*Stealing with Style* Emyl Jenkins 2006-06-30 Sterling Glass has built a nice appraisal business in her small Virginia town. She's sought after to examine antiques, research their history, present her clients with approximate values, and help them distinguish good antiques from not so good ones. And when family skeletons are unearthed among the heirlooms, she is the soul of discretion. It's a world she navigates with ease. But that's before she's called in to examine a diamond brooch found tucked inside an oven mitt over at the Salvation Army thrift store. And before the appraisal of an extremely modest estate turns up a tea urn—hidden inside a basket—worth at least fifty grand. Things aren't adding up, and Sterling, never one to let go of loose ends, starts asking questions. It's not long before she uncovers an intricate plot involving a slew of antique pieces, the oldest families in Leemont, some sophisticated scammers, crooked antiques dealers, and shifty people at the best New York auction houses. Add to that one elderly man who's just trying to preserve his family's treasured collection of bronze and ivory Art Deco sculptures, and suddenly Sterling finds herself ensnared in a mystery laced with greed, deceit, and danger. *Stealing with Style*, the first in the Sterling Glass series, introduces a writer of great wit who has a grand sense of the mystery hidden in our most treasured possessions.

**Caught Stealing** Charlie Huston 2005-05-31 “[A] fantastically hopped-up thriller . . . a wrong-man plot worthy of Hitchcock.”—Entertainment Weekly (Editor’s Choice) It’s three thousand miles from the green fields of glory, where Henry “call me Hank” Thompson once played California baseball, to the Lower East Side of Manhattan, where the tenements are old, the rents are high, and the drunks are dirty. But now Hank is here, working as a bartender and taking care of a cat named Bud who is surely going to get him killed. It begins when Hank’s neighbor, Russ, has to leave town in a rush and hands over Bud in a carrier. But it isn’t until two Russians in tracksuits drag Hank over the bar at the joint where he works and beat him to a pulp that he starts to get the idea: Someone wants something from him. He just doesn’t know what it is, where it is, or how to make them understand he doesn’t have it. Within twenty-four hours Hank is running over rooftops, swinging his old aluminum bat for the sweet spot of a guy’s head, playing hide and seek with the NYPD, riding the subway with a dead man at his side, and counting a whole lot of cash on a concrete floor. All because of two cowboys, two Russian mafia men, and some of the weirdest goons ever assembled in one place. All because of Bud. All because once, in another life, in another world, the only thing Hank wanted was to take third base—without getting caught.

Indigenous Aspirations and Rights Amy Klemm Verbos 2017-07-20 Indigenous peoples are recognised as groups with specific rights based on their historical ties to particular territories. The United Nations estimates there are 370 million Indigenous peoples, with Indigenous populations being recognised in Australia, Canada, New Zealand, the United States, the Arctic region, Central and South America, and across Asia and Africa. *Indigenous Aspirations and Rights* takes an Indigenous perspective in examining the intersection of business with Indigenous peoples' rights, in light of the UN Global Compact and the PRME. Indigenous rights include, but are not limited to, human, cultural, educational, employment, participatory development, economic, and social rights, rights to land and natural resources, and impacts on identity, institutions, and relations. This book illustrates three main aspects of business practices in relation to Indigenous peoples: Indigenous perspectives on failures, business and ongoing challenges to Indigenous

aspirations and rights, and modelling success for Indigenous and business interests. Edited by three leading voices in Indigenous rights research and practice, *Indigenous Aspirations and Rights* features contributions from around the globe. The work draws together policy implications for management and implications for Indigenous peoples, and examines how the PRME, the UN Global Compact, and the concept of socially responsible business can be expanded to encompass more positive outcomes for Indigenous peoples.

*Out Stealing Horses* Per Petterson 2012-07-03 We were going out stealing horses. That was what he said, standing at the door to the cabin where I was spending the summer with my father. I was fifteen. It was 1948 and one of the first days of July. Trond's friend Jon often appeared at his doorstep with an adventure in mind for the two of them. But this morning was different. What began as a joy ride on "borrowed" horses ends with Jon falling into a strange trance of grief. Trond soon learns what befell Jon earlier that day—an incident that marks the beginning of a series of vital losses for both boys. Set in the easternmost region of Norway, *Out Stealing Horses* by Per Petterson begins with an ending. Sixty-seven-year-old Trond has settled into a rustic cabin in an isolated area to live the rest of his life with a quiet deliberation. A meeting with his only neighbor, however, forces him to reflect on that fateful summer.

