

Sex Lives Of The Presidents From Washington To Clinton

Sex Lives Of The Presidents From Washington To Clinton Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Sex Lives Of The Presidents From Washington To Clinton**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Bill Clinton Michael Tomasky 2017-01-24
"42nd president, 1993-2001"--Back cover.

The President's Daughter James Patterson 2021-06-07
A rocket ride of a thriller—the #1 New York Times bestselling blockbuster by President Bill Clinton and James Patterson, "the dream team" (Lee Child). All Presidents have nightmares. This one is about to come true. Every detail is accurate—because one of the authors is President Bill Clinton. The drama and action never stop—because the other author is James Patterson. Matthew Keating, a one-time Navy SEAL—and a past president—has always defended his family as staunchly as he has his country. Now those defenses are under attack. A madman abducts Keating's teenage daughter, Melanie—turning every parent's deepest fear into a matter of national security. As the world watches in real time, Keating embarks on a one-man special-ops mission that tests his strengths: as a leader, a warrior, and a father. The authors' first collaboration, *The President Is Missing*, a #1 New York Times bestseller and the #1 bestselling novel of 2018, was praised as "ambitious and wildly readable" (New York Times Book Review) and "a fabulously entertaining thriller" (Pulitzer Prize-winning author Ron Chernow).

A Complicated Man Michael Takiff 2010-10-19
"An astonishing collection of 171 interviews with Clinton's friends, foes, admirers, and detractors as well as reporters and political analysts."—Booklist (starred review). Though

Bill Clinton has been out of office since 2001, public fascination with him continues unabated. Many books about Clinton have been published in recent years, but shockingly, no single-volume biography covers the full scope of Clinton's life from the cradle to the present day, not even Clinton's own account, *My Life*. More troubling still, books on Clinton have tended to be highly polarized, casting the former president in an overly positive or negative light. In this, the first complete oral history of Clinton's life, historian Michael Takiff presents the first truly balanced book on one of our nation's most controversial and fascinating presidents. Through more than 150 chronologically arranged interviews with key figures—including Bob Dole, James Carville, and Tom Brokaw, among many others—*A Complicated Man* goes far beyond the well-worn party-line territory to capture the larger-than-life essence of Clinton the man. With the tremendous attention given to the Lewinsky scandal, it is easy to overlook the president's humble upbringing, as well as his many achievements at home and abroad: the longest economic boom in American history, a balanced budget, successful intervention in the Balkans, and a series of landmark, if controversial, free-trade agreements. Through the candid recollections of Takiff's many subjects, *A Complicated Man* leaves no area unexplored, revealing the most complete and unexpected portrait of our forty-second president published to date. "Packed with fascinating personal perspective and testimony."—Nigel Hamilton,

bestselling and award-winning author of
American Caesars

American Civil Rights Policy from Truman to Clinton Steven A. Shull 1999 The President is the key actor in civil rights policy--its advance, reversal, or neglect. This book documents the critical role presidents have played in setting the agenda, framing the terms of the debate, and formulating specific policy goals with respect to civil rights. By identifying the limits of presidential influence as well as the impact of presidential leadership vis-a-vis the Congress and federal agencies, Shull is able to compare presidents in terms of rhetoric, performance, and effectiveness in this most controversial policy arena. Expanding upon his work in *A Kinder, Gentler Racism?* Shull here incorporates the Clinton years, including case studies of the 1996 same-sex marriage controversy and the nominations of Lani Guinier and William Lee for the Civil Rights Division of the Department of Justice.

Inside the Clinton White House Russell L. Riley 2016-09-01 President Bill Clinton led one of the most influential and consequential White House tenures in recent memory. However, because of the office's traditional climate of confidentiality, many details of his behind-the-scenes activities have remained absent from the written record. How did the administration manage the horrific conflicts in Haiti, Somalia, and the Balkans that came to a head shortly after the President took the oath? What motivated the President to place First Lady Hillary Clinton at the helm of the ill-fated Health Security Act of 1993? And how did the President's closest confidantes and aides respond to the outbreak of the devastating scandal that nearly ended his presidency? *Inside the Clinton White House* offers an intimate perspective on these questions and many more, granting readers unprecedented access to the sensitive Oval Office banter that changed the course of history. Bringing together material from 400 hours of candid conversations with over sixty individuals, respected oral historian Russell L. Riley weaves this illuminating testimony with important contextual information to form an irresistible narrative, taking the reader from Clinton's first potential White House bid in 1988 to the final days of his remarkable

