**Jacob's Transgression** Michelle Hobbs 2012-09 Revelation may be a secret that seems impossible to penetrate, but anything is possible with God's wisdom. God reveals his Word to those whose hearts belong to him. Therefore, eventually leaving no mysteries left unknown. The Word of God will be fulfilled, and his purpose will be achieved. Mankind does have a set time when we will lose the dominion God has given us in this age. Why? We are killing each other and destroying the earth. Immorality is thriving. God's truth is a rarity. Therefore, in the near future, God will initiate the sounding of his trumpets. The first trumpet will begin the countdown for us to make reconciliation with God, at least for anyone who has not. This is accomplished through the blood of Christ. We are the last-days generation. The seals have taken us to the doorstep of the tribulation. Our hope lies in the resurrection of Jesus Christ. His glory is in God's called, chosen, and faithful holy ones. We must seek and return to our Creator.

**Speeches of Deception** Salomon Ruysdael 2003-02 It has been said that Saddam Hussein held an almost hypnotic force over the Iraqi people when he spoke. Without a doubt, this volume reveals that Saddam is an amazing orator who uses his special talent to oblige a nation to do his bidding. This book is a window into the present where we can witness the power Saddam Hussein's words had over the masses. The consequences of a nation of a world rested upon this unique blend of propaganda and emotion. No one should forget the devastation brought about by President Saddam Hussein and this collection of 27 Speeches by the dictator is a unique opportunity to experience how words can be used to incite a nation. A work of this sort will give the reading public direct access to Saddam Hussein's Dictatorship, which the reader in turn can closely study, by making use of the bibliographic material that is listed. This is a vitally important avenue to provide the reading public.

**Sheriff of Babylon (2015-) #3** Tom King 2016-02-03 The epic, brutal crime tale continues. In the power vacuum left after the American invasion of Iraq, no one is safe. *The Babylon Code* Paul McGuire 2015-10-06 What if God embedded a code in the Bible that could only be cracked in the end times--a prophetic cypher that reveals how the four blood moons and the biblical Shemitah are just signs of the beginning of end-time events? Unlocking a great mystery that has puzzled scholars for nearly two thousand years, THE BABYLON CODE reveals how powerful forces are now at work to create a global government, cashless society, and universal religion as predicted by the prophets. The result of a five-year journalistic investigation, THE BABYLON CODE takes readers on a spellbinding journey to explore the link between the world's most secret organizations, the Bible's greatest prophetic riddle, and what world-renowned evangelist Billy Graham describes as a convergence in end-time signs for the first time in history. This prophetic mystery book pieces together the apocalyptic puzzle--uncovering what may be not only the biggest story and political scandal in modern history, but also the secret to both our survival and our salvation.

*Mystery Babylon* Joel Richardson 2017 Mystery Babylon is an in-depth look at the prophecy of Revelation 17 and 18. Richardson dissects the longest prophecy in the New Testament - the final chapters of the Bible - in order to make sense of these deeply elusive and profoundly controversial passages.

*The Second Coming of Babylon* Mark Hitchcock 2003-02-14 The Bible says that Babylon will be rebuilt and become the economic center of the world. Even now the ruins of the ancient city - just sixty miles south of Baghdad, Iraq - are quietly stirring. What does it mean for America? For Israel? For every person alive today? Are we living in the last days of earth as we know it? Find out, from Bible prophecy expert Mark Hitchcock. . . 1. How the focus of the world will shift back to Babylon 2. How Antichrist will make Babylon his capital 3. How the kingdoms of earth will fade as Babylon rises 4. How the false powers of Antichrist will grow 5. How prophecy will be fulfilled - and Babylon finally destroyed!

**God's Plan for the Ages, 2nd Edition** David Reagan 2020-08-02 What is the destiny of planet earth? What is going to be the fate of mankind? We don't have to guess! The Bible spells out God's plan for the ages in great detail through prophecies given thousands of years ago. In this book, Dr. David Reagan presents a panoramic survey of the fundamentals of Bible prophecy, with a focus on the prophecies that relate to the end times. In the process, he reveals God's plan for the redemption of mankind and the restoration of the creation. The book is written in a down-to-earth, easy-to-understand style. Although all the chapters relate to the overall theme, each chapter is designed to stand alone. This makes it possible for you either to read the book straight through or to skip around, reading only those chapters whose topics appeal to you.