**The Book Thief** Markus Zusak 2007-12-18 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE’S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. Stealing Parker Miranda Kenneally 2012-10-01 "A hero who will melt your heart."—Jennifer Echols, national award-winning author of *Such a Rush* Parker Shelton pretty much has the perfect life. She's on her way to becoming valedictorian at Hundred Oaks High, she's made the all-star softball team, and she has plenty of friends. Then her mother's scandal rocks their small town and suddenly no one will talk to her. Now Parker wants a new life. So she quits softball. Drops twenty pounds. And she figures why kiss one guy when she can kiss three. Or four. Why limit herself to high school boys when the majorly cute new baseball coach seems especially flirty? But how far is too far before she loses herself completely? Praise for *Catching Jordan*: "A must-read for teens! I couldn't put it down!"—Simon Elkeles, New York Times bestselling author of the *Perfect Chemistry* series "With a clever, authentic voice, Kenneally proves once and for all that when it comes to making life's toughest calls-on and off the field-girls rule!"—Sara Ockler, bestselling author of *Fixing Delilah*

*Let's Talk* Marquisha Mitchell 2020-11-10 In the midst of my quiet time with the Lord, I often thought of how I could be a beckon of light to help others that are depressed, lost, have no hope, searching for an answer, needing deliverance, or just downright in need of a renewing of your mind and a fresh new start. While meditating, I would get either titles to dwell on or even what needed to be said to a multitude of people. Many people may never step a foot inside of a church to receive a Living Word that can change any situation by faith at the drop of a dime. But understand, beloved, God put people in places to be an example of His goodness. Demonstration can happen when you mix faith with the Word of God. When mixed together, it takes on a nature of its own (manifestation). Not just the talk but the walk. God is the author and finisher of our faith. This book is a great tool for a time such as this for a divine appointment, open invitation, to renew your relationship with Christ. So open your ears to hear what the Spirit of God is saying. There's truly a difference between hearing and listening. People, places, and things may change, but the Word of God will stand forever (Hebrews 13:8).

*Renew Your Mind* Randy Flickinger 2021-06-18 Do not conform to the pattern of this world but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—His good, pleasing and perfect will. —Romans 12:2 What does this verse mean to born-again Christians? What should it mean in the actions of our daily lives? *Renew Your Mind; A Fifty-Two-Week Journey Applying the Bible to Everyday Life* looks at biblical answers in the five most challenging areas of an individual's life: finances, friends/relationships, time allotment, priorities/denying self, and knowing God. Each week, the author relates a thought-provoking, memorable story or example invoking biblical principles and verses, giving an assignment for the reader to apply the weekly lesson to the applicable categories to begin the transformation of how we think and act toward others. *Renew Your Mind* is a thoroughly entertaining must-read year-long devotional that will change the way you look at Christianity and our responsibility to others in our faith, our actions, and our belief systems. Add couple of testimonials from readers here.

**Stealing Summer** Lexi Blake 2020-07-14 From New York Times and USA Today bestseller Lexi Blake comes a new epic-length story in her Thieves/Hunterworld... A daughter lost Summer has spent her whole life wondering about the family she left behind. On the night she came into being she only had a few moments with them. In that brief time, she reached out to her father, looking deep into his soul, and gifted him the will to go on. But now she is the one in need. Once a child made of pure magic, she is forced to live as a mortal. Her power caused great harm, and she has sworn never to let it happen again. With her friends beside her, she tries her best to help those she can. If that requires her to do a little thievery, well, she is her mother's daughter, after all. Everything changes when a woman falls from the sky and Summer meets the handsome vampire named Marcus Vorenius. Just as her past begins to catch up with her, she might have finally met her future. A mother discovered Kelsey Owens went searching for Dev and Marcus but all she found was a trap. She was pulled through a magical painting and thrown smack into the middle of a battle on a foreign plane of existence. Luckily she's good in a fight. Saving the woman targeted by the horde of brutal soldiers, Kelsey is shocked by her resemblance to her queen. As Kelsey investigates the mystery surrounding Summer Donovan-Quinn, she also hunts for a way back to the husbands and son she just claimed. A queen exiled Zoey Donovan-Quinn is not happy. The wizard Myrddin is back, her marriage is troubled, and she is sure those two problems are connected. But nothing is more worrying than Dev's sudden disappearance. When she and Daniel go looking for him, they are drawn into a world thought lost to the Earth plane. Danger awaits them there, but so does the daughter they thought they would never see again. She hopes they survive their reunion. Three heroines. One mystery. And an ending that will change the Thieves world forever...

