

Saints Are People

Decoding **Saints Are People**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Saints Are People**," a mesmerizing literary creation penned with a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

African Saints Frederick Quinn 2002 Modeled to some extent on All Saints, this book will also include prayers by various Africans and will bring together the rich history of African people and their spirituality.

Lives of Saints for Young People Lazar Puhalo 1977* Describes the lives of the Saints to teach the glory of the Holy Orthodox Church.

Loyola Kids Book of Saints Amy Welborn 2011-09-29 Book of Saints Who are the saints, why are the lives of saints important for children, and what can children learn from lives and actions? In Loyola Kids Book of Saints, the first in the Loyola Kids series, best-selling author Amy Welborn answers these questions with exciting and inspiring stories, real-life applications, and important information about these heroes of the church. This inspiring collection of saints' stories explains how saints become saints, why we honor them, and how they help us even today. Featuring more than sixty saints from throughout history and from all over the world, Loyola Kids Book of Saints introduces children to these wonderful role models and heroes of the church. Ages 8-12.

Heroes and Saints Max L. Christensen 1997-01-01 Max Christensen brings to life heroes and saints from the past and present who have inspired human beings to reach higher and live more fruitful lives. Among the biographical sketches are those of Joan of Arc, John Calvin, and Marian Anderson.

Saints Addison D. Bevere 2020-01-21 The Bible uses the word Christian to describe followers of Jesus a grand total of three times. But there's another identifier that fills the pages of the New Testament—a word we've mistakenly reserved for the halo-wearing elite, losing something profound in the process. Saints. Wrapped in this ancient word is a divine invitation to discover who God created you to be and awaken to the life you were meant to know. Using Scripture and stories from his own experience, Addison Bevere makes a compelling case that the life you desire is found in the mystery of this sacred identity. If you want to exchange lifeless religion for the wonder of following Jesus, this book will spur you onward in your journey. ***** "In Saints: Becoming More Than 'Christians,' Addison will encourage you to stop fighting for victory and start living from the victorious destiny we already have through Jesus."--Christine Caine, bestselling author and founder of A21 and Propel Women "Saints is a clarion call to look past ourselves and to the only one who offers us the good life."--Kyle Idleman, senior pastor of Southeast Christian Church and author of Not a Fan and Don't Give Up "All I can say is 'Wow!' This 'Wow' speaks to the depth of knowledge, strength of wisdom, and keen insight found in Saints. It's obvious God has given Addison a voice, one that calls all generations to a higher level of living. As a father and fellow minister, I couldn't be prouder."--John Bevere, bestselling author and cofounder of Messenger International "While the word Christian seems to mean a lot of things to a lot of people, Saints calls us back to following our one and only, Jesus Christ."--Chris Hodges, senior pastor of Church of the Highlands and author of The Daniel Dilemma and What's Next? "Addison encourages us to put on our identity as a saint and live in a relationship with Jesus. Saints is an authentic look at what faith can be."--Bob Goff, New York Times bestselling author of Love Does and Everybody, Always "In a time when so many young men are deconstructing the sacred, Addison has leaned into it. I am challenged, corrected, and lifted by Saints."--Lisa Bevere, New York Times bestselling author and ridiculously proud mother "Addison Bevere has a unique voice in this generation. His new book is a force to be reckoned with in a world that misplaces its identity."--Heather Lindsey, author, speaker, and founder of Pinky Promise

Theology For The People William Swan Plumer 2020-03-26 William Swan Plumer (July 26, 1802 – October 22, 1880) was an American clergyman, theologian and author who was recognized as an intellectual leader of the Presbyterian Church in the 1800s. William S. Plumer was born to William and Catharine Plumer (née McAlester) in Greensburg, present day Darlington, Pennsylvania, on July 26, 1802. He graduated from Washington College (now Washington and Lee University in Virginia) in 1825, received his religious education at Princeton Theological Seminary in New Jersey, and was ordained in the Presbyterian Church. He was licensed in the Presbytery of New Brunswick, a Presbytery in New Jersey, as a clergyman in 1826, and the state's Orange Presbytery ordained him as an evangelist in 1827. Plumer was the minister of several churches during his career, most notably: First Presbyterian Church, Richmond, Virginia (1834–1846); Franklin Street Presbyterian Church, Baltimore, Maryland (1847–1854); Central Presbyterian Church, Allegheny, Pennsylvania (1854–1862); Arch Street Presbyterian Church, Philadelphia, Pennsylvania (1862–1865); and Second Presbyterian Church, Pottsville, Pennsylvania (1865–1867).