and controversial career. Extended sections of the book are devoted to important domestic and foreign policy campaigns, the complicated politics of the President's two terms and impeachment, and portraits of important personalities in the administration, including Vice President Al Gore and First Lady Hillary Rodham Clinton. These forthright and often surprising accounts add a layer of nuance to an iconic figure in America's recent history, as told in the words of the people who knew him best.

Presidential Sex Wesley O. Hagood 1996
The Clinton Wars Sidney Blumenthal 2003 From his first day in the White House until long after his appearance as the only presidential aide ever to testify in an impeachment trial, Blumenthal participated in nearly all the battles of the Clinton years."

Lives of the Presidents Kathleen Krull 1998 Focuses on the lives of presidents as parents, husbands, pet-owners, and neighbors while also including humorous anecdotes about hairstyles, attitudes, diets, fears, and sleep patterns.
The First Family Detail Ronald Kessler 2014 As in a play, presidents, vice presidents, and presidential candidates perform on stage for the public and the media. What the nation's leaders are really like and what goes on behind the scenes remains hidden. Secret Service agents have a front row seat on their private lives and those of their wives and children. Crammed with new, headline-making revelations, *THE FIRST FAMILY DETAIL: Secret Service Agents Reveal the Hidden Lives of the Presidents* by Ronald Kessler tells that eye-opening, uncensored story. Since publication of his New York Times bestselling book *In the President's Secret Service*, award-winning investigative reporter Ronald Kessler has continued to penetrate the wall of secrecy that surrounds the U.S. Secret Service, breaking the story that Secret Service agents who were to protect President Obama hired prostitutes in Cartagena, Colombia and revealing that the Secret Service allowed a third uninvited guest to crash a White House state dinner. Now in this new book, Kessler presents far bigger and more consequential stories about our nation's leaders and the agency sworn to protect them. Kessler widens his scope to include presidential candidates and former presidents after they leave the White House. In

particular, he focuses on first ladies and their children and their relationships with the presidents. From observing Vice President Joe Biden's reckless behavior that jeopardizes the country's safety, to escorting Bill Clinton's blond mistress at Chappaqua, to overhearing First Lady Michelle Obama's admonitions to the president, to witnessing President Nixon's friends bring him a nude stripper, to seeing their own agency take risks that could result in an assassination, Secret Service agents know a secret world that Ronald Kessler exposes in breathtaking detail. THE FIRST FAMILY DETAIL reveals: · Vice President Joe Biden regularly orders the Secret Service to keep his military aide with the nuclear football a mile behind his motorcade, potentially leaving the country unable to retaliate in the event of a nuclear attack. · Secret Service agents discovered that former president Bill Clinton has a blond mistress who lives near the Clintons' home in Chappaqua, New York. Within minutes of Hillary Clinton's leaving, the woman—codenamed Energizer by agents—shows up to be with Bill and stays every day while the likely future presidential candidate is away. · The Secret Service covered up the fact that President Ronald Reagan's White House staff overruled the Secret Service to let unscreened spectators get close to Reagan as he left the Washington Hilton, allowing John W. Hinckley Jr. to shoot the president. · Secret Service agents have been dismayed to overhear Michelle Obama push her husband to be more aggressive in attacking Republicans and to side with blacks in racial controversies. · Secret Service Director Mark Sullivan diverted agents from protecting President Obama and his family at the White House and ordered them instead to protect his assistant at her home and illegally retrieve confidential law enforcement records as a favor to her. · Because Hillary Clinton is so nasty to agents, being assigned to her protective detail is considered a form of punishment and the worst assignment in the Secret Service. · Secret Service agents were ordered to ignore security rules and allow the SUV carrying actor Bradley Cooper to drive unscreened into a secure restricted area when President Obama was about to deliver his speech at the White House Correspondents Dinner. · Vice President Joe

Biden has racked up costs to taxpayers of a million dollars to fly to and from his home in Delaware on Air Force Two. His office tried to cover up the costs of the personal trips. · Because the Secret Service refused to provide enough magnetometers at his campaign events, Mitt Romney regularly left himself open to assassination by giving speeches to crowds that had not been screened. · Vice President Joe Biden swims nude at the vice president's residence in Washington and at his home in Delaware, offending female Secret Service agents.

