Stealing Mona Lisa Carson Morton 2011-08-02
A Kirkus Reviews' Best of 2011 Fiction and a
Library Journal Best Mystery of 2011 What
happens when you mix a Parisian street orphan,
a hot-tempered Spanish forger, a beautiful

American pickpocket, an unloved wife, and one
priceless painting? The charming Eduardo de
Valfierno makes a very respectable living in
Argentina fleecing the nouveau rich—they pay
him to steal valuable pieces of art, and Valfierno
sells them flawless forgeries instead. But when

Eduardo meets the beautiful Mrs. Hart on his latest con, he takes a risk that forces him back to the city he loved and left behind—Paris. There he assembles his team of con artists for their final and most ambitious theft, one that will enable them to leave the game forever: The Mona Lisa. But when a member of the team turns up missing, and Mr. Hart shows up in Paris, Valfierno and his crew must stay one step ahead of a relentless police inspector, endure a devastating flood, and conquer their own doubts to keep the priceless painting in play—and survive. Based on the actual theft of the Mona Lisa from the Louvre in 1911, and published on the 100th anniversary of the crime, *Stealing Mona Lisa* is a sophisticated, engaging caper, complete with a richly imagined group of con artists and a historical mystery that will keep you guessing until the very end. *Stealing Mona Lisa* is a Kirkus Reviews Best of 2011 Mysteries title. One of Library Journal's Best Mystery Books of 2011

Tempting Devil Veronica Eden 2020-05-08

BLAIRI sold my soul to the devil.Hard times prove who's a survivor and who's not. Me? I'm a survivor.The plan was perfect: steal one of his cars for a payout to set us up for life. All while getting back at him for tormenting me from the moment I first stepped foot in stuck up Silver Lake High School.But he caught me red-handed. What's worse, a jail sentence or becoming the devil's favorite toy?My devious monster made me an offer I couldn't refuse. Now I'm selling everything to him. Even my soul.DEVLINThe secret to being carefree is love nothing.The

puppets are fooled into believing my game of pretend. But the way she looks at me has always pierced beneath my skin. Like she knows. She's a gutter rat-how could she possibly understand?I vowed to break her the first time. When I catch her stealing my car, it's clear she hasn't learned her lesson. She won't escape my wrath again. Ready to play a game, little thief? The rules are simple: my way is law.

Stealing the Show John Barelli 2019-08-22 When he retired as the chief security officer of New York City's Metropolitan Museum of Art, John Barelli had spent the better part of forty years responsible not only for one of the richest treasure troves on the planet, but the museum's staff, the millions of visitors, as well as American presidents, royalty, and heads of state from around the world. For the first time, John Barelli shares his experiences of the crimes that occurred on his watch; the investigations that captured thieves and recovered artwork; the lessons he learned and shared with law

enforcement professionals in the United States and abroad; the accidents and near misses; and a few mysteries that were sadly never solved. He takes readers behind the scenes at the Met, introduces curators and administrators, walks the empty corridors after hours, and shares what it's like to get the call that an ancient masterpiece has gone missing. The Metropolitan Museum covers twelve acres in the heart of Manhattan and is filled with five thousand years of work by history's great artists known and unknown: Goya, da Vinci, Rembrandt, Warhol, Pollack, Egyptian mummies, Babylonian treasures, Colonial crafts, and Greek vases. John and a small staff of security professionals housed within the Museum were responsible for all of it. Over the years, John helped make the museum the state-of-the-art facility it is today and created a legacy in art security for decades to come. Focusing on six thefts but filled with countless stories that span the late 1970s on into the 21st century, John opens the files on thefts, shows

how museum personnel along with local and sometimes Federal Agents opened investigations and more often than not caught the thief. But of ultimate importance was the recovery of the artwork, including Celtic and Egyptian gold, French tapestries, Greek sculpture, and more. At the heart of this book there will always be art—those who love it and those who take it, two groups of people that are far from mutually exclusive.