*Ooko* Esmé Shapiro 2016-07-05 Ooko has everything a fox could want: a stick, a leaf and a rock. Well, almost everything . . . Ooko wants someone to play with too! The foxes in town always seem to be playing with their two-legged friends, the Debbies. Maybe if he tries to look like the other foxes, one of the Debbies will play with him too. But when Ooko finally finds his very own Debbie, things don't turn out quite as he had expected! A quirky, funny, charmingly illustrated story about finding friendship and being true to yourself.

**Steal the Light** Lexi Blake 2013-08-13 When dealing with demons, the devil's in the details... Stealing mystical and arcane artifacts is a dangerous business, especially for a human, but Zoey Wharton is an exceptional thief. The trick to staying alive is having friends in all the wrong places. While having a witch and a werewolf on the payroll helps, being partners with a vampire really opens doors. Zoey and Daniel were childhood sweethearts until a violent car crash took his life and left her shattered. When Daniel returned from the grave as a vampire, his only interest in Zoey was in keeping her safely apart from the secrets of his dark world. He has vowed to protect her, but his heart seems as cold as the night he calls home. Five years later, a mysterious new client named Lucas Halfer offers Zoey a fortune to steal the Light of Alhorra. The search for the Light leads Zoey into the arms of an earthbound faery prince. Devinshea Quinn sweeps her off her feet, showing her everything the supernatural world has to offer, but Daniel still calls to her heart. As the true nature of the Light is revealed, Zoey discovers Halfer is a demon and much more than money is at stake. Per her contract, she must give him the Light or spend an eternity in Hell. What's a girl to do except fight for her soul...and her heart. A Thieves Novel by Lexi Blake

Phoenix was raised within the Community, a gang of thieves with paranormal powers, under the control of a harsh master known as the Seer. The notion that there's a soul mate out there for every person with a paranormal gift is mere myth in Phoenix's world. That is until the Seer gives Phoenix the details of her next target, Yves Benedict. He's more than just her next victim, he is her destiny. To be together, Phoenix must break away from the Community but resistance against the Seer puts them both in mortal danger. Phoenix has never trusted anyone before, now it's time to trust Yves with her life. The second book in Joss Stirling's thrilling Savants series, with a beautiful cover designed by illustrator Johanna Basford.

**Kitty Steals the Show** Carrie Vaughn 2012-07-31 Kitty has been tapped as the keynote speaker for the First International Conference on Paranatural Studies, taking place in London. The conference brings together scientists, activists, protestors, and supernatural beings from all over the world—and Kitty, Ben, and Cormac are right in the middle of it. Master vampires from dozens of cities have also gathered in London for a conference of their own. With the help of the Master of London, Kitty gets more of a glimpse into the Long Game—a power struggle among vampires that has been going on for centuries—than she ever has before. In her search for answers, Kitty has the help of some old allies, and meets some new ones, such as Caleb, the alpha werewolf of the British Isles. The conference has also attracted some old enemies, who've set their sights on her and her friends. All the world's a stage, and Kitty's just stepped into the spotlight. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Stealing the Show** John Barelli 2019-08-22 When he retired as the chief security officer of New York City's Metropolitan Museum of Art, John Barelli had spent the better part of forty years responsible not only for

one of the richest treasure troves on the planet, but the museum's staff, the millions of visitors, as well as American presidents, royalty, and heads of state from around the world. For the first time, John Barelli shares his experiences of the crimes that occurred on his watch; the investigations that captured thieves and recovered artwork; the lessons he learned and shared with law enforcement professionals in the United States and abroad; the accidents and near misses; and a few mysteries that were sadly never solved. He takes readers behind the scenes at the Met, introduces curators and administrators, walks the empty corridors after hours, and shares what it's like to get the call that an ancient masterpiece has gone missing. The Metropolitan Museum covers twelve acres in the heart of Manhattan and is filled with five thousand years of work by history's great artists known and unknown: Goya, da Vinci, Rembrandt, Warhol, Pollack, Egyptian mummies, Babylonian treasures, Colonial crafts, and Greek vases. John and a small staff of security professionals housed within the Museum were responsible for all of it. Over the years, John helped make the museum the state-of-the-art facility it is today and created a legacy in art security for decades to come. Focusing on six thefts but filled with countless stories that span the late 1970s on into the 21st century, John opens the files on thefts, shows how museum personnel along with local and sometimes Federal Agents opened investigations and more often than not caught the thief. But of ultimate importance was the recovery of the artwork, including Celtic and Egyptian gold, French tapestries, Greek sculpture, and more. At the heart of this book there will always be art—those who love it and those who take it, two groups of people that are far from mutually exclusive.

