**The Story of Evil - An Epic Fantasy Saga** Tony Johnson  
2023-05-04 The Story of Evil is the first standalone novel in Tony Johnson's literary universe, The Chronoverse. This book is a giant tome of epic fantasy made up of five volumes (Heroes of the Siege,

Escape from Celestial, Three Visions, The Cursed King, and Battle for the Kingdom).

During an annual jousting tournament, a mysterious villain attacks the capital with his army. Because of this disastrous event, Stephen Brightflame, an aspiring knight, embarks on a quest to save the kingdom from further destruction. He joins up with a convicted felon, an arrogant

warrior, and a Halfling woman, but learns their tragic pasts are just as dark and disturbing as his own. This 430,000 word adventure features everything that makes the fantasy genre great: knights, castles, war, prophecies, magic, monsters, and dragons! After ten years in the making, experience the complete Story of Evil - An Epic Fantasy Saga.

### **Riders of the Purple Sage**

Zane Grey 1990-05-01 A master of narrative momentum and suspense, Zane Grey sweeps readers into his stories and makes them feel that things are out of control, that boundaries are being burst. In *Riders of the Purple Sage*, the most famous novel of the American West, Grey creates a hero of epic proportions, a villain of legendary evil and a world in which the landscape is rendered with such force that it seems to express thoughts and feelings, to become a character in its own right. Indeed, *Riders of the Purple Sage* derives much of its depth and power from passions whose forbidden and

overwhelming nature cannot be expressed by human beings and are therefore embodied in the natural world. In his depiction of the relationship between Lassiter, the hero, and Jane Withersteen, Grey breaks other literary barriers: Jane, modelled on the heroines of the nineteenth-century novel, must come to terms with the values expressed by Lassiter - the harsh, "masculine" values of the twentieth century. Their struggles together represent the tumultuous changes society itself was confronting.

*Heart of Fire* Victoria Holmes 2006-10-01 In 1923, Maddie's family is reunited when her brother finally comes home to England after fighting in the Great War, but when she discovers that he is an impostor, Maddie faces the loss of both her new brother and his horse, which she has grown to love.

powers and learn that every girl can be a hero in this fantasy trilogy. Soul Riders tells the heroic tale of four young girls who have been chosen by destiny to save the world from the ancient demon: Garnok and his band of dangerous Dark Riders. Lisa is a teenage girl who is still coming to terms with the tragic loss of her mother in a riding accident and has sworn never to go near a horse again until she met Starshine, a mysterious blue-maned steed who comes to her in dreams. New on the island of Jorvik, Lisa befriends Alex, Linda, and Anne. Under the guidance of mystical druids, they discover they each have a special bond to their horses that gives them magical powers. While trying to balance school, family, and friendships they have to figure out what it means to be a Soul Rider. They are attacked by the Dark Riders and the mysterious Mr. Sands discover that their horses are in danger. Instead of relying on their combined strength, they decide to split up on their quest to find

answers and learn to fight back against their enemies.

However, will it be too late before they realize their mistake? Jorvik Calling is the first installment in the epic, fantasy trilogy, Soul Riders, about magic, friendship, and horses bound to thrill all young equestrian fans.

*Lie for Me: Griff's Story* Romily Bernard 2014-09-02 A digital-only prequel novella from Romily Bernard, author of the Find Me trilogy. Griff wasn't always the knight in shining armor Wick Tate thinks he is. He had a whole life before he met her, and even though it's grittier than Wick could have

imagined, it also made him into the guy she loves. This prequel novella grants readers access to Griff's story from his point-of-view—and it includes some scenes from Find Me, which Jay Asher called "a thriller that keeps picking up speed" and Sophie Jordan hailed as "fast-paced and full of twists," and is told from Griff's alternate perspective! Epic Reads Impulse is a digital imprint with new releases each month. *Everybody Sees the Ants* A.S. King 2011-10-03 Lucky Linderman didn't ask for his life. He didn't ask his grandfather not to come home from the Vietnam War. He didn't ask for a father who never got over it. He didn't ask for a mother who keeps pretending their dysfunctional family is fine. And he didn't ask to be the target of Nader McMillan's relentless bullying, which has finally gone too far. But Lucky has a secret--one that helps him wade through the daily mundane torture of his life. In his dreams, Lucky escapes to the war-ridden jungles of Laos--the prison his