First in Line Kate Andersen Brower 2018-06-05
"An intimate, compulsively readable account of the dynamics that have shaped—and sometimes destroyed—relations at the top of the American political hierarchy... [and] a valuable addition to the literature of the modern presidency." — Wall Street Journal From the author of the New York Times bestsellers *First Women* and *The Residence*, an intimate, news-making look at the men who are next in line to the most powerful office in the world—the vice presidents of the modern era—from Richard Nixon to Joe Biden to Mike Pence. Vice presidents occupy a unique and important position, living partway in the spotlight and part in the wings. Of the forty-eight vice presidents who have served the United States, fourteen have become president; eight of these have risen to the Oval Office because of a president's death or assassination, and one became president after his boss's resignation. John Nance Garner, FDR's first vice president, famously said the vice presidency is "not worth a bucket of warm piss" (later cleaned up to "warm spit"). But things have changed dramatically in recent years. In interviews with more than two hundred people, including former vice presidents, their family members, and insiders and confidants of every president since Jimmy Carter, Kate Andersen Brower pulls back the curtain and reveals the sometimes cold, sometimes close, and always complicated relationship between our modern presidents and their vice presidents. Brower took us inside the lives of the White House staff and gave us an intimate look at the modern First Ladies; now, in her signature style, she introduces us to the second most powerful men in the world, exploring the lives and roles of thirteen modern

vice presidents—eight Republicans and five Democrats. And she shares surprising revelations about the relationship between former Vice President Joe Biden and former President Barack Obama and how Vice President Mike Pence and President Donald Trump interact behind closed doors. From rivals to coworkers, there is a very tangible sense of admiration mixed with jealousy and resentment in nearly all these relationships between the number two and his boss, even the best ones, Brower reveals. Vice presidents owe their position to the president, a connection that affects not only how they are perceived but also their possible future as a presidential candidate—which is tied, for better or worse, to the president they serve. George H. W. Bush and Ronald Reagan had a famously prickly relationship during the 1980 primary, yet Bush would not have been elected president in 1988 without Reagan's high approval rating. Al Gore's 2000 loss, meanwhile, could be attributed to the Monica Lewinsky sex scandal and Bill Clinton's impeachment. Current Vice President Mike Pence is walking a high-stakes political tightrope as he tries to reassure anxious Republicans while staying on his boss's good side. This rich dynamic between the president and the vice president has never been fully explored or understood. Compelling and deeply reported, grounded in history and politics, and full of previously untold and incredibly personal stories, *First In Line* pierces the veil of secrecy enveloping this historic political office to offer us a candid portrait of what it's truly like to be a heartbeat away.

Sex Lives of the Presidents Nigel Cawthorne 1998 Recounts some of the scandals associated with the private lives of the presidents, including rumors of love affairs, illegitimate children, and other episodes.

Public Papers of the Presidents of the United States, William J. Clinton United States. President (1993-2001 : Clinton) 1994 Public Papers of the Presidents of the United States United States. President 1977

The Clinton Enigma David Maraniss 1998 Maraniss dissects Bill Clinton's August 17, 1998, televised apologia to the nation and analyzes how that one short speech reveals a great deal about the President's complex personality.

