Sources of Anglo-Saxon Literary Culture is a collaborative project that aims to produce a reference work providing a convenient summary of current scholarship on the knowledge and use of literary sources in Anglo-Saxon England. This first volume focuses on Abbo of Fleury, Abbo of Saint-Germain-des-Prés, and Acta Sanctorum while introducing the project as a whole, its aims, and its methods. Readers will find information on manuscript evidence, medieval library catalogs, Anglo-Latin and Old English versions, citations, quotations, and direct references to authors and works under appropriate subject headings. Discussions of source relationships, accompanied by relevant bibliography, weigh and consider differing interpretations and possibilities for future research. The extensive entry on Acta Sanctorum may serve in effect as an introduction to hagiography in Anglo-Saxon England. An international team of editors and contributors has written entries for this project, which received substantial funding from the National Endowment for the Humanities in its initial phases.

Saint-Germain-des-Prés John Baxter 2016-11-08 From the bestselling author of *The Most Beautiful Walk in the World* comes this first book in an exciting new series of narrative "biographies" of Paris's great neighborhoods, beginning with Saint-Germain-des-Prés—the city's "rebel quarter," for centuries a center of artistic, intellectual, and revolutionary activity and home to some of Paris's most iconic cafes and shops. For many years, Saint-Germain-des-Prés has been a stronghold of sans culottes, a refuge to artists, a paradise for bohemians. It's where Marat printed *L'Ami du Peuple* and Thomas Paine wrote *The Rights of Man*. Napoleon, Hemingway, and Sartre have all called it home. Descartes is buried there. Now bestselling author and Paris expert, John Baxter takes readers and travelers on a narrative tour of Saint-Germain-des-Prés, which is also where Baxter makes his home. Tucked along the shores of the Left Bank, Saint-Germain-des-Prés embodies so much of what makes Paris special. Its cobblestone streets and ancient facades survive to this day, spared from modernization thanks to a quirk in their construction. Traditionally cheap rents attracted outsiders and political dissidents from the days of Robespierre to the student revolts of the 1960s. And its intellectual pedigree boasts such luminaries as Pablo Picasso, Arthur Rimbaud, F. Scott Fitzgerald, Simone de Beauvoir, Gertrude Stein, and Albert Camus. Baxter reveals all, guiding readers to the cafes,

gardens, shops, and monuments that bring this hidden history to life. Part-history, part-guidebook, Saint-Germain-des-Prés is a fresh look at one of the City of Light's most iconic quarters, and a delight for new tourists and Paris veterans alike.

Metro Stop Paris Gregor Dallas 2009-05-26 A history of Paris in twelve métro stops. *Métro Stop Paris* recounts the extraordinary and colorful history of the City of Light, by way of twelve Métro stops—a voyage across both space and time. At each stop a Parisian building, or street, or tomb or landmark sparks a story that holds particular significance for that area of the city. Dallas takes us to the jazz cellars and literary

cafés of Montparnasse and Saint-Germain-des-Prés; the catacombs at Hell's Gate; and the Opéra during the days of Claude Debussy. A darker side of Paris emerges at the Trocadéro stop and a charitable side at the Gare du Nord, which highlights the work of Saint Vincent de Paul. Finally, our journey ends at Père-Lachaise cemetery with the little-known story of Oscar Wilde's curious involvement in the Dreyfus affair, one of France's greatest legal scandals. From Hell (the Denfert-Rochereau stop on the south side of the city) to Heaven (the Gare du Nord at the north end of Paris), *Métro Stop Paris* carries readers on a journey of the heart and mind. *Métro Stop Paris* is a thinker's guide to Paris made up of "slices of life," little vignettes drawn from Paris's two thousand years of history. Taken separately, these are charming historic tales about a city known and loved by many, but read as a whole *Métro Stop Paris* goes straight to the heart of what is quintessentially Parisian.

