The issue of whether there is a Greater Reality or not, for me at least, has been settled. I know that there is. So I will speak to you from the knowing that I possess." Ram Dass, in the introduction, says: "Being with Emmanuel one comes to appreciate the vast evolutionary context in which our lives are being lived . . . **Suicide** Jon Klimo 2006-06-12 This provocative study explores what happens to those who commit suicide. Drawing on communications from the spirits of more than 100 'successful' suicides, it offers an intriguing look at what the dead themselves say about suicide, its repercussions, and their experiences in the afterlife. Bringing together the channeled messages of three types of suicide—traditional suicide, assisted suicide, and the suicide mass murder adopted by terrorists—the book covers a wide range of topics, including why people commit suicide, what it is like to cross over, adjustment problems, what suicides would say to those left behind, and what they would tell others thinking of taking their own lives. Additionally, the book conveys powerful messages from suicide bombers, warning potential terrorists of the serious karmic consequences that await them. For anyone contemplating suicide or euthanasia, the book offers profound, sometimes unsettling, insight into the ramifications of these acts.

**The Night Sky, Updated and Expanded Edition** Richard Grossinger 2014-09-30 Ever since Homo sapiens first looked up at the stars, we as a species have been looking for meaning in the mysteries of the night sky. Over the millennia, as our knowledge, science, and technology developed, the stories we told ourselves about the universe and our place in it developed as well. In *The Night Sky*, Richard Grossinger traces those developments, covering multiple aspects of humanity's complex relationship to the cosmos. Covering not only astronomy but also cosmology, cosmogony, astrology, and science fiction, he offers us a revelatory look at the firmament through his own telescope, fitted with an anthropological lens. Throughout his explorations, Grossinger continually reflects on the deeper meaning of our changing concepts about the universe and creation, offering insight into how each new discovery causes us to redefine the values, moralities, and aesthetics by which we live. He also calls into question the self-aggrandizing notion that humanity can and will conquer all, and injects our strident confidence in science with a healthy dose of humility and wonder. Filled with poetic observation and profound questions, *The Night Sky* is a brilliant reflection of humanity's relationship with the cosmos--a relationship fed by longing, doubt, and awe.

**Journey of Your Soul** Shepherd Hoodwin 2013-04-23 A fascinating discussion of the Michael teachings—an extraordinary body of channeled work that addresses the fundamental questions of what it means to be human—from an expert Michael channel "Michael" is a group of souls who teach that we are eternal beings journeying from the Tao and back again in an adventure of exploration and creativity. Each step along the way, we make choices that shape our experience. For example, after committing to a series of lifetimes, we choose one of seven roles, or soul types: server, priest, artisan, sage, warrior, king, or scholar. These teachings address many age-old questions, such as "How did we become who we are?" "Why are we here?" "Where are we going?" and "How does the universe work?" In addition, *Journey of Your Soul* sheds light on the channeling process itself, answering questions such as "How does channeling work?" "Why do different channels receive conflicting information?" and "What does it take to become a channel?" Hoodwin shows us that it is possible, and indeed beneficial, to engage all parts of the human consciousness. His unique analytical approach to channeling will help readers gain a firm intellectual understanding of what is involved. In his foreword, Jon Klimo, PhD, author of *Channeling: Investigations on Receiving Information from Paranormal Sources*, says, "Shepherd Hoodwin has given us one of the best books to date about the phenomenon of channeling. *Journey of Your Soul* may well also be the best of the Michael books due to its clarity, thoroughness, and detail, and thanks to the fact that the author, an exceptionally clearheaded Michael channel himself, brings real integrity and authenticity to our understanding of Michael in particular and to the channeling process in general."

