Sunset Manshik Ch'ae 2017-06-06 Ch'ae Manshik is one of the most accomplished modern Korean writers yet is underrepresented in English translation because of the challenges posed by his distinctive voice and colloquial style. *Sunset: A Ch'ae Manshik Reader* is the first English-language anthology of his works and features a variety of genres—novella, short fiction, anecdotal essay, travel writing, children's story, one-act play, three-act play, and roundtable discussion. This anthology moves beyond the usual "representative works" to provide a well-rounded selection of writing by one of Korea's most innovative and memorable voices, drawing on Ch'ae's ten-volume Complete Works. This edition also provides a comprehensive introduction outlining the limitations of existing approaches to Ch'ae. It contextualizes the anthology's contents both in terms of the author's career and the rich Korean tradition of intertextuality and intermediality that he reflects from the country's earliest times to the new millennium.

**Amy Tan** Mary Ellen Snodgrass 2015-01-24 In the mid-1980s, Amy Tan was a successful but unhappy corporate speechwriter. By the end of the decade, she was perched firmly atop the best-seller lists with *The Joy Luck Club*, with more popular novels to follow. Tan's work—once pigeonholed as ethnic literature—resonates with universal themes that cross cultural and ideological boundaries, and prove wildly successful with readers of all stripes. Tender, sincere, complex, honest and uncompromising in its portrayal of Chinese culture and its affect on women, Amy Tan's work earned her both praise and excoriation from critics, adoration from fans, and a place as one of America's most notable modern writers. This reference work introduces and summarizes Amy Tan's life, her body of literature, and her characters. The main text is comprised of entries covering characters, dates, historical figures and events, allusions, motifs and themes from her works. The entries combine critical insights with generous citations from primary and secondary sources. Each entry concludes with a selected bibliography. There is also a chronology of Tan's family history and her life. Appendices provide an overlapping timeline of historical and fictional events in Tan's work; a glossary of foreign terms found in her writing; and a list of related writing and research topics. An extensive bibliography and a comprehensive index accompany the text.

**The Rural Diaries** Hilarie Burton 2020-05-05 New York Times Bestseller The beloved actress and star of *One Tree Hill*, *White Collar*, and *Lethal Weapon*, Hilarie Burton Morgan, tells the story of leaving Hollywood for a radically different kind of life in upstate New York with her husband Jeffrey Dean Morgan—a celebration of community, family, and the value of hard work in small town America. While Hilarie Burton Morgan's hectic lifestyle as an actress in New York and Los Angeles gave her a comfortable life, it did not fulfill her spiritually or emotionally. After the birth of their first son, she and her husband Jeffrey Dean Morgan, the star of *The Walking Dead*, decided to make a major change: they bought a working farm in Rhinebeck, New York, and began a new chapter in their lives. *The Rural Diaries* chronicles her inspiring story of farm life: chopping wood, making dandelion wine, building chicken coops. Burton looks back at her transition from urban to country living—discovering how to manage a farm while raising her son and making friends with her new neighbors. She mixes charming stories of learning to raise alpacas and buying and revitalizing the town's beloved candy store, Samuel's Sweet Shop, with raw observations on the ups and downs of marriage and her struggles with secondary infertility. Burton also includes delicious recipes that can be made with fresh ingredients at home, as well as home renovation and gardening tips. Burton's charisma, wide eyed attitude, and fortitude—both internal and physical—propels this moving story of transformation and self-discovery. *The Rural Diaries* honors the values and lifestyle of small-town America and offers inspiration for anyone longing to embark on their own unconventional journey.

From *Aladdin* and *Pocahontas* to the Asian American boy Russell in *Up*, from the first

African American princess in *The Princess and the Frog* to "Spanish-mode" Buzz Lightyear in *Toy Story 3*, Disney films have come to both mirror and influence our increasingly diverse society. This essay collection gathers recent scholarship on representations of diversity in Disney and Disney/Pixar films, not only exploring race and gender, but also drawing on perspectives from newer areas of study, particularly sexuality/queer studies, critical whiteness studies, masculinity studies and disability studies. Covering a wide array of films, from Disney's early days and "Golden Age" to the Eisner era and current fare, these essays highlight the social impact and cultural significance of the entertainment giant.