Stolen Lora D. King 2013-03-01 "What would you say if I told you that an insidious thief maybe lurking in your mind?," asks author and advocate Lora D. King. Her compelling anecdote in *STOLEN* clearly reveals the impact of a robbery that occurs in the brain as a result of the theft. This bandit is commonly known as Alzheimer's Disease. Also known as AD, it is a brain disease which steals a person's memory, and causes alarming thinking and behavior problems that seriously impact cognitive and functional abilities to the point of requiring 24-hour care. Alzheimer's Disease is a complex villain, and only recently have the clinical and scientific puzzles of AD started to come together. King is a strong advocate of the research that is key to stopping this kind of pillage in the brain, and how all of us should be vested in its termination by participating in research and clinical studies. AD is an equal opportunity burglar - and crosses all levels of class, racial, ethnic, and cultural boundaries. Thus making *STOLEN* a definite book to read for everyone! Not a sad and depressing story - it is warm, insightful, up-lifting, and a voice of hope - according to King, a retired social worker. Every morning her Dad wakes up and navigates another day, she genuinely sees it as a personal triumph because one of her most treasured social work principles - a strength-based concept, is being carried out. The focus here is a positive outlook on what patients can do, rather than concentrating on what they cannot do. King believes this is the foundation for her dad's care, along with caregivers with a calling, and cleverly demonstrates how others can do the same. *STOLEN* ends on a surprisingly high note, with a commentary commencing her blog site, "Let's Talk" in order to stay connected with her readers. Alzheimer's Disease is no joke, to paraphrase Betty Davis who said, "Growing old is not for sissies." Lora King is triumphant in her magical mix of storytelling and educational information about AD. If you are a baby boomer, primary caregiver or in-home-caregiver, then you need to read this book and share it with every caregiver you know. I should know, I've been primary caregiver to my mother for years. M.J. Duffy, author of *Lost Love*, the *Zankli Chronicles* Book *Stolen* is the honest story of a daughter's and son's efforts to be the primary caregiver for her aging father as he slips away into Alzheimer's Disease. It is inspiring and heart warming...a must read for any family caregiver. Judy Wunsch, member of the Board of Directors of the Alzheimer's Association California Southland Chapter. While dealing with my dear father's illness...having conversations with Lora were like reading little excerpts out of her book, *Stolen*, that were helpful and insightful, and were gems that equipped me with stronger coping skills. Karen Roache, of *Another Phase* by Karen Roache, *Jewelry Designer* Compelling indeed! And, yes, for those of us who have also struggled mute and naively with a loved one through this life annihilating disease - *Stolen* is long, long overdue! Having spent the better part of eight years as a full, hands-on witness and caregiver for my grandmother as she faded into the irreparable corners of her mind, it was good to be able to reflect on similar stories and events, with a bit of humor ... and a little healing. Would I have had this jewel of a book and the resources you have noted, life, however heartrending, would have been so much more an orderly

journey rather than a jumbled series of urgent events. Thank you for the read, my dear friend. And thank you that you have been bold enough to break this out into the open for more people to understand, take hold of the lessons and design their plans. Ms. Donnel J. Loftin Director/Coordinator - ACTS:6 Ministries *Stolen Wish* Jennifer Blackstream 2017-08-05