**Loving from Your Soul** Shepherd Hoodwin 1995 People everywhere are looking for a higher perspective on love than the popular view of romance. *Loving from Your Soul - Creating Powerful Relationships*, an inspiring and unusual book by Shepherd Hoodwin, goes to the core of the issue by exploring the nature of love itself. It is a collection of discourses and counseling Hoodwin channeled from the Michael entity that views love as an eternal reality not dependent on other people or situations - it is something we can learn to access all the time through connecting directly with our soul. Michael is well-known to readers of

metaphysical books. There are several Michael books in print, from the work of various channels, and most of them deal with a technical body of information called the Michael teachings. However, *Loving from Your Soul* is not a technical book. It deals with topics such as sexuality, anger, body image, loneliness, boundaries, listening, friendship, finding a mate, and alternative lifestyles. These subjects are framed within a larger context of explorations such as "Loving Yourself," "Being at Your Source," "Different Ways of Loving," "Oneness," "Communicating Your Whole Being," and "Expanding Love." According to *Loving from Your Soul*, "Love is a unified experience that does not cut off any portion of your reality. When you are loving yourself, you are loving others. When you are loving others, you are loving yourself. When you are having joy in what you are doing, you are giving joy to the world - there is no separation between you and the world." "What does it mean to love and to be loved? People everywhere are seeking a higher perspective than the popular view of romance. This outstanding book goes to the core of the issue by illuminating the nature of love itself as a reality that is always available. Topics include sexuality, anger, body image, loneliness, boundaries, listening, and finding a mate, framed within a larger context. With vibrant clarity, it will have a resounding impact on the way we look at love from now on." -Sheila Andersen, *Leading Edge Review* "This book positively radiates love. There is genuine wisdom here." -Key Carey, author of *The Starseed Transmissions* *Loving from Your Soul* is quite beautiful. Michael comes through loud and clear. I'm delighted that Michael is around." -Ram Dass, author of *How Can I Help?* and *Be Here Now* "This is channeling at its best. *Loving from Your Soul* is more than just excellent-it captures a lovely combination of compassion and intellectual clarity." -John Friedlander, author of *Psychic Psychology* "Loving from Your Soul is superb and brings great joy. It touches the profound depths of who we are. It is far and away the best book on love I have ever read, exploring how we can love from the deepest and strongest part of ourselves. I experienced tears of recognition as I read it." -Mayo Gray, author of *The Savage Season* "The truths emerge powerfully in this loving, compassionate material. A wonderful experience." -Catalyst

**Bringers of the Dawn** Barbara Marciniak 1992-12-01 Compiled from more than four hundred hours of channeling by Barbara Marciniak, *Bringers of the Dawn* imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are. Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious--and unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us,

we become "bringers of the dawn," consciously creating a new reality, a new Earth.

**Compassion for Evil** Shepherd Hoodwin 2020-01-03 In this book, Shepherd Hoodwin explores the issue of evil from the soul's point of view, drawing on the channeled Michael teachings. Topics include karma, how souls evolve, the roots of evil, anger and fear, revenge, shadows, forgiveness, conscience, guilt, redemption, and love.

**Michael Speaks: The Legacy of Sarah Chambers (Volume 2)** Center for Michael Teachings, Inc. 2012-12-12 "We are here with you today." With those few words in August 1973, Sarah Chambers, her husband Richard, and their good friends Alice and Dick started a journey that took them far beyond anything they could possibly imagine. They explored the unseen realm of the spiritual world with their teacher "Michael." Along with good friend Eugene Trout, they created a new spiritual teaching - based in love - that helps people become more of who they truly are. The group kept transcripts of their meetings and those transcripts were copied and passed around to their friends and coworkers, then copied and passed to many others over the years. Volume 2 contains compilations, drawings, charts, information about the group members and a history of the Michael Teachings. . . . "Why am I here?" someone asked one night. Michael answered, "To hear the words you didn't hear 2,000 years ago. Maybe this time, you will listen." *The Aaron/Q'uo Dialogues* Barbara Brodsky 2011-12-06 Inspired by the breakthrough channeled series *The Law of One*, Buddhist teacher Barbara Brodsky sent its author, Carla L. Rueckert, some transcriptions of her own material. Struck by Brodsky's lucid, witty, and fearless channeling, Rueckert invited Brodsky to co-channel a conversation between their spirit teachers, Q'uo and Aaron. Developed from the transcripts of nine weekends of joint channeling, *The Aaron/Q'uo Dialogues: An Extraordinary Conversation between Two Spiritual Guides* offers teachings from a "positive polarity" perspective, and provides answers to a wide range of spiritual questions, such as: • "What is the spiritual path and how do we live it?" • "Why do seemingly bad things happen to people who are trying to follow the dictates of love?" • "How do we open the heart?" Offering wise solutions to the major problems that prevent people from living with more awareness and compassion, these conversations offer the spiritual seeker a valuable template for a life of spiritual peace. Barbara Brodsky is a nationally known Buddhist teacher and the founder of Deep Spring Center. [www.deepspring.org](http://www.deepspring.org). Carla L. Rueckert is best known for her channeling of *The Law of One*, also called *The Ra Material*. [www.llresearch.org](http://www.llresearch.org)

