Sôhkêyihta Louise Bernice Halfe 2018-05-16 "I build this story like my lair. One willow, / a rib at a time" — "The Crooked Good" Since 1990, Sky Dancer Louise Bernice Halfe's work has stood out as essential testimony to Indigenous experiences within the ongoing history of colonialism and the resilience of Indigenous storytellers. Sôhkêyihta includes searing poems, written across the expanse of Halfe's career, aimed at helping readers move forward from the darkness into a place of healing. Halfe's own afterword is an evocative meditation on the Cree word sôhkêyihta: Have courage. Be brave. Be strong. She writes of coming into her practice as a poet and the stories, people, and experiences that gave her courage and allowed her to construct her "lair." She also reflects on her relationship with nêhiyawêwin, the Cree language, and the ways in which it informs her relationships and poetics. The introduction by David Gaertner situates Halfe's writing within the history of whiteness and colonialism that works to silence and repress Indigenous voices. Gaertner pays particular attention to the ways in which Halfe addresses, incorporates, and pushes back against silence, and suggests that her work is an act of bearing witness - what Kwagiulth scholar Sarah Hunt identifies as making Indigenous lives visible.

Gardens in the Dunes Leslie Marmon Silko 2013-04-30 A sweeping, multifaceted tale of a young Native American pulled between the cherished traditions of a heritage on the brink of extinction and an encroaching white culture, *Gardens in the Dunes* is the powerful story of one woman's quest to reconcile two worlds that are diametrically opposed. At the center of this struggle is Indigo, who is ripped from her tribe, the Sand Lizard people, by white soldiers who destroy her home and family. Placed in a government school to learn the ways of a white child, Indigo is rescued by the kind-hearted Hattie and her worldly husband, Edward, who undertake to transform this complex, spirited girl into a "proper" young lady. Bit by bit, and through a wondrous journey that spans the European continent, traipses through the jungles of Brazil, and returns to the rich desert of Southwest America, Indigo bridges the gap between the two forces in her life and teaches her adoptive parents as much as, if not more than, she learns from them.

Fifteen Years of a Dancer's Life Loie Fuller 2015-12-28 Loie Fuller publishes her autobiography, "Fifteen Years of a Dancer's Life, with Some Account of Her Distinguished Friends." Miss Fuller was born on an Illinois farm; thence she progressed to Chicago, New York, London, Paris, Vienna, and Russia. She made her debut as an actress by speaking a "piece" at the Chicago Progressive Lyceum when she was two and a half years old. Years later when she was rehearsing in a play called "Quack, M.D.," she made use in a hypnotism scene of a wide skirt of soft transparent silk that had been sent her from India. Under the lights the gauzy material seemed first a butterfly, then an orchid under her manipulations; thus the idea of serpentine dancing came to her and a new art was born. She was engaged soon afterwards to dance in New York in "Uncle Celestins" and awoke one morning like Byron to find herself famous. In delicious, crisp style, punctuated with staccatos of remembered ecstasies, Miss Fuller relates her experiences and recounts the incidents of her friendships. These friendships seem over-valued, but they include such names as Flammarion, Rodin, Dumas, Sarah Bernhardt, Anatole France (who has written the introduction for her book), and M. Claretie. France describes the dancer as "an American lady with small features, with blue eyes like water in which a pale sky is reflected, rather plump, smiling, refined." He should have added Gallic, for her art-admitting its Greek form—her phrases, her vivacity, her happy egotism are as Gallic as

France's description of her. The volume is freely illustrated with photographs of Miss Fuller's dances. -The American Review of Reviews, Vol. 48 [1913]

David parachutes from his burning fighter, his face burned and eye sight blurry, finds himself deep inside Germany. A Jewish partisan finds him and takes him in, tending to his wounds. A Jewish doctor and his daughter keep him hidden in their attic. Gestapo raids the farm and arrests the Jews. David is taken captive and shipped with them in cattle cars to a Nazi death camp. David escapes and reverts back to his Lakota upbringing, his Native Wisdom, to elude his captors. He joins a resistance group and steals an FW-190, and begins bringing the war home to the Nazis inside Germany. A captivating, superbly written novel of combat flying, peopled by real warriors who went up daily. The heart wrenching love story is equally intense.--ED McGAA, EAGLE MAN, USMC 110 missions Vietnam - F4B Phantoms Author of Eagle Vision and Mother Earth Spirituality. David Hampton adapted to the white mans world, still he kept the old ways, his grandfathers ways, in his heart. He believed in Wakan Tanka, and Mother Earth, who would provide him everything he needed. Grandfather had taught him the ways of his ancestors. Each summer they would go into the Black Hills, they would live off the land. Now, you go to the store and buy everything you need. It has not always been that way. He learned to live off the land, his ancestors did; now he would do so also. Something moved on the bank opposite him and he looked up. There was a woman standing on the bank watching him. She had a Schmauser machinegun pistol hanging by a sling from her shoulder. Her right hand was on the grip and a finger on the trigger. She was tall and although she wore mens bulky clothing, he could not help but notice a well developed figure. Her hair was done up in a ball at the back of her head and she wore a large fur hat. Her face was plain, not pretty, but not ugly by any means. Her lips were large and looked as though she was pouting over something.