Caught Stealing Charlie Huston 2005-05-31 “[A] fantastically hopped-up thriller . . . a wrong-man plot worthy of Hitchcock.”—Entertainment Weekly (Editor’s Choice) It’s three thousand miles from the green fields of glory, where Henry “call me Hank” Thompson once played California baseball, to the Lower East Side of Manhattan, where the tenements are old, the rents are high, and the drunks are dirty. But now Hank is here, working as a bartender and taking care of a cat named Bud who is surely going to get him killed. It begins when Hank’s neighbor,

Russ, has to leave town in a rush and hands over Bud in a carrier. But it isn’t until two Russians in tracksuits drag Hank over the bar at the joint where he works and beat him to a pulp that he starts to get the idea: Someone wants something from him. He just doesn’t know what it is, where it is, or how to make them understand he doesn’t have it. Within twenty-four hours Hank is running over rooftops, swinging his old aluminum bat for the sweet spot of a guy’s head, playing hide and seek with the NYPD, riding the subway with a dead man at his side, and counting a whole lot of cash on a concrete floor. All because of two cowboys, two Russian mafia men, and some of the weirdest goons ever assembled in one place. All because of Bud. All because once, in another life, in another world, the only thing Hank wanted was to take third base—without getting caught.

Stealing Chastity Devon Hartford 2016-01-08 Every GOOD GIRL wants a BAD BOY to steal her virtue... CHASTITY My new neighbor Lance

McKnight is rude, crude, and totally irresistible. My mom hates him. She says he's going to corrupt me. Lucky for me Lance doesn't care what Mom thinks. From day one, he makes it clear he's going to have his way with me no matter what Mom says. Works for me. I'll do whatever Lance tells me. No matter how bad it is... LANCE I get what I want from women any time I want. That pisses you off, doesn't it? Deal with it. That's the hand life dealt me. I'm just making the most of it. What you don't know about me is, from what I've been through, it doesn't make up for much. That's all about to change. Because my new neighbor Chastity Shields is some kind of something else. Mmmm, mmmm. I don't know what to make of her. But I want her. And I'm gonna take her. Every last way I can think of... WARNING: Just when you think you know where this book is going, it doesn't. Lance McKnight is a real bad boy. At first you'll hate him. But in the end you'll love him twice as much. ***Stealing Chastity is a

scorching hot standalone with an HEA***
Stealing Games Maury Klein 2016-03-22 The 1911 New York Giants stole an astonishing 347 bases, a record that still stands more than a century later. That alone makes them special in baseball history, but as Maury Klein relates in Stealing Games they also embodied a rapidly changing America on the cusp of a faster, more frenetic pace of life dominated by machines, technology, and urban culture. Baseball, too, was evolving from the dead-ball to the live-ball era--the cork-centered ball was introduced in 1910 and structurally changed not only the outcome of individual games but the way the game itself was played, requiring upgraded equipment, new rules, and new ways of adjudicating. Changing performance also changed the relationship between management and players. The Giants had two stars--the brilliant manager John McGraw and aging pitcher Christy Mathewson--and memorable characters such as Rube Marquard and Fred

Snodgrass; yet their speed and tenacity led to three pennants in a row starting in 1911. Stealing Games gives a great team its due and underscores once more the rich connection between sports and culture.

Numismatic Crimes Troy Joseph 2021-02-26
This book is printed in black and white to make it much more affordable, my other book titled "Numismatic Nightmares" is in color and too expensive. And the past months since Feb 26 2021 I have been investigating the authority that's allegedly supposed to be investigating these thefts and fraud, and ya know what he tells me? I should call the police, of which the police aren't going to do anything, and I should call a lawyer well,,, and this is the man that the ANA told me to contact about my valuable nickel was stolen by PCGS, so in fact THERE IS NO COIN POLICE and this is why the crimes are so easy to get away with !! this particular man I did call months ago and he told me he has hundreds of cases to deal with, wow !!! just one man to

investigate ALL THE FRAUDS, I want to bring awareness to the coin community of what is actually going on with PCGS coin grading service claiming to be the best, let the facts show that they are the most dishonest !! I don't care how many millions of coins they have graded that is totally irrelevant. Let these records show the amount of unresolved complaints and thefts that are despicable and disgraceful to the coin industry. PCGS expects with the passing of time that this will go away and that they can continue with their criminal activities, but I refuse to let that happen. The truth will be known on a much larger scale now with the publication of my books. This is a first draft and will most likely be edited because I know there are some minor typos. I hope this book brings awareness to the coin community and collectors and honest dealers, my main goal is to have these legitimate cases of fraud and theft investigated. I don't know how it's going to happen but somebody has got to do something to