**Meditations for Self-discovery** Shepherd Hoodwin 1995 Meditation is becoming increasingly popular, with both groups and individuals. Corporations are finding that meditation increases productivity. School teachers are using meditation with children, and doctors are recommending it for their patients. There are many approaches to meditation, but they fundamentally fall into two categories: guided and unguided. Unguided meditation is free form-one simply seeks to empty the mind and come into the present moment. Guided meditation is directed - one invites particular experiences. Guided meditation audio recordings abound. However, *Meditations for Self-Discovery: Guided Journeys for Communicating with Your Inner Self* is one of the first collections of guided meditations in book form. It is perfect for group facilitators who would rather lead meditations themselves than play recordings. For individuals, these "journeys" can be read silently as meditations or poetry, or be read aloud and recorded - it has been found that listening to guidance in one's own voice can make it more powerful. These meditations are designed take readers and listeners to new places within themselves, helping them feel uplifted and energized. Afterward, the meditation experience can be interpreted like dreams, providing insight into where one is mentally, emotionally, and spiritually. There are forty-five meditations in this ebook, each lasting about fifteen minutes, although they can be shortened or extended to meet the needs of those using them. Titles include "Journey Through Your Mind," "The Crystal Cave," "Visiting Venus," "The Angel's Gift," "A Friend Across the Universe," and "The Great Mother." *Meditations for Self-Discovery* is a valuable tool for leaders of personal growth groups, including support and therapy groups, healing circles, and classes of all kinds. The meditations can promote relaxation and self-knowledge, as well as help bring their group together. Doctors, nurses, therapists, and other healers can use the imagery in this book to create a healing atmosphere in their patients and among their staff. Members of the clergy may wish to use this book with their congregations. Children love meditation, and the vivid images in *Meditations* can stimulate their imagination as well as their self-knowledge - parents or teachers can invite children to draw, dance or