**Saddam's Word** Ofra Bengio 2002 By analyzing political terms, concepts, and idioms as used by Saddam Hussein and the Ba'th regime, author Ofra Bengio illuminates Iraq's political culture and the events that these expressions have both reflected and shaped.

*The Sheriff of Babylon* Tom King 2018 "The Sheriff of Babylon created by Tom King and Mitch Gerads."

*Chronicles of the End Times* Mark Davidson 2018-10-05 Mark Davidson, author of Daniel Revisited, has created a unique interpretation of end-time Bible prophecy using the ancient concentric reading method known as chiasmatics. Lost centuries ago, it was rediscovered by seminary scholars in the eighteenth century. This reading method reveals the form of the scripture text via the flow of its words, giving us a heightened sensitivity to the words in the text. When combined with the words' meanings, we receive a greater understanding of prophetic scripture. In Daniel Revisited, Davidson showed us the four signposts—four events prophesied in Daniel 7 and 8 and Revelation 6—to occur in the Middle East prior to the Rapture and Tribulation. Now in Chronicles of the End Times, chiastic reading has been applied to all of Daniel, Revelation, and other books, pulling back the veil further to expand our view from four events to all the main events, from the Middle East to the ends of the earth. A chiastic reading of Daniel, Zechariah 1-6, Matthew 23-25, and Revelation—all shown in ninety illustrations—yields many solid answers to the following questions as well as to many others: — How do Daniel 2 and 7 interact, and why are the kingdoms, metals and beasts? — What's the purpose of Daniel's Aramaic chapters, and how do they affect the end times? — Which parts of Daniel 11 are to be fulfilled in ancient times versus end times? — What is the real identity of Mystery Babylon, and how does this help us in the end times? — How do the two scrolls of Revelation give greater understanding of the trumpets and bowls? — What are the Seven Events of the end times, and which one is next? This all may seem incredible for one book, but is nevertheless true. The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end-time prophecy.

**The Truth** Jack Shephard 2013-07 Did you know that Saddam Hussein, the man, is mentioned in the Bible

many times? "He shall come up out of a bottomless pit." Did you know that Osama bin Laden is also mentioned? "He shall cause fire to come down from the sky." You will find inside these pages what these two mythical figures mentioned in the Bible play in our history. Finally a book has been written that will explain once and for all the meanings to the symbols and events described for us in the Bible's Book of Revelation, often referred to as the "end times." The author is not going to try and fore-tell what these events mentioned in the Bible mean, as all other Christian books and movies have done, but rather will explain to us where these events have already been played out before our very own eyes. The author will explain what the 7 seals, trumpets, and vials mean in the Book of Revelation. These events have already been played out before our very own eyes. That's right. These events have already come and gone. And what about the twin towers? Are you ready?...

**A Study Guide for The Revelation of Jesus Christ** James H. Stone, Jr. 2014-01-21 THE SECOND COMING OF CHRIST - REV. 19:1-21 A. GENERAL - 1. Chapter 19 - brings to a close the Great Tribulation period (Daniel's 70th Week - Dan. 9:27) and ushers in the 2nd coming of Jesus Christ. 2. Christ promised he would come again (John 14:3). 40 days after his resurrection (Acts 1:3), Christ ascended into heaven from the Mount of Olives; just East of Jerusalem (Acts 1:9). Two angels told the apostles Jesus would return in like manner (Acts 1:11). In Rev. 19:11-16, Christ returns with armies of saints and angels. 3. The prophecies of Zechariah will be fulfilled: "Thus says the Lord: I am returned to Zion and will dwell in the midst of Jerusalem..." (Zech. 8:3); "And his feet shall stand in that day upon the Mount of Olives, which is before Jerusalem on the East..." (Zech. 14:4). 4. In Chapter 19 - there are actually 2 scenes: 1 in heaven which is one of great joy and 1 on earth which is one of great judgment. B. JOY IN HEAVEN (REV. 19:1-10) - 1. SONGS OF THE SAINTS - REV. 19:1-6) - a. TIME SEQUENCE - (1) After this, I (John) heard - what sounded like the roar of a great multitude in heaven shouting: "Hallelujah - salvation - glory - power - belong to our God for true and just are his judgments - he has condemned the great prostitute (whore, KJV) - who corrupted the earth by her adulteries - he has avenged on her the blood of his servants!" (Rev. 19:1-2). NOTE: "After this" refers to the destruction of the apostate religious system in Rev. 17 and the corrupt commercial system in Rev. 18. In Rev. 18:20 the call to rejoice was issued; now we have the response to that call.