The Survivor John F. Harris 2006-10-10 NEW YORK TIMES BESTSELLER The definitive account of one of the most accomplished, controversial, and polarizing figures in American history Bill Clinton is the most arresting leader of his generation. He transformed American politics, and his eight years as president spawned arguments that continue to resonate. For all that has been written about this singular personality—including Clinton's own massive autobiography—there has been no comprehensive, nonpartisan overview of the Clinton presidency. Few writers are as qualified and equipped to tackle this vast subject as the award-winning veteran Washington Post correspondent John F. Harris, who covered Clinton for six of his eight years in office—as long as any reporter for a major newspaper. In *The Survivor*, Harris frames the historical debate about President William Jefferson Clinton, by revealing the inner workings of the Clinton White House and providing the first objective analysis of Clinton's leadership and its consequences. Harris shows Clinton entering the Oval Office in 1993 primed to make history. But with the Cold War recently concluded and the country coming off a nearly uninterrupted generation of Republican presidents, the new president's entry into this maelstrom of events was tumultuous. His troubles were exacerbated by the habits, personal contacts, and the management style, he had developed in his years as governor of Arkansas. Clinton's enthusiasm and temper were legendary, and he and Hillary Rodham Clinton—whose ambitions and ordeals also fill these pages—arrived filled with mistrust about many of the characters who greeted them in the “permanent Washington” that often holds the reins in the nation's capital. Showing surprising doggedness and a deep-set desire to govern from the middle, Clinton repeatedly rose to the challenges; eventually winning over (or running over) political adversaries on both sides of the aisle—sometimes facing as much skepticism from fellow Democrats as from his Republican foes. But as Harris shows in his accounts of political debacles such as the attempted overhaul of health care, Clinton's frustrations in the war against terrorism, and the numerous personal controversies that time and again threatened to consume his presidency,

Bill Clinton could never manage to outrun his tendency to favor conciliation over clarity, or his own destructive appetites. The Survivor is the best kind of history, a book filled with major revelations—the tense dynamic of the Clinton inner circle and Clinton’s professional symbiosis with Al Gore to the imprint of Clinton’s immense personality on domestic and foreign affairs—as well as the minor details that leaven all great political narratives. This long-awaited synthesis of the dominant themes, events, and personalities of the Clinton years will stand as the authoritative and lasting work on the Clinton Presidency.

The President is Missing Bill Clinton 2018-06-04 'The dream team delivers big time ... Clinton's insider secrets and Patterson's storytelling genius make this the political thriller of the decade.' - Lee Child

_____ The President is Missing. The world is in shock. But the reason he's missing is much worse than anyone can imagine. With details only a President could know, and the kind of suspense only James Patterson can deliver.

_____ 'A bullet train of a thriller. The Day of the Jackal for the twenty-first century.' - A.J. Finn, author of *The Woman in the Window* 'This book moves like Air Force One. Big and fast.' - Michael Connelly, author of the Harry Bosch series 'The President Is Missing is a big, splashy juggernaut of a novel, combining thrills with a truly authentic look at the inner happenings in Washington. I read it in one gulp. You will too.' - Harlan Coben, #1 bestselling author of *Don't Let Go* 'Yes, The President is Missing is fiction - it's a thriller - but James Patterson and I have come up with three of the most frightening days in the history of the presidency. And it could really happen... These days, the seemingly impossible can happen. And it happens so fast. I believe that readers will not soon forget President Jonathan Duncan and his story.' - Bill Clinton 'Needless to say, we had some great conversations about the presidency, what life in Washington is really like, and about the state of America and the rest of the world.' - James Patterson 'I felt like I was right along with the characters for the shocking twists and turns you'll never guess are coming. Patterson and Clinton have created a truly unique character in

their 'missing' President. The President is Missing puts the listener inside the White House and inside the mind of a President grappling with extraordinary circumstances.' - Dennis Quaid on the audiobook of *The President is Missing* 'Relentless in its plotting and honest in its examination of issues that strike close to our hearts.' - Jeffery Deaver 'A first-rate collaboration from a couple of real pros! Engrossing from page one.' - David Baldacci 'vivid, engrossing - and authentically frightening.' - Carl Hiaasen, author of *Razor Girl* 'The President is Missing is more than a thriller - it's a skeleton key that lets you inside the head of a U.S. president.' - Brad Meltzer, author of *The Escape Artist* 'From the pens of two American icons comes a political thriller that rocks... a helluva story.' - Nelson DeMille, author of *The Cuban Affair* 'The President Is Missing is heart-pounding, gripping, terrifying... a genuinely masterful thriller. My knuckles are still white!' - Louise Penny, #1 bestselling author of *Glass Houses* 'Marry the political savvy of Bill Clinton with the craftsmanship of James Patterson and you get a fabulously entertaining thriller that is meticulous in its portrayal of Washington politics, gripping in its pacing, and harrowing in its depiction of the perils of cyberwarfare.' - Ron Chernow, #1 bestselling and Pulitzer Prize-winning author of *Alexander Hamilton* and *Grant* 'Compelling from page one. A fantastic read!' - Mary Higgins Clark, #1 bestselling author of *I've Got My Eyes on You* *Sex Lives of the U.S. Presidents* Nigel Cawthorne 2004 Sex and power, it is said, are inextricably linked. A president's sexual chemistry can be both his greatest weapon and his very undoing. Down the years many a president's political industry has been matched only by the fervour of his carnal pursuits. This irreverent history of the chief executive exposes the sexual appetites of the office's incumbents from the often less than puritanical founding fathers, right up to the excesses of the Kennedy White House, and the allegations that have rocked the Clinton administration. Now fully updated to include new revelatory material on Bill Clinton and George W. Bush.