Viking Attacks on Paris Abbo (Monk of St. Germain) 2007 In 885 AD, the Vikings laid siege to Paris, to which a young monk named Abbo, of the abbey of Saint-Germain-des-Prés, stood as witness. Later, he came to make a record of what he saw, heard and believed in a verse chronicle, the *Bella parisiaca urbis*. His often stirring account speaks of the relentless and ingenious attacks of the Norsemen, the selfless heroism of the defending Frankish warriors, and the misery and terror of the besieged Parisians. But his canvas is far larger than this single occurrence, for he hints at greater things yet to come, such as the final disintegration of Carolingian rule, the eventual establishment of the Capetian line of monarchs, and the creation of a French Danelaw, namely, Normandy. Ultimately, however, Abbo is not concerned with an impartial narration of events, but rather with salvation through history - of the individual and of the nation of the Franks. The macaronic style of his chronicle very much appealed to the sensibilities of the time, thus ensuring that Abbo's work would endure.

What Is It about Paris and Fashion? Bénédicte Burguet-Journé 2021-09-23 "If you are lucky enough to have lived in Paris as a young man, then wherever you go for the rest of your life, it stays with you, for Paris is a moveable feast," Ernest Hemingway once said. Bénédicte Burguet-Journé explores the perennial question of what is it about Paris that makes it so unique, so inspiring, and attractive for creatives from all around the world. The book presents a series of leisurely interviews with leading fashion designers: Jean-Charles de Castelbajac, Maroussia Rebecq, Kym Ellery, Bruno Frisoni, Jean Paul Gaultier, Martin Grant, Guillaume Henry, Journ/né, Christelle Kocher, Rabih Kayrouz, Julie de Libran, Roland Mouret, Vanessa Seward, Junko Shimada, Alexandre Vauthier. In the prologue, Olivier Saillard muses about the impact fashion has had on the city's urban canvas, and how it all started with an Englishman. In the epilogue, Sarah Andelman, former founder and artistic director of the infamous Parisian shop *colette*, pays tribute to the light and sense of freedom that goes hand in hand with the Parisian spirit. About the author As a journalist and editor, Bénédicte Burguet-Journé has been a specialist lifestyle writer for *Le Figaro* and a lifestyle and fashion editor for *Vanity Fair France*; she is also a political correspondent for *Shanghai Daily*. Burguet specializes in fashion, jewellery, and watches, attending all the major fashion weeks and luxury fairs. www.benedicte-burguet.com

Travels with a Donkey in the Cévennes Robert Louis Stevenson 1879 "We are all travellers in what John Bunyan calls the wilderness of this world-all, too, travellers with a donkey: and the best that we find in our travels is an honest friend. He is a fortunate voyager who finds many." -Robert Louis Stevenson, *Travels with a Donkey in the Cévennes* (1879) *Travels with a Donkey in the Cévennes* (1879) is a classic of travel literature by Robert Louis Stevenson about his 12-day, 120-mile walking tour in the French Cévennes mountain range, accompanied by his donkey, Modestine. This book is one of the first to present hiking and camping as recreational activities, and is as influential as Stevenson's fiction.

My Place at the Table Alexander Lobrano 2021 In this debut memoir, a James Beard Award-winning writer,

whose childhood idea of fine dining was Howard Johnson's, tells how he became one of Paris's most influential food critics Until Alec Lobrano landed a job in the glamorous Paris office of *Women's Wear Daily*, his main experience of French cuisine was the occasional supermarket éclair. An interview with the owner of a renowned cheese shop for his first article nearly proves a disaster because he speaks no French. As he goes on to cover celebrities and couturiers and improves his mastery of the language, he gradually learns what it means to be truly French. He attends a cocktail party with Yves St. Laurent and has dinner with Giorgio Armani. Over a superb lunch, it's his landlady who ultimately provides him with a lasting touchstone for how to judge food: "you must understand the intentions of the cook." At the city's brasseries and bistros, he discovers real French cooking. Through a series of vivid encounters with culinary figures from Paul Bocuse to Julia Child to Ruth Reichl, Lobrano hones his palate and finds his voice. Soon the timid boy from Connecticut is at the epicenter of the Parisian dining revolution and the restaurant critic of one of the largest newspapers in the France. A mouthwatering testament to the healing power of food, *My Place at the Table* is a moving coming-of-age story of how a gay man emerges from a wounding childhood, discovers himself, and finds love. Published here for the first time is Lobrano's "little black book," an insider's guide to his thirty all-time-favorite Paris restaurants.