**Saddam: King of Terror** Con Coughlin 2009-10-13 Insightful, penetrating, and shocking, the defining biography of Iraq's deposed tyrant Drawing on an unparalleled network of sources, contacts, and firsthand testimonies, Con Coughlin takes us to the center of Saddam Hussein's complex, bewildering regime -- and beyond. Fully updated and revised, *Saddam: His Rise and Fall* meticulously describes how Hussein took power and immediately set about controlling every aspect of Iraqi life. Coughlin examines Hussein's regime both before and after its fall, exploring the contradictions of Saddam's private life: his sponsoring of Islamic fundamentalism while whiskey drinking and womanizing as well as his reliance on and celebration of family negated by his violent and temperamental treatment of them. With evidence from family members, servants, and staff, *Saddam: His Rise and Fall* is unique in its close-up representation of this elusive and secretive world. In all-new chapters and an epilogue, and with shocking new disclosures, Coughlin also vividly recounts the last few months of Saddam's reign and his eventual capture by American forces.

**Last Days Madness** Gary DeMar 1999-08 Last Days Madness explains the most difficult prophetic passages clearly and concisely. Gary DeMar sheds the light on Daniel 7:13-14; 9:24-27, Matthew 16:27-28, 2 Thessalonians 2; 2 Peter 3:3-13 and dozens more. He identifies the Beast, the Antichrist, and the Man of Lawlessness, and clears the haze regarding Armageddon, the rebuilding of the temple, the meaning of 666, and much more. This ground breaking book is guaranteed to make you think and is your survival guide and spiritual compass to insure you escape the paralysis of last days madness.

**Iraq: From Sumer To Saddam** Geoff Simons 1993-11-29

**Babylon by Bus** Ray LeMoine 2007-07-31 This all-access, inside-out view of what the American occupation

of Iraq really looks like on the ground is the story of two young Americans who went to Baghdad without any real plan and discovered they weren't the only ones. Underqualified but ingenious, Ray and Jeff found work with the Coalition Provisional Authority providing humanitarian aid to the Iraqi people amid an appalling atmosphere of corruption, incompetence, and horror. Gritty and irreverent, this is a wild ride inside the Red Zone and a strikingly original portrait of the real Iraq.

**Unveiling the Mysteries of the Last Days** David A. Hamblin 2010 Since being written, the end-time prophecies of the Bible have been shrouded in mystery. Our world is now inundated with book after book on the subject of end-time interpretation. Often, the most important aspects of the Bible's prophecies are twisted or changed to fit the needs of a Hollywood movie. Expertly sifting through the modern fog covering these important prophecies, David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times. Using the proven techniques of the scientific method, David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy. Beginning with a solid faith in the Bible as the infallible Word of God, he now presents his findings in God's Prophetic Timeline. Never before has there been such a clear and concise presentation of God's timeline for the future, along with many passages that David admits we cannot yet understand. Written for the minister and layperson alike, it begins by explaining the church age and progresses through each of Revelation's seven phases, ending with new heaven and new earth. His approach details even subtle prophetic material, including Israel's future wealth, the world war it triggers, and Jesus' coronation. Don't be puzzled any longer by confusion on the subject of prophecy. Leave behind the many contradictory theories propagated by the misinformed. Follow along as God's Prophetic Timeline shows you, in detail, the tested, validated, and unified understanding of the Bible's prophecies.

