Witness Waggoner, Josephine 2013-11-01 ¾-Josephine Waggoner's writings offer a unique perspective on the Lakota. Witness will become a widely referenced primary source. Emily Levine has meticulously examined all known collections of Waggoner's manuscripts, sometimes comparing handwritten drafts with multiple typed copies to preserve information in full. Levine's extensive notes are well chosen and informative. Witness will interest both specialist and popular audiences."ãRaymond DeMallie, Chancellorsê Professor of Anthropology and American Indian Studies at Indiana University¾ During the 1920s and 1930s, Josephine Waggoner (1871_1943), a Lakota woman who had been educated at Hampton Normal and Agricultural Institute in Virginia, grew increasingly concerned that the history and culture of her people were being lost as elders died without passing along their knowledge. A skilled writer, Waggoner set out to record the lifeways of her people and correct much of the misinformation about them spread by white writers, journalists, and scholars of the day. To accomplish this task, she traveled to several Lakota and Dakota reservations to interview chiefs, elders, traditional tribal historians, and other tribal members, including women.¾¾ Published for the first time and augmented by extensive annotations, Witness offers a rare participant's perspective on nineteenth- and early twentieth-century Lakota and Dakota life. The first of Waggoner's two manuscripts presented here includes extraordinary firsthand and as-told-to historical stories by tribal members, such as accounts of life in the Powder River camps and at the agencies in the 1870s, the experiences of a mixed-blood Hĭ?kpa? a girl at the first off-reservation boarding school, and descriptions of traditional beliefs. The second manuscript consists of Waggoner's sixty biographies of Lakota and Dakota chiefs and headmen based on eyewitness accounts and interviews with the men themselves. Together these singular manuscripts provide new and extensive information on the history, culture, and experiences of the Lakota and Dakota peoples.

Rainstorm Over the Alphabet Bill Tremblay 2001 "Bill Tremblay is an unusual poet in this time. . . .

People are real to him. I find he has a fantastic grasp of the way human psyches, especially those in distress, move, and he does not encourage the pale aesthetic stuff . . . but writes about the most important experiences." -Robert Bly "Bill Tremblay's poems are committed to life. That's not easy, not even particularly common of poetry in the United States now. The verse is at once socially engaged and well-crafted. Tremblay looks at history and moment, tangles with it all, struggles from it and deals it to us in the

poem." -Margaret Randall "Bill Tremblay's poems are, at their best, fresh measures of a man who is most alive in moments of crisis and confrontation. His poems come at the reader hip and shoulder, ecstasy by catastrophe, and come prepared to turn even humiliation into a triumph of sorts, sometimes by sheer force of presence." -William Pitt Root, Poetry Describing Duhamel: Ideas of Order in Little Canada: "The harsh, complex clarity and paradoxically tender compassion of this book make an extraordinary power for the dimensions of its hero, Duhamel. No work of recent poetry has entered such ground at all. Bill Tremblay offers a unique testament to a world whose brutal fragility has found no other way to speak." -Robert Creeley Bill Tremblay grew up in the shadows of the mills of Southbridge, Massachusetts, and later worked in those same mills, a body of experience that informs all of his writing. The author of six full-length collections of poetry and one novel, The June Rise: The Apocryphal Letters of Antoine Janis, he teaches at Colorado State University.