stop this ongoing crime. One thing is for sure, PCGS isn't powerful enough to stop me from writing and I do not fear them. Professional criminals are very clever and the average thinking mind is not trained to catch them. They are Masters with the game of words as I see the responses on BBB. Here's one of their tricks which is so easy for me to figure out;, it's the same as credit score repair and it is metaphorical in comparison to what PCGS is doing. When someone is working with their credit accounts to boost up the score the main thing you want to do is add more positives. This will cover up the negatives, it won't make them disappear but a higher score and more credit accounts to the positive side definitely does improve the entire account and raises the score. PCGS is using the same method by massive propaganda and journalist articles as much as they can do to cover up their crimes. Let's not forget all the propaganda from the auction houses using them. This is what people see the

most. So the average thinking mind like I was in the beginning never suspected anything and sent in my valuable coins just like everybody else does. THEN YOU GET YOUR COINS STOLEN and start investigating and learn the truth. Some people have been using PCGS for years, I can understand that. But what have you been sending them? Try sending a few coins worth 5 to \$10,000 each and see what happens. Tell ya what:, let's find a 23 year old girl and have her send in a few coins worth 3000-10,000 each, And you'll never see those coins AGAIN !!! or somebody out of the country, or an elderly person. If you have been sending in morgan or peace dollars valued at 50-400 dollars. Great !!! because they dont want those, you can keep sending them in. Common gold coins it doesnt seem worthy of stealing either. It's the rare varieties and Error coins, and high grades. The ones worth more than gold.

The Cultural Encyclopedia of Baseball, 2d ed. Jonathan Fraser Light 2016-03-25 More than

any other sport, baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game, while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major Leagues' decision to integrate, and the words and phrases of the game (for example, pinch-hitter and out in left field) have become common in our everyday language. From AARON, HENRY onward, this book covers all of what might be called the cultural aspects of baseball (as opposed to the number-rich statistical information so widely available elsewhere). Biographical sketches of all Hall of Fame players, owners, executives and umpires, as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners and league presidents. Advertising, agents, drafts, illegal substances, minor leagues, oldest players, perfect games,

retired uniform numbers, superstitions, tripleheaders, and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs.

Stealing from Wizards: Volume 1: Pickpocketing
R. A. Consell 2019-10-29 Living in secret and stealing to eat is a hard life, but it's all Kuro has ever known. Fear and necessity forged him into the finest young thief in the wizard kingdoms. Nobody can hide forever, though, and a run of poor luck lands Kuro in a place where his quick hands and quiet feet count for nothing: Avalon Academy, school of magic. Out of his depth and unable to escape, can Kuro find a place among the other misfits at the school, or will his past return to ruin the one chance he has to leave his life in the shadows?

The Computer That Said Steal Me Elizabeth Levy 1985

Stealing Bases Keri Mikulski 2011 Softball star Kylie Collins wants to put her mean-girl past behind her and focus on Division One recruitment, but a new star pitcher and her cheating ex-boyfriend Zachary may cause her to return to her old ways.

Stealing Sawyer Samantha Christy 2018-09-19 I hired her to be my girlfriend. To fix my reputation. To save my career. What could possibly go wrong? It's not that I don't want a girlfriend. I do. I want it all. Wife, kids, side-by-side burial plots. The problem is - I can't have any of it. So I've made myself untouchable. The quintessential bachelor of baseball. Because it's not worth the risk. Not even for someone I love. Especially not for someone I love.

Stealing Home Becky Wallace 2019-07-09 Fight for your dreams, even if it means breaking a few rules. "A wonderful baseball story." - Miranda Kenneally, author of *Catching Jordan* "This one's sure to be a home run with readers!" - Katy Upperman, author of *Kissing Max Holden*

"A strong female protagonist and a swoon-worthy romance, all woven together with wit and charm." - Cheyanne Young, author of *The Last Wish* of Sasha Cade Ryan Russell has life perfectly planned. She's going to take over her family's team, the Buckley Beavers, and become one of the only female General Managers in minor league baseball. Then Sawyer Campbell shows up, and Ryan's carefully laid plans are thrown a major curveball. Sawyer is far more charming than the arrogant jocks she usually manages, though fraternizing is against every rule in the Beaver's handbook. But after figuring out the desperate state of the team's finances, Ryan will have to take risks in order to save her future. She teams up with Sawyer, using his star power to draw in sponsors. But the more time she spends with him, the harder it becomes to play by the rules. Is his partnership the key to saving the Beavers, or a distraction she can't afford?