Saints and Citizens Lisbeth Haas 2014 Saints and Citizens is a bold new excavation of the history of Indigenous people in California in the late eighteenth and nineteenth centuries, showing how the missions became sites of their authority, memory, and identity. Shining a forensic eye on colonial encounters in Chumash, Luiseño, and Yokuts territories, Lisbeth Haas depicts how native painters incorporated their cultural iconography in mission painting and how leaders harnessed new knowledge for control in other ways. Through her portrayal of highly varied societies, she explores the politics of Indigenous citizenship in the independent Mexican nation through events such as the Chumash War of 1824, native emancipation after 1826, and the political pursuit of Indigenous rights and land through 1848.

Accidental Saints Nadia Bolz-Weber 2016-09-27 What if that person you've been trying to avoid is your best shot at grace today? ...And what if that's the point? In Accidental Saints, New York Times best-selling author Nadia Bolz-Weber invites readers into a surprising encounter with what she calls "a religious but not-so-spiritual life." Tattooed, angry and profane, this former standup comic turned pastor stubbornly, sometimes hilariously, resists the God she feels called to serve. But God keeps showing up in the least likely of people—a church-loving agnostic, a drag queen, a felonious Bishop and a gun-toting member of the NRA. As she lives and worships alongside these "accidental saints," Nadia is swept into first-hand encounters with grace—a gift that feels to her less like being wrapped in a warm blanket and more like being hit with a blunt instrument. But by this grace, people are transformed in ways they couldn't have been on their own. In a time when many have rightly become disillusioned with Christianity, Accidental Saints demonstrates what happens when ordinary people share bread and wine, struggle with scripture together, and tell each other the truth about their real lives. This unforgettable account of their faltering steps toward wholeness will ring true for believer and skeptic alike. Told in Nadia's trademark confessional style, Accidental Saints is the stunning next work from one

of today's most important religious voices.

The Five American Citizen Saints James V. Canfield Ph. D. 2012-12

Catholics have a special reverence for those canonized as saints by the pope. We believe they were holy people, and on their death they were with God. Catholics pray to saints for their intercession with God to grant special requests. The four saints whose lives are briefly described in this book share a very unique relationship. They are the only saints who lived and died as American or United States citizens.

Saints for Young People for Everyday of the Year Daughters of St. Paul 1984-12 Presents a brief biography of a saint for each day of the year.

An Alphabet of Saints for Young People Pamela Flavin 2009-04 In the twenty-first century, people know so little about the lives of the saints, yet they remain so important to the Catholic faith. In this concise and accessible book, suitable for all ages, Pamela Flavin selects one saint for each letter of the alphabet and presents a brief glimpse of their lives. Throughout the centuries, Christians have drawn inspiration and moral strength from the example set by saints from St Anthony of Padua through to St Zita and, using this book as guidance, we can continue to do so today.

A Voice of Warning and Instruction to All People Parley Parker Pratt 1908

Ordinary People, Holy People Susan Tan 2009

The people's lives of the saints, by the author of 'St. Francis and the Franciscans'. People 1868

Poets and Saints Jamie George 2016-09-01 One of the most beautiful ways to know God better is to learn from those who served Him in other times and cultures. The poets and saints of Christian history were imperfect, yet they offer wisdom across the centuries that is as powerful today as it was to their contemporaries. In *Poets and Saints*, Jamie George takes readers from a pub in Oxford, to a cathedral in the Italian hills, to a rooftop in Switzerland, and beyond as he offers insight into the minds and hearts of Christians such as John Newton, C. S. Lewis, and Saint Therese.

Fearless Alice L. Camille 2014 The lives of the saints who helped build the Catholic Church in the United States--Frances Cabrini, Isaac Jogues, John Neumann, Elizabeth Ann Seton, and Damien de Veuster, among others--are marked by strength, courage, determination, and sanctity. But as this thoughtful and engaging book points out, these saints also could be foolhardy, obstinate, stubborn, and dismissive. In other words, they were a lot like everyone, with a mixture of different qualities and characteristics. What makes the stories of the thirteen men and women in *Fearless* so compelling is that a distinctly American way of holiness begins to emerge from their lives and their work. These were people who walked the streets of New York, Philadelphia, Baltimore, New Orleans, and Denver. They traveled along California's coast and into the Southwest, penetrated the heartland of Indiana and Missouri, and reached out into the territorial islands of the United States. Captivating illustrations for each saint highlight the depth of their souls, and give readers an idea of the strong characteristics exemplified by these men and women. *Fearless* will bring the reader through the history of the Catholic Church in America in an intimate and personal way, with the stories of the saints and blessed who helped Christianity become part of this country's fabric. These men and women did not set out to be saints, only to live out the Gospel as they best knew how. They followed their hearts and God's will to build a better place for the people of the New World.