grandfather couldn't escape--where Lucky can be a real man, an adventurer, and a hero. It's dangerous and wild, and it's a place where his life just might be worth living. But how long can Lucky keep hiding in his dreams before reality forces its way inside? Michael L. Printz Honor recipient A.S. King's smart, funny and boldly original writing shines in this powerful novel about learning to cope with the shrapnel life throws at you and taking a stand against it.

[This Dark Descent](#) Kalyn Josephson 2023-09-28 Enter the corrupt world of Veradell, where warring monarchs vie for a kingdom full of forbidden magic, illicit romance and cut-throat horse racing. Steeped in Jewish folklore, This Dark Descent is an explosive YA fantasy by Kalyn Josephson, perfect for fans of Leigh Bardugo's Six of Crows. Mikira Rusel is out of options. With her father imprisoned and facing rising debts, there's only one way to save her family from ruin: enter the Illinir, a high-stakes, cross-country horse race known for its high death toll as much as its flashy prize money. To have any

chance of success she'll have to recruit Ari, an unlicensed enchanter, Damien, a lord in the midst of a succession battle, and Reid; the brooding horse trainer who will be the key to Mikira's survival. All her accomplices have reasons of their own to help Mikira - and their own blood feuds to avenge. And as alliances deepen and romances form, Mikira will have to discover where everyone's true loyalties lie. In a world as dangerous as this, remember to keep your enemies close and your friends closer . . .

**The Epic Hero** Dean A. Miller  
2000-03-02 From Odysseus to Aeneas, from Beowulf to King Arthur, from the Mahâbhârata to the Ossetian "Nart" tales, epic heroes and their stories have symbolized the power of the human imagination. Drawing on diverse disciplines including classics, anthropology, psychology, and literary studies, this product of twenty years' scholarship provides a detailed typology of the hero in Western myth: birth, parentage, familial ties,

sexuality, character, deeds, death, and afterlife. Dean A. Miller examines the place of the hero in the physical world (wilderness, castle, prison cell) and in society (among monarchs, fools, shamans, rivals, and gods). He looks at the hero in battle and quest; at his political status; and at his relationship to established religion. The book spans Western epic traditions, including Greek, Roman, Nordic, and Celtic, as well as the Indian and Persian legacies. A large section of the book also examines the figures who modify or accompany the hero: partners, helpers (animals and sometimes monsters), foes, foils, and even antitypes. The Epic Hero provides a comprehensive and provocative guide to epic heroes, and to the richly imaginative tales they inhabit.

Chronicles. **CITY OF ROGUES:**

Book I of The Kobalos Trilogy

Kron Darkbow seeks

vengeance, and he plans to

have it no matter the costs.

Returning to the city of his

birth after 15 years, he hunts

down the wizard responsible

for the deaths of those he loved

only to find out another was

responsible for the murders.

That other is Belgad the Liar, a

former barbarian chieftain who is now boss of the city's underworld. **ROAD TO WRATH:** Book II of The Kobalos Trilogy Kron Darkbow has fled the city of Bond, along with healer mage Randall Tendbones and professional duelist Adara Corvus. Everywhere they turn are enemies. Even the goal of their travels offers no peace, for the group rides to the land of Kobalos where Randall must face that nation's Lord Verkain, the alleged Dark King of the North. **DARK KING OF THE NORTH:** Book III of The Kobalos Trilogy Kron Darkbow and companions have survived the mean streets of the city of Bond and the dangers of the Prison Lands, but now they dare to journey into Kobalos, a dark northern land ruled by King Verkain, a powerful mage rumored to be immortal and mad. Always on their trail is underworld crime boss Belgad the Liar and his crew of deadly killers. Not only does Belgad seek vengeance against Kron, but he also wants to capture Kron's friend, the healer Randall Tendbones, the last of