Stealing Home Eric Nusbaum 2020-03-24 A

story about baseball, family, the American Dream, and the fight to turn Los Angeles into a big league city. Dodger Stadium is an American icon. But the story of how it came to be goes far beyond baseball. The hills that cradle the stadium were once home to three vibrant Mexican American communities. In the early 1950s, those communities were condemned to make way for a utopian public housing project. Then, in a remarkable turn, public housing in the city was defeated amidst a Red Scare conspiracy. Instead of getting their homes back, the remaining residents saw the city sell their land to Walter O'Malley, the owner of the Brooklyn Dodgers. Now LA would be getting a different sort of utopian fantasy -- a glittering, ultra-modern stadium. But before Dodger Stadium could be built, the city would have to face down the neighborhood's families -- including one, the Aréchigas, who refused to yield their home. The ensuing confrontation captivated the nation - and the divisive outcome

still echoes through Los Angeles today.

Stealing Fire Steven Kotler 2017-02-21 National Bestseller CNBC and Strategy + Business Best Business Book of the Year It's the biggest revolution you've never heard of, and it's hiding in plain sight. Over the past decade, Silicon Valley executives like Eric Schmidt and Elon Musk, Special Operators like the Navy SEALs and the Green Berets, and maverick scientists like Sasha Shulgin and Amy Cuddy have turned everything we thought we knew about high performance upside down. Instead of grit, better habits, or 10,000 hours, these trailblazers have found a surprising short cut. They're harnessing rare and controversial states of consciousness to solve critical challenges and outperform the competition. New York Times bestselling author Steven Kotler and high performance expert Jamie Wheal spent four years investigating the leading edges of this revolution—from the home of SEAL Team Six to the Googleplex, the Burning Man festival, Richard Branson's Necker Island,

Red Bull's training center, Nike's innovation team, and the United Nations' Headquarters. And what they learned was stunning: In their own ways, with differing languages, techniques, and applications, every one of these groups has been quietly seeking the same thing: the boost in information and inspiration that altered states provide. Today, this revolution is spreading to the mainstream, fueling a trillion dollar underground economy and forcing us to rethink how we can all lead richer, more productive, more satisfying lives. Driven by four accelerating forces—psychology, neurobiology, technology and pharmacology—we are gaining access to and insights about some of the most contested and misunderstood terrain in history. Stealing Fire is a provocative examination of what's actually possible; a guidebook for anyone who wants to radically upgrade their life.

Streetball Crew Book Two Stealing the Game Kareem Abdul-Jabbar 2016-02-02 When eighth-grader Chris's older brother, Jax, is caught

betting on the pick-up basketball games that Chris and his friends play, Chris becomes involved in the police investigation.

Skin Game Jim Butcher 2015-03-03 Chicago's only professional wizard is about to have a very bad day in the latest novel in the #1 New York Times bestselling Dresden Files... As Winter Knight to the Queen of Air and Darkness, Harry Dresden never knows what the scheming Mab might want him to do. Usually, it's something awful. Mab has traded Harry's skills to pay off a debt. And now he must help a group of villains led by Harry's most despised enemy, Nicodemus Archleone, to break into a high-security vault so that they can then access a vault in the Nevernever. Problem is, the vault belongs to Hades, Lord of the freaking Underworld. And Dresden is dead certain that Nicodemus has no intention of allowing any of his crew to survive the experience. Dresden's always been tricky, but he's going to have to up his backstabbing game to survive this mess...

Stealing The Duke Jess Michaels 2019-03-05 A new scandal sheet from USA Today Bestseller Jess Michaels!!! When the Earl of Martingale died, his daughter Marianne discovered he had been stealing. When she tried to return the items, it only created a scandal that could destroy her and her beloved younger sister. Now she's found one more item and decides to just sneak it back to the victim in the hopes to keep her disgrace from growing. Alexander Wittingham, the Duke of Avondale, has isolated himself since his sister died. But when he catches the fetching Marianne trying to return his sister's stolen broach, her presence awakens desires in him, longings he hasn't allowed himself to feel in years. When he realizes her dire straits, he makes her a shocking offer that could save her...if she's willing to surrender her body. Their affair draws them close physically...and emotionally. But will Alexander ever accept Marianne to be more than his lover? If he does, will it be too late? Novella Length

Drama and Pride in the Gateway City Society for American Baseball Research (SABR)

