Tried & Tested James Nswana 2021-10-05 Tried & Tested is A Book filled with many biblical characters that were tested by very un-usual situations during their time. Isnt it ironic that today, we are living in uncertain times too and we are being tested & tried just as they were. From the biblical stories we outline, some were successful, and others failed. The ones that passed the test were given great rewards. 'Remember, short cuts make long delays.' The author points out a few life lessons on being tested. He also shows us the reasons why others passed, and others failed the test. These lessons have great rewards for those that pass them. Whenever God has tested us, we always emerge as pure gold when we stand firm to the end. One of the metaphors that the Bible says about life is that it is just a test. The Lord tests people's character, faith, obedience, love, generosity, endurance, integrity, and loyalty. Character is both developed and revealed by testing.