Cheating Deborah L. Rhode 2018 "Cheating is deeply embedded in everyday life. Costs attributable to its most common forms total

close to a trillion dollars annually. This book offers the only recent comprehensive account of cheating in everyday life and the strategies necessary to address it across a wide range of contexts: sports, organizations, taxes, academia, copyright infringement, marriage, and insurance and mortgages"--

The Clinton Crack-up R. Emmett Tyrrell 2007

Describes the post-presidency and legacy of America's forty-second president, focusing on Clinton's questionable actions and lamenting how he continues to fall short of his potential. Presidential Sex Wesley O. Hagood 1998 With profiles on Bill Clinton, Thomas Jefferson, FDR, JFK, Lyndon Johnson, and Eisenhower, this book describes the impact that freewheeling sexual behavior has had upon first families, election campaigns, political careers, and the nation itself.

The Presidents Club Nancy Gibbs 2012-04-17

The New York Times bestselling history of the private relationships among the last thirteen presidents—the partnerships, private deals, rescue missions, and rivalries of those select men who served as commander in chief. The Presidents Club, established at Dwight Eisenhower's inauguration by Harry Truman and Herbert Hoover, is a complicated place: its members are bound forever by the experience of the Oval Office and yet are eternal rivals for history's favor. Among their secrets: How Jack Kennedy tried to blame Ike for the Bay of Pigs. How Ike quietly helped Reagan win his first race in 1966. How Richard Nixon conspired with Lyndon Johnson to get elected and then betrayed him. How Jerry Ford and Jimmy Carter turned a deep enmity into an alliance. The unspoken pact between a father and son named Bush. And the roots of the rivalry between Clinton and Barack Obama. Time magazine editors and presidential historians Nancy Gibbs and Michael Duffy offer a new and revealing lens on the American presidency, exploring the club as a hidden instrument of power that has changed the course of history.

Hustler Joseph Sobran 2016-09-10 Syndicated columnist, Joseph Sobran wrote extensively during Bill Clinton's presidency, detailing many of the scandals and shady dealing of those years. Hustler: The Clinton Legacy is a priceless recounting of Bill and Hillary's reign in the

White House. Luckily for the Clintons, people have short memories. And since more than 20 years have gone by, younger folks have no recollection of those Clinton years. That's why FGF Books, the publishing imprint of the Fitzgerald Griffin Foundation, which owns the copyrights to all of Mr. Sobran's columns, decided to bring out a second edition of this important book now. Here are some of the misdeeds and nefarious activities of the Clintons discussed in "Hustler": -- "FileGate": when Bill and Hillary illegally obtained many FBI files of their enemies -- the Whitewater scandal -- that fact that Bill used Arkansas state troopers to procure women for parking lot trysts -- First Feminist Hillary trying to foist a comprehensive universal national health care system on the U.S. in 1993 -- that the Clintons were loathed by much of the public for their greed, opportunism, fanaticism, glad-handing, bullying, and hypocrisy during their eight years in the White House -- that Bill Clinton was the first president to "make the sexual revolution part of the conscious program, promoting abortion, homosex, feminism, and the rest, and even weaving them into the system of entitlements." --that Clinton understood with perfect lucidity that "civil rights" has become nothing more than a group spoils system This book provides a penetrating and insightful analysis of the nature and personality of our 42nd president. For example: "Americans have been taught to expect their presidents to be great men: men of substance, courage, eloquence, and dignity. Clinton has none of these qualities and hardly pretends to have them. ... He is nothing but a skilled political specialist, a charmingly unscrupulous improviser, possessing all the currently necessary arts of raising money, wooing important power blocs, and getting elected". Every essay in this book adds to one's knowledge of the character of Bill Clinton. Joe calls Clinton "The Sex President." While he is probably the only one to be that blunt about it (other than perhaps Ann Coulter, who wrote the Foreword to the book), he wrote, humorously: "Another thing nobody has ever said is this: "Bill Clinton is innocent. Let's hear those tapes. Let's hear the testimony of Monica Lewinsky, Betty Currie, the Secret Service, the Chinese lobbyists, and let the chips fall where they may.