2013-04-01 By 1964 the storied St. Louis Cardinals had gone seventeen years without so much as a pennant. Things began to turn around in 1953, when August A. Busch Jr. bought the team and famously asked where all the black players were. Under the leadership of men like Bing Devine and Johnny Keane, the Cardinals began signing talented players regardless of color, and slowly their star started to rise again. *Drama and Pride in the Gateway City* commemorates the team that Bing Devine built, the 1964 team that prevailed in one of the tightest three-way pennant races of all time and then went on to win the World Series, beating the New York Yankees in the full seven games. All the men come alive in these pages—pitchers Ray Sadecki and Bob Gibson, players Lou Brock, Curt Flood, and Bobby Shantz, manager Johnny Keane, his coaches, the Cardinals' broadcasters, and Bill White, who would one day run the entire

National League—along with the dramatic events that made the 1964 Cardinals such a memorable club in a memorable year.

McClure's Magazine 1925

Stealing My Religion Liz Bucar 2022-09-13 Liz Bucar navigates the thorny terrain of religious appropriation, from yoga classes to non-Muslims who signal allyship by donning hijabs. Exploring the ethics of alleged appropriations, Bucar argues that borrowing isn't itself a problem, as long as we are invested in our enthusiasms—committed to understanding their roots and diverse meanings.

Rival Cindy Wilson 2019-09-18 For years, our families have had one rule: We leave them alone. They leave us alone. When Juno caught me scavenging for supplies in her family's territory, I had no idea that the war between our two families was about to be pushed to the edge. But she takes a chance on me. Trusts me. Lets me go. Now there's a greater threat to both sides. Someone's stealing from my family, too. And it's

up to me to find the thief before anyone else. Because if I can't, both sides will blame each other. Rule broken. Game over. No one wins. My only ally is Juno. The one girl I can't be found with. The one girl who tempts me like no other. She's the definition of off-limits. If our families knew how we look at each other, and kiss each other... Star-crossed doesn't even begin to describe our fate.

The Boy Who Failed Show and Tell Jordan Sonnenblick 2021-02-02 An unbelievably hilarious middle-grade true story from bestselling author Jordan Sonnenblick. In a typical school year, every kid has one or two things go wrong. But for Jordan, there's A LOT going wrong ALL THE TIME. Take this year. Here are some of the thing going wrong: -- His teacher hates him. Like, really hates him. Like, is totally out to get him even when he's trying to be good, and is willing to fail him on the simplest things, like show and tell. -- He has a slight breathing problem because of his asthma. And breathing is

never really an optional activity. -- His pet snake has given birth to way, way, way too many baby snakes, all who need a home. -- He is finding that becoming The World's Best Drummer in no time whatsoever is maybe not the easiest goal. -- There are bullies ready to stomp him when all he has to defend himself with is a lunchbox. And all this doesn't even include the freak swing set accident, the fears inside his head, or the funniest class presentation ever. By keeping his cool (some of the time), banging on the drums (a lot), and keeping his sense of humor (all the time), Jordan's going to try to make it through the year... and grow up to write a book about it!

Stealing Bases Nicole Leigh Shepherd 2011-07-07 Reformed mean girl Kylie Collins desperately wants to put the craziness of basketball season behind her. (And with it, her cheater ex, Zachary Murphy.) Maybe she'll finally be able to silence her snarky streak and concentrate on her lifelong dream—being recruited for Division One softball. But when

Kylie arrives at her first softball practice of the season, she comes face-to-face with her worst nightmare: Amber McDonald, the best pitcher in the state. Now, Kylie's forced to warm the bench as Amber wows crowds again and again. With all the drama happening out on the softball diamond, Kylie finds herself drawn back to bad habits—sabotaging people and hanging out with a certain Zachary Murphy. . . .

Stealing Snow Danielle Paige 2016-09-20

Seventeen-year-old Snow lives within the walls of the Whittaker Institute, a high security mental hospital in upstate New York. Deep down, she knows she doesn't belong there, but she has no memory of life outside, except for the strangest dreams. And then a mysterious, handsome man, an orderly in the hospital, opens a door - and Snow knows that she has to leave ... She finds herself in icy Algid, her true home, with witches, thieves, and a strangely alluring boy named Kai. As secret after secret is revealed, Snow discovers that she is on the run from a royal

lineage she's destined to inherit, a father more powerful and ruthless than she could have imagined, and choices of the heart that could change everything. Heroine or villain, queen or broken girl, frozen heart or true love, Snow must choose her fate ... A wonderfully icy fantastical romance, with a strong heroine choosing her own destiny, Danielle Paige's irresistibly page-turning *Snow Queen* is like *Maleficent* and *Frozen* all grown up.