Indian Games and Dances with Native Songs Alice Cunningham Fletcher 1994-01-01 One day Alice C. Fletcher realized that "unlike my Indian friends, I was an alien, a stranger in my native land." But while living with the Indians and pursuing her ethnological studies she felt that "the plants, the trees, the clouds and all things had become vocal with human hopes, fears, and supplications." This famous statement comes directly from the preface of this book and was later etched on her tombstone. "I have arranged these dances and games with native songs in order that our young people may recognize, enjoy and share in the spirit of the olden life upon this continent, " she wrote. *Indian Games and Dances with Native Songs* is a collection that conveys the pleasure and meaning of music and play and rhythmic movement for American Indians. Many of the activities here described are adapted from ceremonials and sports. Included is a "drama in five dances" celebrating the life of corn. "Calling the Flowers" is an appeal to spirits dwelling underground to join the dancers. Still another dramatic dance, with accompanying songs, petitions clouds to leave the sky. The Festival of Joy, an ancient Omaha ceremony, is centered on a sacred tree. In the

second part Indian ball games and games of hazard and guessing are set forth, as well as the popular hoop and javelin game. Fletcher closes with a section on Indian names. Alice C. Fletcher, the foremost woman anthropologist in the United States in the nineteenth century, is also the author, with Francis La Flesche, of *A Study of Omaha Indian Music and the two-volume Omaha Tribe*. Both titles are available as Bison Books. Helen Myers is the coauthor of *Folk Music in the United States: An Introduction*.

Dancer from the Dance Andrew Holleran 2001-12-18 One of the most important works of gay literature, this haunting, brilliant novel is a seriocomic remembrance of things past -- and still poignantly present. It depicts the adventures of Malone, a beautiful young man searching for love amid New York's emerging gay scene. From Manhattan's Everard Baths and after-hours discos to Fire Island's deserted parks and lavish orgies, Malone looks high and low for meaningful companionship. The person he finds is Sutherland, a campy quintessential queen -- and one of the most memorable literary creations of contemporary fiction. Hilarious, witty, and ultimately heartbreaking, *Dancer from the Dance* is truthful, provocative, outrageous fiction told in a voice as close to laughter as to tears.

The Male Dancer Ramsay Burt 2003-09-02 In this challenging and lively book, Ramsay Burt examines the representation of masculinity in twentieth century dance. Taking issue with formalist and modernist

accounts of dance, which dismiss gender and sexuality as irrelevant, he argues that prejudices against male dancers are rooted in our ideas about the male body and male behaviour. Building upon ideas about the gendered gaze developed by film and feminist theorists, Ramsay Burt provides a provocative theory of spectatorship in dance. He uses this to examine the work of choreographers like Nijinsky, Graham, Bausch, while relating their dances to the social, political and artistic contexts in which they were produced. Within these re-readings, he identifies a distinction between institutionalised modernist dance which evokes an essentialist, heroic, 'hypermasculinity'; one which is valorised with reference to nature, heterosexuality and religion, and radical, avant garde choreography which challenges and disrupts dominant ways of representing masculinity. The *Male Dancer* will be essential reading for anyone interested in dance and the cultural construction of gender.

Finding the Blue Sky Joseph Emet 2016-10-04 Joseph Emet explores the intersection between Positive Psychology--the study of what makes people happy--and the ancient wisdom of Buddhism. Positive Psychology—with its focus not on mental "disease," but rather on what actually makes people happy—has revolutionized the way that we look at mental health. What many people don't realize, however, is that Positive Psychology is not as young a field of inquiry as we think. In fact, according to Joseph Emet, the original positive thinker was the Buddha himself. In this wise and inspiring book, Emet traces the fascinating intersection between the age-old wisdom of Buddhism and the latest scientific research into what makes people happy. In this book readers will discover: * How to replace negative thinking with positive thinking * How to move from frenzied thinking to quiet contemplation * The duty we have to others to live a happy life As Joseph explains in this work, the blue sky of happiness is found just beyond the grey clouds of sadness, everyday concerns, stress, or anxiety. Readers will find that the advice in this book can act as the gentle wind that clears those clouds away.

My Story, My Dance Lesa Cline-Ransome 2015-10-27 "In James E. Ransome's realistic pastel portraits, Battle, his family and his teachers all seem lit from within." —The New York Times Book Review "An ongoing success story for all readers and especially Ailey's worldwide legion of fans." —Kirkus Reviews (starred review) A boy discovers his passion for dance and becomes a modern hero in this inspiring picture book biography of Robert Battle, artistic director of the Alvin Ailey American Dance Theater. When Robert

Battle was a boy wearing leg braces, he never dreamed he'd study at Juilliard. Though most dancers begin training at an early age, it wasn't until Robert was a teenager that his appreciation for movement—first from martial arts, then for ballet—became his passion. But support from his family and teachers paired with his desire and determination made it possible for Robert to excel. After years of hard work, the young man who was so inspired by a performance of Alvin Ailey's *Revelations* became the artistic director of the very company that motivated him. Today, under Robert's leadership, Alvin Ailey continues to represent the African American spirit through dance. Featuring illustrations brimming with vibrant color and swirling motion, this biographical picture book from husband-and-wife team James Ransome and Lisa Cline-Ransome includes a foreword from Robert Battle himself as well as a bibliography, suggested further reading, and an author's note. Alvin Ailey American Dance Theater was founded in 1958 by choreographer Alvin Ailey. He envisioned a company dedicated to enriching the American modern dance heritage and preserving the uniqueness of the African-American cultural experience. When Mr. Ailey began creating dances, he drew upon his "blood memories" of his home state of Texas, the blues, spirituals, and gospel inspiration, which resulted in the creation of his most popular and critically acclaimed work, *Revelations*. Since its founding, the company has performed in seventy-one countries on six continents. It's repertory includes works by Mr. Ailey and ninety other choreographers, and new works are commissioned each year. Judith Jamison succeeded Mr. Ailey as artistic director, and in 2011, she selected Robert Battle to be her successor. Learn more at AlvinAiley.org.