The full truth will vindicate the president and confute his accusers. "Co-president" Hillary does not escape Sobran's critique. He writes: "Hillary became the most powerful and unpopular first lady in history. And it wasn't long before she also generated her own scandals. ...It comes as a kind of relief to find she's made of the same stuff as her husband. Her fanaticism has never gotten in the way of her profit." Sobran foresaw clearly the failings and ramifications of Clinton's foreign policy which increased the involvement of the U.S. in the Middle East. In 1997, he wrote: "How many enemies do we want? We have the power to make an unlimited number, provoking terrorist retaliation in the short run and who knows what in years to come. ... If, one day soon, one of these bombs is detonated in Washington, New York, St. Louis, or Seattle, we'll pay dearly not only for Bill Clinton's sins, but for our politicians' fifty-year habit of ...sacrificing America's interests to Israel. The shock will dwarf the memory of Pearl Harbor." Alas, he was correct in his prediction. The Clintons aren't about to change their character. But will enough Americans catch on to them to drive them eventually into oblivion? It is the hope and prayer of FGF Books that some of the insights in this book will illuminate the minds and hearts of our fellow citizens as to the true nature of the Clintons.

Bill Clinton Nigel Hamilton 2007-07-10 From best-selling, award-winning biographer Nigel Hamilton, this is an insightful, prodigiously researched, and wonderfully readable account of Bill Clinton's first term in office. It shows how a well-meaning but naïve new president failed to assert true leadership in his first two years, and then illustrates how, in an astonishing act of self-reinvention, the president turned defeat into victory. *Bill Clinton: Mastering the Presidency* is a gripping tale of hubris and redemption—and a chronicle of one of the most dramatic reversals of fortune in modern American politics.

Mother of the President Raymond Martin Bell 1998

All the Presidents' Women John M. Berez, Ph.D. 1999-04 Having just completed a careful study of nearly a dozen different sexual styles, (*Sexual Styles: A Guide to Understanding Your Lover's Personality*, Humanics, 1998), John

Berez now applies this same analysis to the sexual lives of the last ten American Presidents; not from the viewpoint of an historian or tabloid journalist but as a clinical psychologist. From the silhouette of our personality style emerges our sexual style; through careful analysis of the personality styles and especially in their relationships with women, *All The Presidents' Women* probes the past and present inhabitants of the world's most powerful office - with surprising results. From President Truman through Bill Clinton, Berez provides a fascinating investigation into the lives, loves and motivations of these influential men. With depth and clarity, *All The Presidents' Women* presents answers to questions such as: Did Bess Truman henpeck her husband Harry? Was Jack Kennedy a wildly promiscuous playboy, or did he just have a great capacity to love lots of women? Was Lyndon Johnson indeed crude, or was he putting on a "wild-west" sideshow? Did Nixon's paranoia extend beyond the press corps and other politicians and was he suspicious of everyone? *All the Presidents' Women* will engender new understanding of our presidents' personalities, their sexual styles and the women they have loved.