Stealing is My Game Lou Brock 1976

Stealing the Corner Office Brendan Reid 2014-05-19 *Stealing the Corner Office* is mandatory reading for smart, hardworking managers who always wonder why their seemingly incompetent superiors are so successful. It is a unique collection of controversial but highly effective tactics for middle managers and aspiring executives who want to learn the real secrets for moving up the corporate ladder. Unlike virtually all other business books—which are based on the

assumption that corporations are logical and fair—Stealing the Corner Office explores the unconventional tactics people less competent than you use to get ahead and stay ahead. It is your proven playbook to thrive and win in an imperfect corporate world. Stealing the Corner Office will teach you: How incompetent people so often get ahead, and what you can learn from them. How to make universally flawed corporate policies work in your favor. Why showing too much passion for your ideas can be career suicide. Why delivering results should never be your highest priority. These and many more controversial tactics will change the way you look at your career and how you manage projects, people, and priorities. Apply the 10 principles in Stealing the Corner Office and watch your career take off!

Cheating Death, Stealing Life Eddie Guerrero
2005 Wrestling superstar Eddie Guerrero describes his youth in Mexico, his rise in the world of professional wrestling, his battle with

drug addiction, the car accident that nearly ended his life, and his successful return to the ring.

Alexa Is Stealing Your Job Rhonda Scharf
2019-08-06 This guided tour of how AI will impact the future of work explores the ways both companies and employees can adapt to the new normal. Artificial intelligence is taking over. Ask Alexa to call a client or confirm your schedule for the day and she does so immediately. Ask her a question, give her a command, or just share a joke together, and she becomes your new best employee—one who never makes a mistake or calls out sick. In other words, Alexa can nix the need for millions of front-line workers. As companies race to keep up with advances in AI, employees must race just to keep their job. Author and public speaker Rhonda Scharf shows readers how a willingness to adapt to the new normal keeps both businesses and their employees relevant in these changing times. Alexa Is Stealing Your Job reveals what the

future entails by diving into the world of AI and exploring how it impacts lives, careers, and the future.

[Ricky Sticky Fingers](#) Julia Cook 2012-08-15 Meet Ricky! A cute little boy that just can't seem to figure out that stealing is wrong: When I see something that I really want, I think, "Hey, that could be mine!" So I look both ways, reach out my hand, and take it at just the right time. If I ever get caught, I just pretend that it wasn't me that took it. A quick little lie is just what I need, and lying helps me get through it! Taking things that I want to have at times can be very tricky. But there's no way that I can help myself, because all of my fingers are sticky! Ricky learns first-hand what it feels like to have something stolen from him. Then he uses the "GOOD" inside of himself to overtake the "BAD" and returns the items that he took from others. Finally, a book that confronts the issue of stealing and offers a strategy to curb the desire to steal! Through a fun and whimsical story,

children will learn the concept of ownership and how it feels when someone doesn't respect what is yours. This book uses empathy in a powerful way to teach children that stealing is wrong.

[Stealing Mr. Right](#) Tamara Morgan 2017-03-07 "A sexy, fun, cat-and-mouse chase that hooked me from page one!"—JENNIFER PROBST, New York Times & USA Today Bestselling Author of *The Marriage Bargain* With two million dollars' worth of diamonds on the line, she can't afford to fall for her husband. Penelope Blue has the perfect life, and the perfect husband. Well, except for the fact that he works for the FBI...and she's a thief. What's the saying? Keep your friends close...and your husband closer. Being married to a federal agent certainly has its perks. This way a savvy jewel thief always knows what the enemy is up to. Plus, who doesn't love the way a G-man looks in a suit? Penelope spends her days lifting jewels and her nights tracking the Bureau should have been a genius plan. But the closer Penelope gets to Grant