Verkain's children whom the king wants dead. It is in Kobalos, in the darkest of hours, alone with enemies all around, Darkbow becomes the last hope for all. But to defeat his foes, first he must learn to defeat his own rage. **GHOSTS OF THE ASYLUM: Book I of The Horrors of Bond Trilogy** The streets of the city of Bond boil with discontent. Political struggles within a power vacuum bring dreams of dominance to some among the lower levels of the city's underbelly. Common thugs and guild bosses alike conspire together, their goal to eliminate the figure of Kron Darkbow. Permanently. Kron has become a symbol on the streets, and his removal would not only clear the way for others, but also would be a sign of who has the real power in Bond. Amidst the chaos, buildings burn, riots go nearly unchecked, and even the city guard find themselves forced to retreat. **DEMON CHAINS: Book II of The Horrors of Bond Trilogy** A sick murderer stalks the streets of the city of Bond.

The killer leaves behind tortured and twisted bodies sliced and ripped apart, often after the most horrible of violations. It falls upon Kron Darkbow to hunt this killer preying upon the weak and the strong alike, but he soon realizes there is more than one culprit involved in these horrible crimes. A dark mage and his demon partner are at fault, and with each death they grow more and more powerful. **THE COMPANY OF SEVEN: Book III of The Horrors of Bond Trilogy** An undead mage thousands of years old slinks through the city of Bond. Rising up from beneath the soil, he soon finds himself allied with escaped fugitives from the Prisonlands, a former knight, a pair of assassins and the chief of thieves. Each has their own wants, their own goals, but the wizard's are the most deadly to the citizens of Bond, and he refuses to be denied his destiny. Spotting healer and wizard Randall Tendbones as a threat, a plan is soon hatched to remove him permanently, but swordsman

Kron Darkbow might have something to say about that. But Tendbones is only the beginning, for the murder of thousands is in the works, and unless Kron can put a stop to the terrors stalking Bond, the devastation will reach across all levels of the city and beyond. epic, fantasy, sale, deal, trilogy, swords, sorcery, magic, heroic, dark

equestrian journeys in history: Aimé Tschiffely and his two trusty steeds, Mancha and Gato, traveled the incredible distance of ten thousand miles between Buenos Aires and New York. Tschiffely's Ride recounts the dramatic story of that daring journey. Along the trackless Pampas of Argentina, over Peru's towering Andes Mountains, through the malaria infested jungles of Central America, across the deserts of Mexico, and on to a rapturous welcome in faraway New York, Tschiffely carries the reader along on an unforgettable quest. Although many taunted him as a fool for daring to make a ride that had never been attempted, the author was greeted as a hero by the president of the United States and given a ticker tape parade by the mayor of New York City. Nearly a century later, the modest Tschiffely is revered as the most influential Long Rider in history. Set in the world of the Legacy, Shade is a prequel to Night Rider.

**Soul Riders** Helena Dahlgren 2020-03-24 "When Lisa and her dad arrive in Jorvik, she finds herself in a new city and at a new school trying to make new friends. This isn't the first time Lisa's moved because of her father's work, but this time it's without her mom. She died in a riding accident and Lisa hasn't gone near a horse since it happened. Despite her fears, it's not long before Lisa is drawn to the stables. To Linda, Alex, Anne, and to the horses. Especially one horse: Starshine. Everything is about to change for Lisa. Her love of horses is rekindled at the same time that she ends up in the middle of an ancient struggle between good and evil, and the legend of the Soul Riders ..."--

Provided by publisher **The Biography Book** Daniel S. Burt 2001-02-28 From Marilyn to Mussolini, people captivate people. A&E's Biography, best-selling autobiographies, and biographical novels testify to the popularity of the genre. But where does one begin? Collected here are descriptions and evaluations of over 10,000 biographical works, including books of fact and fiction, biographies for young readers, and documentaries and movies, all based on the lives of over 500 historical figures from scientists and writers, to political and military leaders, to artists and musicians. Each entry includes a brief profile, autobiographical and primary sources, and recommended works. Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title, helping readers to find the best biographical material available on hundreds of fascinating individuals. *The Book Review Digest* 2005