**Lets Talk About: CCVAB** Dr Wendy Thorley PhD, M.Ed, B.A (Hons) Ed. R.G.N. National Teaching Fellow Higher Education Academy 2020-05-18 This is the updated version of Lets Talk About Child to Parent Violence to recognise that Childhood Challenging, Violent or Aggressive Behaviour (CCVAB) in the home involves more than parents. CCVAB affects everyone in the home, children as well as any other adult. Childhood Challenging Violent or Aggressive behaviour in the home is gaining wider recognition across society leading to an 'opening up' of the lives of families but in the real world little has changed for families. This book is relevant to professionals and parent/carers or those who want to gain a better understanding of Childhood Challenging, Violent or Aggressive Behaviour (CCVAB). CCVAB can be diagnosed as a cognitive disorder identified by the World Health Organisation as a 'Conduct Disorder within the context of the family' yet this diagnosis has not been used for children so far. CCVAB is most usually thought of as Adolescent to Parent Violence and Abuse (APVA) but this overlooks the age when most CCVAB starts - at the age of 6-9 years. For families this means they are left unsupported until children reach adolescence when the behaviour has escalated and become entrenched, something that could have been prevented had earlier recognition been made. Childhood Challenging, Violent or Aggressive Behaviour (CCVAB) is an umbrella term for a range of acronyms previously used to identify children's challenging, violent or aggressive behaviour in the home. Previous acronyms such as CPVA or APVA focus on violence and abuse towards the parent themselves yet evidence repeatedly shows this is not always the case and sibling abuse or property destruction can also happen. We look to open up understanding and highlight how listening to families is the first step of developing support for these families and remove preconceived views about who these families and children are. We consider CCVAB against new information about Adverse Childhood Experiences (ACEs), children with Special Educational Needs or Disability (SEND), Neurological development and Learning Difficulties to bring attention to the many ways that Childhood Challenging, Violent or Aggressive Behaviour can happen. This book looks at what is known and what is emerging to help provide better understanding. the impact on families living with CCVAB is immense, by including parents views these families explain what living with CCVAB is for them in the real world and how little support is available to them and their family

**Stealing Peace** Jewel Allison 2009-04-01 Stealing Peace is a collection of thought provoking, riveting and honest gathering of words in poetic form which reads like a candid intimate discussion familiar to us all.

Poetry and non-poetry lovers will find themselves enjoying the poetic work of Jewel Allison, model/actress turned poet. The latter may be aptly put, however Ms. Allison says, to be more correct, "Poet turned model turned poet. Like a sweater you can turn inside out and wear on either side, that's how I wear my new found title." The book begins with a subject matter that many of us find too uncomfortable to talk about racism. In the poem "Let's Talk About Racism", the reader will hear the words as if Ms. Allison was speaking directly to you with warmth and passion. This poem reaches the hearts of people of all nationalities and leaves you feeling more at ease to discuss racism openly. There are three poems dedicated to President Barack Obama and First Lady Michelle Obama. Ms. Allison holds no punches in the provocative poem "Change" (A Poem for Barack Obama), as she strongly suggests the need for young African American men to change any destructive behavior they may engage in while living in urban America. "Stolen", a heart wrenching piece dedicated to Michelle Obama and Sarah Baartman, openly discusses the history of the Black woman as it relates to the legacy of slavery. "We Are Inaugurated" rejoices the victory of mankind by electing America's first African American president. *Stealing Peace* expresses the pain and frustration of living in a world plagued by racism and suggests that the existence of racism impedes upon achieving world peace. Throughout the book Ms. Allison sprinkles very warm and passionate love poems which can be found in "Cover Me You" and "Our First Poem". The poetry in *Stealing Peace* is warm and gentle yet strong and powerful. Jewel Allison is a new voice that is sure to find its place in the hallows of your mind. Her poems are pungent, creative and alluring. Her writings allow you to visit paradoxes and ironies in our society, as well as the enduring beauty of our culture. Jewel's poems unveil the not so obvious and unmask that which is painfully true. *Stealing Peace* provides a mirror through which we can reflect and correct the errors of our ways as a society. This book also fosters a great appreciation for the contributions of people of African descent and the gifts they possess as a people.

*Stealing the Show* Joy Press 2019-03-19 From a leading cultural journalist, the definitive cultural history of female showrunners—including exclusive interviews with such influential figures as Shonda Rhimes, Amy Sherman-Palladino, Mindy Kaling, Amy Schumer, and many more. "An urgent and entertaining history of the transformative powers of women in TV" (Kirkus Reviews, starred review). In recent years, women have radically transformed the television industry both behind and in front of the camera. From Murphy Brown to 30 Rock and beyond, these shows and the extraordinary women behind them have shaken up the entertainment landscape, making it look as if equal opportunities abound. But it took decades of determination in the face of outright exclusion to reach this new era. In this "sharp, funny, and gorgeously researched" (Emily Nussbaum, *The New Yorker*) book, veteran journalist Joy Press tells the story of the maverick women who broke through the barricades and the iconic shows that redefined the television landscape starting with Diane English and Roseanne Barr—and even incited controversy that reached as far as the White House. Drawing on a wealth of original interviews with the key players like Amy Sherman-Palladino (*Gilmore Girls*), Jenji Kohan (*Orange is the New Black*), and Jill Soloway (*Transparent*) who created storylines and characters that changed how women are seen and how they see themselves, this is the exhilarating behind-the-scenes story of a cultural revolution.

