Always Been a Rambler Josh Beckworth 2018-03-20 GB. Grayson and Henry Whitter were two of the most influential artists in the early days of country music. Songs they popularized--"Tom Dooley," "Little Maggie," "Handsome Molly," and "Nine Pound Hammer"--are still staples of traditional music. Although the duo sold tens of thousands of records during the 1920s, the details of their lives remain largely unknown. Featuring never before published photographs and interviews with friends and relatives, this book chronicles for the first time the romantic

intrigues and tragic deaths that marked their lives and explores the Southern Appalachian culture that shaped their music.

Canadiana 1991

Songs of the West Sabine Baring-Gould 1913

Rhymes for Ramblers, Amblers and Scramblers John W. Winter 2018-10-26 Ramblers come in all shapes and sizes, super-fit like Joe, who is undeterred by foul weather; Ted, who'd sooner stay in the pub; Christine, who looks as if a puff of wind would blow her over; Joan, who is accident prone; and Ben, whose weak bladder often has him AWOL. Emma struggles on rocks; Ellen has vertigo; short-sighted Len stumbles and falls; and Ted's snoring frightens the sheep. Liz, Kate and Nell pass around refreshments; Stan copes with emergencies; and gentleman Jim helps the ladies over stiles. Among others, there's Trish, who loves birds; and Laura, who's obsessed with flowers. Pat dotes on cats; Jane can't stand dogs; while Mary just enjoys a good natter. Pete finds a way to get rid of midges; and Paul knows the Lakes like the back of his hand. These names, of course, are fictitious but they are all derived from the ramblers I have met during the past 40 years. Readers will no doubt find it amusing to match some of their own club members to the descriptions given. The book ends with seven verses in praise of trekking in Nepal.

Rhymes of the Rockies James W. Whilt 1922

Riley Farm-Rhymes James Whitcomb Riley 2019-12-09 "Riley Farm-Rhymes" by James Whitcomb Riley is a collection of charming poems that made Riley famous. Most of the poems center around life as a farmer and in the country, which makes Riley more accessible compared to many other poets at his time who aimed to write for the upper-class society of the larger cities. With the continued importance of agriculture in the world, farmers and city-folk alike will find something that resonates with them in these verses.
