spirit on this planet. Regular movies weren't cutting it. Reading someone else's lines weren't my thing. I wanted to say my own lines. So I did through other people. I interviewed them to tell my story. In this documentary, it was that cancer was curable if you went holistic. I realized the movie had to be made into a book. I had to show the world what I found and include a basic do it at home holistic health program via Dr. Bernardo Majalca. So here you go. Everything in one book for your cancer healing journey. If you are in a hurry skip to Chapter 6. Read Dr. B's story then do the protocol in chapter 7. It takes 3 months to a year and a half sometimes to get your pH balanced. Once you do, the cancer dies. Bernardo would say if your pH is 7 to 7.4 for 3 months straight you are cancer free. Because cancer can not live in an oxygenated body. Disclaimer: We are not doctors! Just regular people not trusting Rockefeller Western Medicine. Sharing our insights. Only you can

cure your cancer so say it. Say iCureCancer. I hope this book helps you. I worked hard on it. Good luck and God bless. Peace. Ian Jacklin

Same Kind of Different As Me Ron Hall 2008-03-09 A critically acclaimed #1 New York Times best-seller with more than one million copies in print! Now a major motion picture. Gritty with pain, betrayal, and brutality, this incredible true story also shines with an unexpected, life-changing love. Meet Denver, raised under plantation-style slavery in Louisiana until he escaped the "Man" in the 1960's by hopping a train. Untrusting, uneducated, and violent, he spends 18 years on the streets of Dallas and Fort Worth. Meet Ron Hall, a self-made millionaire in the world of high-priced deals—an international arts dealer who moves between upscale New York galleries and celebrities. It seems unlikely that these two men would meet under normal circumstances, but when Deborah Hall, Ron's wife, meets Denver, she sees him through God's eyes of compassion. When Deborah is diagnosed with cancer, she charges Ron with the mission of helping Denver. From this request, an extraordinary friendship forms between Denver and Ron, changing them both forever. A tale told in two unique voices, Same Kind of Different as Me weaves two completely different life experiences into one common journey. There is pain and laughter, doubt and tears, and in the end a triumphal story that readers will never forget. Continue this story of friendship in What Difference Do It Make?: Stories of Hope and Healing, available now. Same Kind of Different as Me also is available in Spanish.