The Communion of Saints Philip Graham Ryken 2001 In a day when Christians are more divided than united, true believers must again commit themselves to their common spiritual communion with one another. This biblical and practical guide, complete with leader's guide and spiritual gifts questionnaire, guides those united in Christ toward life in the Christian community. Contributors include William Edgar, Hughes Oliphant Old, and more.

A Book of Saints Anne Gordon 1994-07-01 This fascinating and inspiring book offers us a new look at the saints. From the ancient martyrs to the sixteenth-century mystics to the modern-day missionaries, Anne Gordon profiles some of the real-life men and women who became God's human representatives on Earth—and whose moving stories of courage and determination, unconditional love and self-sacrifice still speak to us today. Discover the moral strength of Saint Maximilian Kolbe, "the apostle of Auschwitz," whose last selfless act of humanity provided a beacon of hope for the world in a time of darkness; the compassion of Mother Frances Cabrini, whose faith, persistence, and gentle humor helped build sixty-seven charitable institutions; and the

wisdom of Saint Anthony, the desert saint whose life was a testament to the healing power of silence, solitude, and prayer. To help readers become closer to these heavenly intermediaries, uplifting prayers accompany the profile of each saint. Discover, too, true stories of everyday people whose lives have been touched—and whose prayers have been answered—with the help of the saints. Portraying the saints in their very human forms, Gordon shows how little different they are from ordinary people who also act out of kindness and concern for others.

Whether you seek comfort in troubled times or a new sense of purpose in your life, their shining examples can illuminate your path and lead you to a life lived more fully, genuinely, and joyfully than you've ever imagined.

The People of the Saints George Thompson Mills 1967 "The Hispanic people of northern New Mexico and southern Colorado and the religious images that they painted (retablos) and carved (bultos), beginning in the 18th century, are the subject of this study."--Tribalartbooks.com

Special Saints for Special People Megan C. Gannon 2019-10-07 Did You Know that Saint René Goupil, a trained surgeon and Jesuit missionary, was also completely deaf? Or that Saint Paulina, co-founder of the Congregation of the Little Sisters of the Immaculate Conception, lived her entire life with diabetes? Or that Saint Kateri Tekakwitha, the first Native American woman canonized a saint, was visually impaired and badly scarred after battling smallpox? Growing up with cerebral palsy, Megan Gannon never imagined there were saints with disabilities! In this remarkable book, she introduces us to saints and holy people whose stories inspire us to remember that saints are human beings who experience many of the same joys and challenges that we face every day. No matter our life challenges and no matter the calling God has given us, *Special Saints for Special People* reminds us of the famous quote attributed to Saint Mother Teresa: "What you are is God's gift to you. What you make of yourself is your gift to God." Book jacket.

Saints Alive Arnold Lionel Haskell 1953 St. Bernadette of Lourdes. St. Thomas More. St. Joan of Arc. St. Therese of Lisieux. St. Antony of Lisbon and Padua.

The People of the Way Bible Truth Depot 2012-11-01

Saints at Heart Bert Ghezzi 2019-10-22 *Saints at Heart* presents an engaging picture of the spiritual life as shown in the experience and writings of the saints. The title announces the book's double theme: the lives of holy men and women who have consecrated their lives to God, and to the possibility of our following them and also dedicating our hearts to God. Readers will discover in this book well-told and appealing stories of women and men, ordinary human beings like themselves, who knew God and whose lives as a consequence radiated light, love, and joy. Each story presents the core message of a saint's life and highlights an important spiritual path that readers will be encouraged to follow.