Partisan Sex Fedwa Malti-Douglas 2009

The Presidents 1992

One Nation Under Sex Larry Flynt 2011-04-26 Ben Franklin saved the American Revolution by seducing French Women. A gay love affair between President James Buchanan and Senator William King aided the secession movement. Woodrow Wilson's girlfriend dictated his letters to the German Kaiser. And lesbian relationships inspired Eleanor Roosevelt to become a revolutionary crusader for equal rights. The colorful sex lives of America's most powerful leaders have influenced social movements, government policies, elections and even wars, yet they are so whitewashed by historians that people think Thomas Jefferson and Abe Lincoln were made of marble, not flesh and blood. But the truth is about to come out. In *One Nation Under Sex*, free speech activist and notorious *Hustler* magazine publisher Larry Flynt teams up with Columbia University history professor David Eisenbach to peek behind the White House bedroom curtains and document how hidden passions have shaped public life. They

unpack salacious rumors and outright scandals, showing how private affairs have driven pivotal decisions—often with horrific consequences. Along the way, they explore the origins of America's fascination with sex scandals and explain how we can put aside out political moralism and begin focusing on the real problems that threaten our nation.

Partisan Sex Fedwa Malti-Douglas 2009 Sex, politics, and the law characterized the Clinton era, which began with the emergence of Bill Clinton as a presidential candidate with a train of sex scandals and ended with the attacks of September 11, 2001. The Monica Lewinsky affair was the climax of the phenomenon, and the resulting scandal had far-reaching effects. Politics became the language and the means for battles over sex. Sex and politics became metaphors for each other as American society struggled to come to terms with its sexual and political anxieties. *Partisan Sex: Bodies, Politics, and the Law in the Clinton Era* explores the high-cultural anxieties of the left and the masculinity hang-ups of the right, the exploitation of romance imagery and hot sauce bottles, the obsessions with Hillary Clinton's breakfasts, and the rise of a society of voyeurs. -- Amazon.com.

On the Edge, the Clinton Presidency

Elizabeth Drew 1994

The Secret Life of Bill Clinton Ambrose Evans-Pritchard 1997 Breaking the biggest scoop of all: an assiduously documented exposé of "the blackwater scandals"--The scandals that have gone unreported in the American media, but that characterize the Clinton presidency as the most corrupt in history.

The Presidents and the Constitution Ken Gormley 2016-05-10 Shines new light on America's brilliant constitutional and presidential history, from George Washington to Barack Obama. In this sweepingly ambitious volume, the nation's foremost experts on the American presidency and the U.S. Constitution join together to tell the intertwined stories of how each American president has confronted and shaped the Constitution. Each occupant of the office—the first president to the forty-fourth—has contributed to the story of the Constitution through the decisions he made and the actions he took as the nation's chief

executive. By examining presidential history through the lens of constitutional conflicts and challenges, *The Presidents and the Constitution* offers a fresh perspective on how the Constitution has evolved in the hands of individual presidents. It delves into key moments in American history, from Washington's early battles with Congress to the advent of the national security presidency under George W. Bush and Barack Obama, to reveal the dramatic historical forces that drove these presidents to action. Historians and legal experts, including Richard Ellis, Gary Hart, Stanley Kutler and Kenneth Starr, bring the Constitution to life, and show how the awesome powers of the American presidency have been shaped by the men who were granted them. The book brings to the fore the overarching constitutional themes that span this country's history and ties together presidencies in a way never before accomplished.

An Affair of State Richard A. Posner 2009-06-30 In a book written while the events were unfolding, Richard Posner presents a balanced and scholarly understanding of President Clinton's year of crisis which began when his affair with Monica Lewinsky hit the front pages in January 1998. With the freshness and immediacy of journalism, Posner clarifies the issues involved, carefully assesses the conduct of Independent Counsel Kenneth Starr, and examines the pros and cons of impeaching President Clinton as well as the major procedural issues raised by both the impeachment in the House and the trial in the Senate. This book, reflecting the breadth of Posner's experience and expertise, will be the essential foundation for anyone who wants to understand President Clinton's impeachment ordeal.