Emerson, the more dangerous this feels. It turns out that the only thing worse than having a mortal enemy is being married to one. Because in their game of theft and seduction, only one of them will come out on top. Good thing a cat burglar always lands on her feet. Penelope Blue Mystery Romance Series: Stealing Mr. Right (Book 1) Saving Mr. Perfect (Book 2) Seeking Mr. Wrong (Book 3) Praise for Stealing Mr. Right: "The minute I finished reading...I started it over. That's how good this book is! I laughed, I cried, and I fell totally in love with Grant Emerson and Penelope Blue, one of the most fascinating book couples I've ever read."—SANDRA OWENS, author of the bestselling K2 Special Services series "Tamara Morgan has masterminded the perfect heist of the heart." —KATIE LANE, USA Today bestselling author "A rollicking romp that packs a surprising emotional punch." —JENNY HOLIDAY, author of The Engagement Game "This sexy cat and mouse game between an FBI

agent and a jewel thief had me furiously flipping the pages until the very end." —AJ PINE, author of The One That Got Away

A Boy and His Dog at the End of the World

C. A. Fletcher 2019-04-23 My name's Griz. I've never been to school, I've never had friends, in my whole life I've not met enough people to play a game of football. My parents told me how crowded the world used to be, before all the people went away, but we were never lonely on our remote island. We had each other, and our dogs. Then the thief came. He brought stories of the deserted lands beyond our horizons. I liked him - until I woke to find he had stolen my dog. So I chased him into the ruins of the world. I just want to get my dog back, but I found much more than I ever imagined was possible. More about how the world ended. More about what my family's real story is. More about what really matters...A Boy and his Dog at the End of the World is the most moving story you'll read this year. Reminiscent of The Girl with all the Gifts

and Station Eleven - Griz's tale mixes sadness and hope in one unforgettable character's quest amid the ruins of our fragile civilisation.

Caught Stealing Jake Maddox 2015-08 Ian's dad's valuable signed baseball goes missing after a team sleepover. Can Ian trust his teammates and work together to bring the team a win?

Stealing Home J. Torres 2021-10-05 A gripping graphic novel that tells a boy's experience in a WWII Japanese internment camp, and the lessons that baseball teaches him. Sandy Saito is a happy boy who's obsessed with baseball — especially the Asahi team, the pride of his community. But when the Japanese attack Pearl Harbor, his life, like that of every North American of Japanese descent, changes forever. Forced to move to a remote internment camp, he and his family cope as best they can. And though life at the camp is difficult, Sandy finds solace in baseball, where there's always the promise of possibilities. Through his experience, Sandy

comes to realize that life is a lot like baseball. It's about dealing with whatever is thrown at you, however you can. And it's about finding your way home.

The Hidden Language of Baseball Paul Dickson 2009-05-26 Baseball is set apart from other sports by many things, but few are more distinctive than the intricate systems of coded language that govern action on the field and give baseball its unique appeal. During a nine-inning game, more than 1,000 silent instructions are given—from catcher to pitcher, coach to batter, fielder to fielder, umpire to umpire—and without this speechless communication the game would simply not be the same. Baseball historian Paul Dickson examines for the first time the rich legacy of baseball's hidden language, offering fans everywhere a smorgasbord of history and anecdote. Whether detailing the origins of the hit-and-run, the true story behind the home run that gave "Home Run" Baker his nickname, Bob Feller's sign-stealing telescope, Casey Stengel's

improbable method of signaling his bullpen, the impact of sign stealing on the Giants' miraculous comeback in 1951, or the pitches Andy Pettitte tipped off that altered the momentum of the 2001 World Series, Dickson's research is as thorough as his stories are entertaining. A roster of baseball's greatest names and games, past and present, echoes throughout, making *The Hidden Language of Baseball* a unique window on the history of our national pastime.

Streetball Crew Book Two: Stealing the Game
Kareem Abdul-Jabbar 2015-02-03 Chris Richards has always looked up to Jax, his older brother and his parents' "golden child." Lately, though, Jax has been full of surprises. First he dropped out of law school; then he started hanging out with some shifty-looking friends. One day Jax asks Chris to recruit his best middle school teammates for a pick-up basketball game in the park. Chris doesn't think much of it until the wrong team wins and Jax goes ballistic. It turns out that Jax bet on the game, hoping to earn

enough money to repay a debt to someone who doesn't forgive easily. While Chris tries to walk a thin tightrope between helping his brother and staying out of trouble, his friend Theo does some behind-the-scenes detective work to learn what Jax has been up to. The day Chris is roped into a police investigation is the day he realizes he made the wrong play.
