To: Pilar From: Ramon Re: A mommy for Lucia
But which one? When I offered to help little Lucia's biological mother reclaim her baby, I never dreamed it would bring aspiring single mother Lori Sumner into my life. But from the moment we met, my heart went out to this hard-working reporter who's been Lucia's foster parent for nearly three months and now wants to officially adopt her. Personally, I think she'd make a great mom. Which is why this lawyer is eager to start negotiating his own family 'settlement' with Lori. Mum's the word, sis-- until the day I pop the question!

A Sudden Cute Baby: My Awesome President Dad Jing Qiu 2020-03-30 Five years ago, she was designed by the most trusted person and her best friend died a horrible death for her. Five years later, she returned with her 4-year-old son, Nirvana, and on the plane, she met a man who looked extremely similar to her son ... Rumor has it that the richest man in the world, Mr. Huo, is not a woman, but a man. However, a marriage

contract held her in her arms and she ate again and again. It was a great pleasure. "Mr. Huo, they say your wife is a broken shoe!" "Mm, tear that person's broken mouth apart. "My wife's shoes are not damaged at all. If they're broken, I'm the one who should wear them."

More Than My Scars Kechi Okwuchi 2022-03-29

The first thing you will notice when you meet Kechi Okwuchi is her scars. One of just two survivors of a devastating plane crash that killed more than 100 people, 16-year-old Kechi was left with third-degree burns over 65 percent of her body. *More Than My Scars* is her incredible story. A story of not just surviving impossible odds but thriving in a world that is too often caught up with how we look on the outside rather than seeing that our true value is within. Now in her early 30s, Kechi has spent the last 16 years refusing to be defined by her trauma. Follow her as she decides for herself what role her scars will play in her life before society decides for her. Her strong sense of identity,

rooted in seeing herself the way God sees her, has allowed her to live authentically in a world that constantly seeks to define us by its ever-changing (and ever-shallow) standards. Kechi's story will inspire you to love and accept yourself as you are and confidently present your true self to the world.

Confessions of a Scary Mommy Jill Smokler 2012-04-03 Sometimes I just let my children fall asleep in front of the TV. In a culture that idealizes motherhood, it's scary to confess that, in your house, being a mother is beautiful and dirty and joyful and frustrating all at once. Admitting that it's not easy doesn't make you a

bad mom; at least, it shouldn't. If I can't survive my daughter as a toddler, how the hell am I going to get through the teenage years? When Jill Smokler was first home with her small children, she thought her blog would be something to keep friends and family updated. To her surprise, she hit a chord in the hearts of mothers everywhere. I end up doing my son's homework. It's wrong, but so much easier. Total strangers were contributing their views on that strange reality called motherhood. As other women shared their stories, Jill realized she wasn't alone in her feelings of exhaustion and imperfection. My eighteen month old still can't say "Mommy" but used the word "shit" in perfect context. But she sensed her readers were still holding back, so decided to start an anonymous confessional, a place where real moms could leave their most honest thoughts without fearing condemnation. I pretend to be happy but I cry every night in the shower. The reactions were amazing: some sad, some pee-in-

your-pants funny, some brutally honest. But they were real, not a commercial glamorization. I clock out of motherhood at 8 P.M. and hide in the basement with my laptop and a beer. If you're already a fan, lock the bathroom door on your whining kids, run a bubble bath, and settle in. If you've not encountered Scary Mommy before, break out a glass of champagne as well, because you'll be toasting your initiation into a select club. I know why some animals eat their young. In chapters that cover husbands (The Biggest Baby of Them All) to homework (Didn't I Already Graduate?), Confessions of a Scary Mommy combines all-new essays from Jill with the best of the anonymous confessions. Sometimes I wish my son was still little—then I hear kids screaming at the store. As Jill says, "We like to paint motherhood as picture perfect. A newborn peacefully resting on his mother's chest. A toddler taking tentative first steps into his mother's loving arms. A mother fluffing her daughter's prom dress. These moments are

indeed miraculous and joyful; they can also be few and far between.” Of course you adore your kids. Of course you would lay down your life for them. But be honest now: Have you ever wondered what possessed you to sign up for the job of motherhood? STOP! DO NOT OPEN THIS BOOK UNTIL YOU RECITE THESE VOWS! I shall remember that no mother is perfect and my children will thrive because, and sometimes even in spite, of me. I shall not preach to a fellow mother who has not asked my opinion. It’s none of my damn business. I shall maintain a sense of humor about all things motherhood.