Into A Paris Quartier Diane Johnson 2007-06-12 As a child, Diane Johnson was entranced by *The Three Musketeers*, dashing 17th-century residents of the famous romantic quartier called St.-Germain-des-Prés. Now, the paperback edition of her delightful book will take even more Americans to the richly historic part of the city that has always attracted us, from Ben Franklin in the 18th-century to raffish novelist Henry Miller in the 20th. Modern St.-Germain is lively and prosperous, and fifty years ago its heady mix of jazz and existentialism defined urbane cool, but Johnson takes a longer view. "Beside the shades of Jean-Paul Sartre and Edith Piaf," she writes, "there is another crowd of resident ghosts... misty figures in plumed hats whose fortunes and passions were enacted among these beautiful, imposing buildings." From her kitchen window, she looks out on a chapel begun by Reine Margot, wife of Henri IV; nearby streets are haunted by the shades of two sinister cardinals, Mazarin and Richelieu, as well as four famed queens and at least five kings. Delacroix, Corot, Ingres, David, and Manet all lived in St.-Germain; Oscar Wilde died there; and everybody who was anybody visited sooner or later. With her delicious imagination and wry, opinionated voice, Diane Johnson makes a companionable and fascinating guide to a classic neighborhood as cosmopolitan as it is quintessentially French.

The Most Beautiful Walk in the World John Baxter 2011-05-24 Thrust into the unlikely role of professional "literary walking tour" guide, an expat writer provides the most irresistibly witty and revealing tour of Paris in years. In this enchanting memoir, acclaimed author and long-time Paris resident John Baxter remembers his yearlong experience of giving "literary walking tours" through the city. Baxter sets off with unsuspecting tourists in tow on the trail of Paris's legendary artists and writers of the past. Along the way, he tells the history of Paris through a brilliant cast of characters: the favorite cafés of Ernest Hemingway, F. Scott Fitzgerald, and James Joyce; Pablo Picasso's underground Montmartre haunts; the bustling boulevards of the late-nineteenth-century flâneurs; the secluded "Little Luxembourg" gardens beloved by Gertrude Stein; the alleys where revolutionaries plotted; and finally Baxter's own favorite walk near his home in Saint-Germain-des-Prés.

A Corner in the Marais Alex Karmel 1998 A Corner in the Marais traces the architectural and social development of the City of Lights from its origins as a Roman settlement, through major redevelopments brought about by Henri IV and Baron Haussmann, to the present renovation of old neighborhoods. It begins with Alex Karmel and his French wife realizing a longstanding dream: buying an apartment in the Marais, Paris's celebrated historic district, the site of some of its oldest and most picturesque buildings. It soon becomes clear that their new home, which has witnessed six centuries of French life, offers a fresh and lively vantage point from which to view the city's history, revealing information that will surprise even the most confirmed Francophile. The book concludes with a "walking tour" of the Marais, in which the principal buildings are discussed with brisk authority. Karmel never loses sight of the human details - whether royal feuding, commercial advantage, or family chicanery - that have played their role in shaping Paris as we now know it. Illustrated throughout with photographs and period engravings, A Corner in the Marais is ideal reading for anyone who loves exploring the hidden byways of vieux Paris and experiencing history from a very personal viewpoint.