**Sheriff of Babylon Vol. 2: Pow. Pow. Pow.** Tom King 2017-02-07 The celebrated series THE SHERIFF OF BABYLON by Tom King continues and follows a Florida cop turned military consultant. Chris came to Iraq in the aftermath of the 2003 American invasion to train a new generation of post-Saddam police. But the murder of one of his recruits has uncovered a vast web of secrets and lies-one that ties the old regime, the new government, the American military, the criminal underworld and the jihadist network together in a nightmarish tangle of death and deception. Fortunately, Chris isn't cutting through the chaos alone. Old-school Baghdad cop Nassir and political power player Sofia each have their own reasons to see the murderer brought to justice. Together, the trio has tracked down the man responsible: the lethal insurgent commander Abu Rahim. Now, as the investigation builds to its explosive climax and their diverging agendas begin to pull them apart, Chris, Nassir and Sofia are about to discover that nothing about the murder, the mastermind or the men behind the scenes is truly as it seems. Written by rising comics star and CIA veteran Tom King (BATMAN) and gorgeously illustrated by Mitch Gerads, THE SHERIFF OF BABYLON VOL. 2: POW. POW. POW. brings one of the decade's most critically acclaimed series to its stunning conclusion. Collects issues #7-12.

**Piercing the Future** William T. James 2000-03 Nineteen authorities in the field carefully examine prophecies past, present and future, and how those matters will most likely impact your life.

**The Theory of Livevolution** Robert Roselli 2008-11 There is a drive for a "New World Order" afoot and it's not an accident. The modern day descendants of the Moneychangers and allied fake religious leaders or Pharisees of Jesus' day are tying up some loose ends (2008). The introduction lays the groundwork for the rest of the book. Section 1 (posted on my website THEorYofLIVEvolution.com for length purposes) establishes the unique reality of Biblical Christianity. This is very important since a firm belief in a benevolent Creator is the only thing that stands between us and "Them" at this point. Section 2 points out the world is about to be plunged into a "New World Order" of Biblical proportions. If you think this scenario is outlandish, the "free" U.S., non-coincidentally, meets every one of the criteria for atheistic Communism listed in Marx's "Communist Manifesto." As Section 3 discusses, what "They" have planned for you on "Mother Earth" (if you're worthy of "evolution" at least) is the Nazis on steroids. My name is Robert Roselli and I am a licensed professional engineer in three states and hold an MS degree in civil engineering. I say this only to establish myself as a logically and scientifically grounded thinker. I desire no fame or profit for this endeavor. Any monies collected from this book beyond personal expenses will be donated equitably to links that appear at the end of my website site. Let this book be the introduction into the way the world

really works and "de-tox" much of the Orwellian re-education we've all been fed by the establishment owned education system and mainstream news. After you're done reading this introduction to the way the world really works please spend some time on my website and related links to keep abreast of our steadily unraveling descent "Into the Mouth of Madness."

**Trumping Democracy** Chip Berlet 2019-12-05 Since 2014, over 80 people have been killed in the United States of America by Right-wing terrorists. In 2016 Donald Trump was elected President of the United States and received substantial support from White nationalists. This book explains the increase in violent White nationalism and Trump's ascendancy in the context of the backlash against the presidency of Barack Obama. It demonstrates how there is a dynamic relationship between the Republican Party, various Right-wing populist movements, and the Right. Far Right social movements, political campaigns and the online presence of the so-called 'alt-Right' are all discussed. The book argues that unfair hierarchies of race, gender, and class are not aberrational tremors in America, but the fracturing bedrock of a nation in which being White, male, Christian, or straight no longer ensures a stable floor for power, status, or privilege. This is vital reading for students, researchers, and activists interested in American politics and the dangers of Right-wing movements and political parties.