A Crisis of Saints George William Rutler 1995 As we approach the end of the second Christian millennium, Fr. George Rutler takes a penetrating look at the moral and spiritual condition of late twentieth-century society and the Church. He analyzes how moral weakness has been the bane of this era, and he shows that what we most need to counteract this are saints who practice heroic virtue in their daily lives. *Saints Around the World* Meg Hunter-Kilmer 2021-08-16 The lives of the Saints are one of the most powerful ways God draws people to himself, showing us the love and the joy we can find in him. But so often, these Saints seem distant—impossibly holy or dull or unlike us in race and age and state in life. In *Saints Around the World*, you'll meet over one-hundred Saints from more than sixty countries, including Saints with different disabilities, strengths, and struggles. The beautiful illustrations and captivating storytelling will introduce you and your children to new heavenly friends while also helping you fall more in love with Jesus. Each story in this book is written not only to capture the imagination but also to speak about God's tremendous love and our call to be saints. There are stories in *Saints Around the World* for when you feel like life isn't fair, when people are being unkind to you, when you've made a terrible mistake, when you're struggling at school, when prayer is hard. And there are stories of shouting down Nazis, of fleeing a murderous villain, of making scientific discoveries, of smoking a cigar while enemy soldiers amputate your leg. There are scared Saints, brilliant Saints, weak Saints, adventurous Saints, abused Saints, overjoyed Saints, disabled Saints—and the point of every one of them is the love of God. Whether you're checking the map to find Saints who look like you or perusing the extensive indices to find Saints with your skills or struggles, you'll find countless stories in this book that remind you how very possible holiness is.

Saints, Sinners & Angels Danny Unrau 1997

All the People in the Bible Richard R. Losch 2008-05-13 "More than

any other book, the Bible offers an amazing collection of fascinating characters ranging from the holiest of the holy to some of the most depraved scoundrels imaginable. Many are mentioned only in passing, yet history and archaeology can often fill in the blanks and flesh them out as exciting human beings. For this reason we have in many cases been able to tell much more about them than the Bible alone reveals." -- Richard R. Losch (from the preface) A comprehensive gathering of persons found in the Bible, including the Apocrypha, *All the People in the Bible* really delivers on its title: literally all of the Bible's characters appear in this fascinating reference work. From the first article on Aaron to the final entry on Zophar, Richard Losch details each person in a lively narrative style. The bulk of the book consists of Losch's A-Z articles covering the familiar and the not-so-familiar figures in Scripture. Names of people who are found only in genealogies or who had no significant effect on history are included solely in the alphabetical listing starting on page 452. That listing, "All the People in the Bible and Apocrypha," includes pronunciations, brief identifications, and biblical references. Persons covered in greater detail in the main part of the book are identified in bold print. Losch's intriguing look at all the people in the Bible is anything but a dry reference work. This is a book to dip into and enjoy over and over.

Everyday Saints George Ault 2021-06-10 Over the course of fifty years of pastoral ministry, thousands of people crossed the path of Dr. George Ault. Most of these were ordinary people he recognized as exuding special gifts of courage, faith, love, joy and hope. Dr. Ault thinks of these people as "everyday saints," not because they were perfect, but because of their simple gifts and their willingness to share themselves with the world in which they lived. In a world that immerses us in the lives of the stars, George Ault celebrates the common person. These are men and women who will not make the headlines, but live their lives with quiet nobility. And in doing so, they become exceptional, leaving their mark for the rest of us to contemplate. Most of the everyday saints in this book are no longer with us. However, they are still vibrantly alive in Ault's memory. These everyday saints were his teachers in the trenches of life as he learned about loving and caring for others by their example. How he developed and grew was as a direct result of these kinds of amazing people who crossed his path. Sharing in the lives of these everyday saints and experiencing what they demonstrated with their lives was a blessing for Ault. These everyday saints continue to bless all who peer over the pages of this book. Even a small glimpse of these everyday saints will cause anyone to marvel and believe in the potential to become a better person. Look around. Everyday saints are everywhere.

Saints, Slaves, and Blacks Newell G. Bringham 1981

A Voice of Warning and Instruction to All People Parley Parker Pratt 1863

Saints for Young People for Every Day of the Year Daughters of St. Paul 1984-01-01 Presents a brief biography of a saint for each day of the year.

