Lady in the Lake Laura Lippman 2019-07-23 SOON TO BE A SERIES FROM APPLE TV! A New York Times Bestseller The revered New York Times bestselling author returns with a novel set in 1960s Baltimore that combines modern psychological insights with elements of classic noir, about a middle-aged housewife turned aspiring reporter who pursues the murder of a forgotten young woman. In 1966, Baltimore is a city of secrets that everyone seems to know—everyone, that is, except Madeline “Maddie” Schwartz. Last year, she was a happy, even pampered housewife. This year, she's bolted from her marriage of almost twenty years, determined to make good on her youthful ambitions to live a passionate, meaningful life. Maddie wants to matter, to leave her mark on a swiftly changing world. Drawing on her own secrets, she helps Baltimore police find a murdered girl—assistance that leads to a job at the city's afternoon newspaper, the *Star*. Working at the newspaper offers Maddie the opportunity to make her name, and she has found just the story to do it: Cleo Sherwood, a missing woman whose body was discovered in the fountain of a city park lake. If Cleo were white, every reporter in Baltimore would be clamoring to tell her story. Instead, her mysterious death receives only cursory mention in the daily newspapers, and no one cares when Maddie starts poking around in a young Black woman's life—except for Cleo's ghost, who is determined to keep her secrets and her dignity. Cleo scolds the ambitious Maddie: You're

interested in my death, not my life. They're not the same thing. Maddie's investigation brings her into contact with people that used to be on the periphery of her life—a jewelry store clerk, a waitress, a rising star on the Baltimore Orioles, a patrol cop, a hardened female reporter, a lonely man in a movie theater. But for all her ambition and drive, Maddie often fails to see the people right in front of her. Her inability to look beyond her own needs will lead to tragedy and turmoil for all sorts of people—including Ferdie, the man who shares her bed, a police officer who is risking far more than Maddie can understand.

Talking to Strange Men Ruth Rendell 2010-12-28 A lonely man stumbles into a dangerous game in this twisting novel of psychological suspense by the New York Times bestselling author of *The Crocodile Bird*. In a desolate alley on the bank of the Thames, a spy slips through the shadows. Mungo is the Director General of English intelligence, and he knows Moscow Centre has been watching him for weeks, but there is no spy in London better at losing a tail. Satisfied he hasn't been followed, he drops off his message and disappears into the night. It's a classic scene of Cold War espionage, save for one detail: Mungo isn't a spy at all. He's a teenager, playing an epic game of make-believe. John Creevey, still reeling from the implosion of his marriage, is dreaming of taking revenge against his wife's lover when he discovers one of Mungo's coded signals. Unaware that the message is simply part of a child's game, he becomes obsessed with uncovering the rest of the spy network—a tragic misunderstanding that threatens to turn this imaginary war into something very real—and very deadly. “Rendell has brilliantly interwoven these compelling strands into one masterful tale of suspense,” writes *Library Journal*. Three-time Edgar Award winner Ruth Rendell was a master of psychological suspense, and *Talking to Strange Men* is one of the most unusual espionage stories in the history of the Cold War.

House of Darkness House of Light Andrea Perron 2014-08-11 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.