**Let's Talk about Denominations and the Baptism** Jesse Wilson 2016-03-03 Let's Talk about Denominations and the Baptism By Jesse Wilson Everyone knows that denominations are wrong, but no one is doing anything about it. This book was written for all to read—both Christians and non-Christians. Author Jesse Wilson hopes this book will be a blessing and a waking for all Christians and an educational tool to the confused non-Christians. He hopes these words will close this centuries-old chapter on how we should baptize. We are followers of the apostles' doctrine. We should do it according to their doctrine and according to Christ.

*Kitty's House of Horrors* Carrie Vaughn 2010-01-01 In this fast-paced monster mash-up, creatures of the night face the fight of their lives when they square off against one another on TV's first all-supernatural reality show. Talk radio host and werewolf Kitty Norville is expecting cheesy competitions and manufactured drama starring shapeshifters, vampires, and psychics when she signs on for TV's first all-supernatural reality show. But as soon as filming starts, violence erupts, and Kitty suspects that the show is a cover for a far more nefarious plot. When the cameras stop rolling, cast members start dying, and Kitty realizes that she and her monster housemates are -- ironically -- the ultimate prize in a very different game. Stranded with no power, no phones, and no way to know who can be trusted, she must find a way to defeat the evil closing in . . . before it kills them all.

**Steal this File Sharing Book** Wally Wang 2004 *Steal This File Sharing Book* tackles the thorny issue of file sharing networks such as Kazaa, Morpheus, and Usenet. It explains how these networks work and how to use them. It exposes the dangers of using file sharing networks—including viruses, spyware, and lawsuits—and tells how to avoid them. In addition to covering how people use file sharing networks to share everything from music and video files to books and pornography, it also reveals how people use them to share secrets and censored information banned by their governments. Includes coverage of the ongoing battle between the software, video, and music pirates and the industries that are trying to stop them.

**Let's Talk About Pep** Sandy Denton 2008-08-26 From Sandy "Pepa" Denton—rap legend and outspoken star of VH1's smash-hit reality show—comes the juicy tell-all in which she talks about sex, music, life, love, fame, and so much more. The spiciest ingredient in the legendary rap group Salt-N-Pepa, fans know Sandy Denton as Pep, or Pepa, the fun-loving half of Salt-N-Pepa. But behind the laughs and the smiles is a whole lot of pain, and for the first time in *Let's Talk About Pep*, she candidly talks about her troubled childhood, surviving abuse, her first encounters with Cheryl "Salt" James, instant success, her failed marriages and escape from domestic abuse, and her triumphant comeback on reality shows like *The Surreal Life* and *The Salt-N-Pepa Show*. Filled with surprising insights, outrageous anecdotes, and celebrity cameos—including Queen Latifah, Martin Lawrence, Janice Dickinson, Missy Elliott, L.L. Cool J, Ron Jeremy, Lisa "Left Eye" Lopez, and many others—*Let's Talk About Pep* offers a fascinating glimpse behind the fame, family, failures, and success...and into the faithful heart of a woman who will always treasure the good friends she found along the way. Every bit as captivating and provocative as her Grammy Award-winning music, this story reveals the real Pepa—upfront, uncensored, unstoppable—a true pioneer, survivor, and inspiration to women everywhere.

*The Steal* Mark Bowden 2022-01-04 "A gripping ground-level narrative...a marvel of reporting: tightly wound... but also panoramic."—*Washington Post* "A lean, fast-paced and important account of the chaotic final weeks."—*New York Times* In *The Steal*, veteran journalists Mark Bowden and Matthew Teague offer a week-by-week, state-by-state account of the effort to overturn the 2020 presidential election. In the sixty-four days between November 3 and January 6, President Donald Trump and his allies fought to reverse the outcome of the vote. Focusing on six states—Arizona, Georgia, Michigan, Nevada, Pennsylvania, and Wisconsin—Trump's supporters claimed widespread voter fraud. Caught up in this effort were scores of activists, lawyers, judges, and state and local officials. Working with a team of researchers and reporters, Bowden and Teague uncover never-before-told accounts from the election officials fighting to do their jobs amid outlandish claims and threats to themselves, their colleagues, and their families. *The Steal* is an engaging, in-depth report on what happened during those crucial nine weeks and a portrait of the dedicated individuals who did their duty and stood firm against the unprecedented, sustained attack on our

election system and ensured that every legal vote was counted and that the will of the people prevailed.