**A Woman Rides the Beast** Dave Hunt 1994-08-15 Are you missing half the story about the last days? Virtually all attention these days is focused on the coming Antichrist—but he is only half the story. Many people are amazed to discover in Revelation 17 that there is also another mysterious character at the heart of prophecy—a woman who rides the beast. Who is this woman? Tradition says she is connected with the church of Rome. But isn't such a view outdated? After all, today's Vatican is eager to join hands with Protestants worldwide. "The Catholic church has changed" is what we hear. Or has it? In *A Woman Rides the Beast*, prophecy expert Dave Hunt sifts through biblical truth and global events to present a well-defined portrait of the woman and her powerful place in the Antichrist's future empire. Eight remarkable clues in Revelation 17 and 18 prove the woman's identity beyond any reasonable doubt. A provocative account of what the Bible tells us is to come.

**The Persian Gulf Crisis and the Final Fall of Babylon** Noah W. Hutchings 1990

**Islam in the Eyes of the West** Tareq Y. Ismael 2010-07-02 From the terrorist attacks of September 11, 2001 in New York to the Madrid and London bombings of 2004 and 2005, the presence of Muslim communities in the West has generated security issues and major political concern. The government, the media, and the general public have raised questions regarding potential links between Western Muslims, radical Islam and terrorism. This speculation has given rise to popular myths concerning the Islamic world and led to a host of illiberal measures such as illegal warranting, denial of Habeas Corpus, "black prisons" and extreme torture throughout the democratic world. This book challenges the authenticity of these myths and examines the ways in which they have been used to provide an ideological cover for the "war on terror" and the subsequent Iraq war. It argues that they are not only unfounded and hollow, but have also served a dangerous purpose, namely war-mongering and the empowering of the national-security state. It further considers the origin and transmission of these myths, focusing on media, government policy and popular discourse.

**The Future of Our Nation** Alvin R. Ervin 2021-08-30 This book is in the epistle form, written just as the Bible. When the apostles wrote letters to the various churches, those letters are epistles. Those epistles were not only written to those particular churches. They were also written to the entire body of Christ (the modern-day church today). This book is written in the same manner. It was written to a man of God whom I honored highly. He is no longer with us now. He was the president of Southwest Radio Church Ministries, but like all other epistles, it's also written to all churches, every person in this nation, and nations through the planet. It opens with my testimony with regard to how and when I became a Christian. It goes on support David Barton's material entitled Our Godly American Heritage. It encourages godly people to obtain this material and all videos and books Mr. Barton's ministry has to offer. I included excerpts from this particular video to whet the appetite of the people of the US and all readers of the book. David Barton brings forth information regarding our history. He issues statistics differentiating how things are currently after prayer is removed from all schools and life in this nation when prayer was prayed by our students at all levels, even our little ones. It made a great difference spiritually and in other ways in the lives of God's people. (I am reaching out to the president currently on Facebook with regard to this matter. See ARE Outreach Facebook and Alvin Ervin Facebook if you like). This book also supports Vaughn Shatzer's material entitled A New World Disorder. He brings forth information regarding a new world order. We know this is in the work currently because President George H. W. Bush issued this statement to the American people in the late eighties, stating, "It is now time for a new world order." President Bill Clinton allowed Vice President Al Gore to make a statement on his behalf from England, declaring, "What was written with a quill pen is now outdated, we need to reinvent government." Our Constitution was written with a quill pen. There are those in this nation who are wanting to abolish it. But prayer is making a big difference. There are twenty-eight nations in Europe currently under one world currency. The book of Revelation reveals to us there will be one world order, meaning every nation on the planet will be under one world currency, one world military, and one world religion. But our prayer is that it does not occur until Christ raptures His church. This book concludes by informing God's people in this nation as well as nations throughout the earth that Christ is coming soon to catch His Bride away through the Rapture. The Word of God says in First Thessalonians 4:16-17, For the lord Himself shall descend from heaven with a shout, with the voice of the Archangel, and with the trump of God and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord. God's Word says in Matthew 24:32-35 that the generation that sees the fig tree take on its leaves shall not pass away until all things are fulfilled. The nation of Israel is the fig tree, and it took on her leaves in 1948 after lying dormant over two thousand years when the Roman general destroyed the Jewish Temple in AD 70. It discontinued the Jewish way of life. This book also concludes by teaching God's people from the book of Revelation chapter 13 regarding the one world order.