musicalize what they experienced in meditation, and can discuss their experience with them afterward. *Soul Self* Jack Stephens 2012-06-01 In *Soul Self: How to Tame Your Mind, Uncover Your Blueprint, and Live Your Purpose*, purpose coach Jack Stephens explains, with crystal clarity, how to bring your Soul, ego-mind and body into balance and alignment, and gives wisdom seekers practical tools to make lasting change for a brighter life. Divided into three clear sections, *Distinguishing Between the Ego and Soul*, *Finding Your True Voice*, and *Being Your Self: Acting On Your Soul's Direction*, *Soul Self* offers valuable insight into how to access and embody higher states of awareness, turn knowledge into wisdom, and shift from ego-driven to Soul-guided living, creating greater happiness and prosperity. "Jack Stephens' *Soul Self* engaged me with wisdom I found throughout the pages. He starts off with a wonderful and instructional analogy about a horse and its rider (as it relates to your personal journey through life). Then a few pages later you get to "Pebbles: A Fable." This simple, powerful story is worth the price of admission alone. The wisdom in just these three pages will do wonders for your spiritual journey if practiced. *Soul Self* contains very important lessons and simple yet essential practices on "what to do" when you experience conflict between the ego mind and your real Self. If you're looking for guidance about your Soul's Blueprint, or just need a reminder, you'll find helpful, confirming, and inspiring answers in *Soul Self*." *Spiritual Liberation* Michael Bernard Beckwith 2009-10-06 A spiritual leader featured in *The Secret* challenges readers to search within themselves for the key to unlocking their future and changing their lives in amazing ways, in a book that teaches inner spiritual work, rather than religiosity or dogma, and is structured around the key themes of transformation, peace, abundance, and more. Original. *Psychic Psychology* John Friedlander 2011-08-09 Two of America's most experienced and respected psychic teachers present their system of the subtle energy of interpersonal relationships in a book that will appeal to anyone wishing to understand and improve their relationships within their families, partnerships, workplaces, and wider communities This useful guide from two of America's preeminent psychics is unique in its focus on individual psychology and interpersonal relationships. It begins with simple meditations during which practitioners learn how to recognize their own psychic energy—and also determine if that energy is constrained. *Psychic Psychology* shows how to free energy through such tools as grounding, clearing psychic enmeshment, and finding the space from which to respond most openly, resourcefully, and generously to life. An entire chapter is devoted to exploring the specific energies men and women have based on their biological differences and helping them to deal with their own energy and that of the other sex. Friedlander and Hemsher present the everyday usefulness of clairvoyant skills within a big picture where they explain that we create our reality, but do not control it; and that the personality—like the soul—is eternal and always growing. The final section describes how psychic skills can be applied in real-world contexts, which are often ambiguous and contradictory. The book explores common issues such as dealing with selfdoubt without jumping to unwarranted, blind confidence and how to communicate effectively, with clear boundaries.

**Channeling** Jon Klimo 1998-04-17 In this study of channeling, earlier called spirit communication or mediumship, Klimo, who teaches at Rosebridge Graduate School in the San Francisco Bay Area, writes with clarity about "the communication of information to or through a physically embodied human being from a source...on some other level or dimension of reality other than the physical as we know it." He profiles recent channels and their sources, goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as Moses, Solomon, Muhammad, Merlin, Nostradamus, Swedenborg and

Edgar Cayce. He discusses the sorts of people who are channels, kinds of information channeled, sources of information channeled and varieties of channeling like clairvoyance and automatic writing. According to Klimo, few people tap into their abilities to perform channeling and for those who think they can, he serves as guide.

Through compelling profiles of people who knowingly planned the experiences mentioned above, *Your Soul's Plan* shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the “other side.” Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise *Your Soul's Plan* help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of *Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born*, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. There's also a chapter about the pre-birth planning we do with our future pets. Robert Schwartz is a hypnotherapist who offers general Spiritual Guidance Sessions, Past Life Soul Regressions, and Between Lives Soul Regressions. **Handbook to the Afterlife** Pamela Rae Heath 2011-07-05 In *Handbook to the Afterlife*, two seasoned experts with decades of experience working with channeled material describe the stages that spirits go through, focusing on the details that these accounts have in common. Just as life itself has different stages of growth and development, so most accounts of the afterlife are consistent with the authors' view that dying and rebirth are also continuous processes. Beginning with the moment of death itself, progressing through different transitional stages, and ending with the return of spirits to the physical plane, authors Pamela Heath and Jon Klimo define the purposes and pitfalls of each stage. They look at the kinds of adjustment problems that occur in each phase, and how spirits can be helped to move forward. Questions of pain and emotional state at the time of death, karma, and reincarnation are sensitively addressed. The book

includes practical techniques for opening up communication with those who have passed on to the other side. While of interest to anyone seeking a general overview of the subject, Handbook to the Afterlife is particularly useful for those dealing with spirits who have not moved on, such as ghosts.
