Swan Peter Young 2008-03-15 The graceful winged form of the swan has inspired works of art from fairy tales to ballets, and its profile is recognized immediately by even the most cursory of bird admirers. Now the newest addition to Reaktion's acclaimed Animal series examines the fascinating story behind this elegant bird. The natural history of the swan is surprisingly complex, as Peter Young reveals, delving into the bird's habitat and feeding habits, the physiological details of the eight surviving species and several extinct ones, the bird's power and endurance, and the formation flying that allows them to conserve energy and fly great distances with speed. Swan gives equal treatment to the long and rich role of the swan in human culture, from the Greek myth of Leda and the Swan to the bird's portrayal in sculpture, furniture, and brand name logos. Young also details the challenges facing conservation efforts to protect swans from human consumption and material goods. An engrossing account, Swan will be a welcome addition to the bookshelf of all who admire this beautiful bird.

The Penguin Book of English Song Richard Stokes 2016-04-07 The Penguin Book of English Song anthologizes the work of 100 English poets who have inspired a host of different composers (some English, some not) to write vocal music. Each of the chapters, arranged chronologically from Chaucer to Auden, opens with a precis of the poet's life, work and, often, approach to music. Richard Stokes's notes and commentaries constantly illuminate the language and themes of the poems and their settings in unexpected ways. An awareness of how Ben Jonson based his famous poem 'Drinke to me, onely, with thine eyes' on a Greek original, for example, increases our enjoyment of both the poem and the traditional song; knowledge of Thomas Hardy's relationships with women deepens our appreciation of songs by Ireland, Finzi, Britten and others; Charles Dibdin's 'Tom Bowling', played each year at the Last Night of the Proms, takes on a deeper resonance when we know that it was written after the death of his brother Tom, a sea captain struck by lightning in the Indian Ocean. Many composers of different nationalities appear, but the book remains quintessentially British, and includes pieces that have an established place in our national consciousness: 'Rule, Britannia' (James Thomson), 'Abide with me' (Henry Francis Lyte), 'Auld lang syne' (Robert Burns), 'Jerusalem' (William Blake), 'Once in royal David's city' (Mrs C. F. Alexander), and even 'Twinkle, twinkle, little star' (Jane Taylor). The poems are printed in their original versification and spelling, enabling us to trace the development of the English language as the book progresses. The volume presents a huge amount of information about English Song that will enlighten all those who delight in the fusion of words and music. The presence of minor as well as major poets and the unique principle of selection make The Penguin Book of English Song a highly original anthology of English verse.