The Presidents and the Constitution, Volume Two Ken Gormley 2022-09-27 In this sweepingly ambitious volume, the nation's foremost experts on the American presidency and the U.S. Constitution join together to tell the intertwined stories of how each American president has confronted and shaped the Constitution. Each occupant of the office--the first president to the forty-fourth--has contributed to the story of the Constitution through the decisions he made and the actions he took as the nation's chief

executive. By examining presidential history through the lens of constitutional conflicts and challenges, *The Presidents and the Constitution* offers a fresh perspective on how the Constitution has evolved in the hands of individual presidents. It delves into key moments in American history, from Washington's early battles with Congress to the advent of the national security presidency under George W. Bush and Barack Obama, to reveal the dramatic historical forces that drove these presidents to action. Historians and legal experts, including Richard Ellis, Gary Hart, Stanley Kutler and Kenneth Starr, bring the Constitution to life, and show how the awesome powers of the American presidency have been shaped by the men who were granted them. The book brings to the fore the overarching constitutional themes that span this country's history and ties together presidencies in a way never before accomplished. Exhaustively researched and compellingly presented, *The Presidents and the Constitution* shines new light on America's brilliant constitutional and presidential history.

How the Clinton Clergy Corrupted a President Moody Adams 1999-02 He was a bright young boy who walked a mile to church every Sunday, until ministers turned him into a moral tragedy.

Sex with Presidents Eleanor Herman 2020-09-22 In this fascinating work of popular history, the New York Times bestselling author of *Sex with Kings* and *The Royal Art of Poison* uncovers the bedroom secrets of American presidents and explores the surprising ways voters have reacted to their leaders' sex scandals. While Americans have a reputation for being strait-laced, many of the nation's leaders have been anything but puritanical. Alexander Hamilton had a steamy affair with a blackmailing prostitute. John F. Kennedy swam nude with female staff in the White House swimming pool. Is it possible the qualities needed to run for president—narcissism, a thirst for power, a desire for importance—go hand in hand with a tendency to sexual misdoing? In this entertaining and eye-opening book, Eleanor Herman revisits some of the sex scandals that have rocked the nation's capital and shocked the public, while asking the provocative questions: does rampant adultery show a lack of character

or the stamina needed to run the country? Or perhaps both? While Americans have judged their leaders' affairs harshly compared to other nations, did they mostly just hate being lied to? And do they now clearly care more about issues other than a politician's sex life? What is sex like with the most powerful man in the world? Is it better than with your average Joe? And when America finally elects a female president, will she, too, have sexual escapades in the Oval Office?

Hillary Rodham Clinton Gil Troy 2006 Chronicles the life of former first lady Hillary Rodham Clinton, focusing on her activities during the ten years leading up to her national prominence and her influence on her husband's presidential administration.

Sex Lives of the U.S. Presidents Nigel Cawthorne 1996 This work is by the author of *Sex Lives of the Kings and Queens of England*. Since the 19th Amendment gave women the vote in 1920, the Presidents of the United States have depended on their appeal to women to get elected. This book looks at the sexual history of one of the most powerful offices in the world. Many of the office's incumbents have been men with avid sexual appetites: from the adulterous Thomas Jefferson in Paris to the womanizing antics of JFK; right up to the scandals to rock the presidency of Bill Clinton.

Uncovering Clinton Michael Isikoff 2000 A quarter of a century after "All the President's Men" stunned the nation, "Newsweek" reporter Michael Isikoff gives us an equally explosive behind-the-scenes account of the scandals that rocked the Clinton presidency in his critically acclaimed "New York Times" bestseller, *Uncovering Clinton*. As a reporter for the "Washington Post" and "Newsweek," Michael Isikoff established himself as an astute observer of the Clinton presidency. But as he investigated allegations of presidential misconduct, he unwittingly became a primary character in the unfolding drama. This is a story he alone could tell -- not only a gripping narrative populated by an entertainingly bizarre cast of characters, but also a nuanced and scrupulously fair account of the major players and events in the Clinton scandals. It is surely the definitive account of our nation's biggest political scandal since Watergate.

Sex Lives Of The Presidents Nigel Cawthorne
2013-12-24 It didn't start with Clinton, or even Kennedy. Ever since the Father of our Country was sworn in over 200 years ago, the White House has seen its share of oversexed, adulterous, philandering presidents. From Washington's countless bed partners to Jefferson's illegitimate children, Kennedy's notorious womanizing to Clinton's unstoppable libido, find out the surprising and sometimes bizarre sexual practices of all the men in the Oval Office.