Natural Saints Mallory D. McDuff 2010 The urgent task of conserving our natural resources demands the work of many. A large majority of the U.S. population is affiliated with Christian denominations. At a time when the churches are becoming increasingly politically engaged, this community represents an important potential source of environmental activism. This book presents the concrete evidence that churches and faith organizations are reconnecting with conservation and working to save the natural world. On a national level, the National Council of Churches, which represents 45 million people in a wide range of Protestant, Anglican, and Orthodox faith groups, has instituted an Eco-Justice Program. The program sponsors such initiatives as "Churches for the Chesapeake," a consortium working to protect the resources of Chesapeake Bay. On the local level, individual churches like St. Mark's Episcopal Cathedral in Seattle have integrated "creation care" into the core values of the congregation. Through interviews and field visits across the country, McDuff uses a framework of five bioregions in which to present the responses of churches to pressing environmental issues. She shows that the local congregation is the right vehicle for connecting social and environmental justice in a community. Despite the growth of this movement, she argues, most environmental professionals are unaware of the power of this partnership between Christians and conversation. This book is meant to help bring churches, faith organizations, and environmental activists together in the service of this vital cause.

People of the Saints 1967

101 Saints and Special People Vera Schaubert 2003

The Young People's Book of Saints Hugh Ross Williamson 2009-09 Sixty-three Saints of the Western Church from the 1st to the 20th Century

Saints are the men and women who best love Christ and His Church. They may be kings or queens, statesmen or soldiers, scholars, visionaries, workmen or beggars. They teach us the real meaning of human history, and they show us how to live in any walk of life or set of circumstances. Included in this anthology are famous saints Francis of Assisi, Dominic, Joan of Arc, Ignatius of Loyola, Teresa of Avila but also more obscure ones, such as Raymond Lull and Hugh of Lincoln. Many of these saints were martyrs, killed in periods of persecution. Others died trying to bring the knowledge of Christ to pagan tribes. Yet others built up the Church through their example and their teaching, but were never called upon to shed their blood.

Saints Without Halos Alvin E. Magary 2007-03 SAINTS WITHOUT HALOS Saints Without Halos by ALVIN E. MAGARY ABINGDON-COKESBURY PRESS New York Nashville Preface THE NEW TESTAMENT WAS NOT MEANT TO BE A TEXTUAL puzzle nor a battleground for rival exegetes. Neither was the purpose of its writers to create a standard treatise on systematic theology nor to provide for the theologians a source of proof texts for their contending creeds. Their purpose, like that of their Master, was completely practical. As he spoke to men, not as the scribes, but in the terms of common life, so these men meant to write plainly, for plain people, in the plain language of their time. It was inevitable that with the errors of copyists, the changes that occur in the meaning of words, and the difficulty of translating the speech of one age and nation into the language of another problems should arise, but the book itself is no problem. With all the imperfections that result from the fallibility of men its meanings are clear to any reader who applies to it a reasonable degree of intelligent and unbiased attention. We miss much of its beauty, its truth, and its monumental common sense because we open it with our minds stuffed full of what men have said about it rather than with our minds receptive to what it has to say for itself. It is true that the New Testament writers dealt with the soundless mysteries of God, but they dealt with them as they are present in the lives of ordinary people. The reason their writings are so vital after centuries of change is that they were written with actual, living people in view people whose needs and aspirations, troubles and triumphs, sins and virtues are the same today as they were when Peter threw himself at the 5 - WITHOUT HALOS feet of Christ in remorseful despair, and when Paul called on God to deliver him from the inner conflicts that tore his life apart and to give him peace. It is my hope that these chapters, written amid the duties and distractions of a busy city pastorate, may help the reader to know more intimately the people of the New Testament and to appreciate more fully the unique achievement of its writers. No men have more clearly revealed themselves in their writings none have given so comprehensive a view of the nature of man and the being of God nor, among all the inspired visionaries of history, have any spoken with such power to persuade the human heart. In my studies of these people I have taken the New Testament, generally, as it has come down to us, without troubling myself too much about such critical questions as have little bearing on the practical purpose and use of the book. Where such questions seem to have interest for the ordinary reader, I have ventured to touch upon them, but as F. W. Farm said in the preface of his famous *Life of Christ*, written in 1874, Writing as a believer to believers, as a Christian to Christians, surely, after nearly nineteen centuries of Christianity, anyone may be allowed to rest a fact of the *Life of Jesus* on the testimony of St. John without stopping to write a volume on the authenticity of the Fourth Gospel. So far as the New Testament is affected by modern criticism, no one who loves it need be alarmed. It is astonishing that, considering the discoveries that have been made and the searching scholarship that has been devoted to every detail of the text, with its authorship and history, the book comes to us as it came to our fathers, its beauty unmarred and its authority unshaken.
