[St. Thérèse of Lisieux, Her Last Conversations](#) Saint Thérèse (de Lisieux) 1977 Those who attended St. Thérèse of Lisieux during her last illness were living in the company of one of God's "greatest" saints, one prepared for our times. Fortunately for us they did not simply listen to her conversations, but wrote down what they remembered. This volume brings together their reports of Thérèse's "final words" during her last months, including some of her most famous sayings, such as "I will spend my heaven doing good on earth." **Lessons from Saint Thérèse** John Paul Thomas 2017-10-30 "I will spend my Heaven doing good on Earth!" For more than a century, Saint Thérèse of Lisieux, also known as "The Little Flower," has captivated countless minds and hearts. Her simple and pure heart burned with a deep love for our Lord, and that love overflowed into the lives of many. She daily inspired those who knew her, and she continues to inspire those who read her story. Her autobiography captures the beauty and profundity of her love in the most tender and affectionate way. Her story reveals how devoted she was to Jesus and how she longed to be with Him forever in Heaven, even from the earliest moments of her childhood. This book offers 99 short lessons,

reflections and prayers from the life of Saint Thérèse of the Child Jesus and the Holy Face. The lessons are based upon Saint Thérèse's own words as she shared her faith and her heart in the pages of the three manuscripts of her autobiography: "Story of a Soul." Each subsequent reflection attempts to capture one of her countless virtues so as to savor the "fragrance" of this precious little flower of God and to apply it to the reader's daily life. The prayer to conclude each lesson is not written only to be read, it is written to be prayed. You may find it helpful to pray that prayer slowly and meditatively at the end of each lesson and return to that prayer at the end of each day, especially to the prayers that are most pertinent to your life. The reader might wish to use this book as a daily reflection book, reading one lesson each day. Doing so will allow you to ponder one lesson from her saintly life at a time, so as to absorb the sweetness of her love and the depth of her life. However, you might find it just as beneficial to read several lessons at a time. This book is not intended to be a "onetime read." Rather, the lessons we learn from Saint Thérèse's life are worth absorbing many times over. The reflection and prayer after each lesson make this book a helpful source of daily self-examination and prayer throughout life. You who are parents might also find the lessons of St. Thérèse of benefit in the formation of your children. Telling Little Thérèse's stories will inspire and challenge your children as they grow and mature in their own lives of faith.

**The Prayers of Saint Therese of Lisieux: The Act of Oblation** St. Therese of Lisieux

2013-09-19 Translated by Aletheia Kane, OCD  
 Complete collection of Thérèse's independent prayers, translated from the critical edition, with 9 pages of photos. "For me," wrote Thérèse of Lisieux toward the end of her life, "prayer is an aspiration of the heart, it is a simple glance directed to heaven, it is a cry of gratitude and love in the midst of trial as well as joy; finally, it is something great, supernatural, which expands my soul and unites me to Jesus." Besides the countless spontaneous prayers found throughout her autobiography, letters, poetry, and plays, St. Thérèse left behind 21 additional independent prayers, from every period of her life, here collected for the first time. In this book we find prayers to the Infant Jesus and the Holy Face, prayers to Mary and the saints, prayers composed in joy and sorrow, prayers written for her novices and missionary brothers. All of them reflect the Saint's passionate love of God, which she wished to share with friends near and far. The highlight of this volume is the first critical text of Thérèse's famous "Offering to Merciful Love," fully annotated. Ample background materials explain the setting and significance of each prayer. Scholars will find here essential new information for the study of the Saint's doctrine; general readers will find this book an indispensable resource for learning to pray as Thérèse did. "It is prayer, it is sacrifice which give me all my strength; these are the invincible weapons Jesus has given me. They can touch souls much better than words."

**The Little Flower** Mary Fabyan Windeatt  
 1992-03 The story of St. Therese, for children 10 and up, and of her "Little Way of Spiritual Childhood," whereby she would say "yes" to whatever Our Lord asked of her, and how she thereby became a great Saint.

Saint Thérèse of Lisieux Guy Gaucher, O.C.D.  
 2019-11-06 Written by a foremost expert on the life of the beloved St. Thérèse of Lisieux, this work is widely considered as the most definitive and popular presentation of her life. St. Thérèse is the most popular modern saint of our times. Who was this young French Carmelite who died in 1897 of tuberculosis at age twenty-four? At a time when extreme physical penance was widespread in many religious orders, Thérèse

would have none of it. Her passionate love of Jesus led her to concentrate entirely on him rather than on personal austerities. Misunderstood in her own community but now universally loved, she left behind her autobiographical, best-selling book, *The Story of a Soul*, which captured with rapture her passionate love of Christ and the spirituality of "the little way" - that all of us can live out the ideal of doing everything with love for God and become saints. Based on Thérèse's famous notebooks, letters, poems, plays, and prayers, *Story of a Life* reveals her true face: the Thérèse who detested "old wives" devotions; the Thérèse who longed passionately to be priest, martyr, and apostle - and could still fall asleep over her prayers in chapel. The truth of her life is that God can take a psychologically fragile adolescent and turn her into the greatest saint of the 20th century because, in Thérèse's own words, "I have never relied on myself, only on Jesus."

**Story of a Soul The Autobiography of St. Therese of Lisieux [The Authorized English Translation of Thérèse's Original Unaltered Manuscripts]** St. Thérèse of Lisieux (the Little Flower)

2013-09-21 Translated from the critical edition by John Clarke, OCD, 3rd ed. (1997). Includes Bibliography, general Index, and 11 photos. Two and a half years before her death in 1897 at the age of 24, as Thérèse Martin began writing down her childhood memories at the request of her blood sisters in the Lisieux Carmel, few could have guessed the eventual outcome. Yet this "story of my soul," first published in 1898 in a highly edited version, quickly became a modern spiritual classic, read by millions and translated into dozens of languages around the world. Decades later, in response to growing requests from scholars and devotees of the Saint, a facsimile edition of the manuscripts appeared, along with more popular French editions of what the Saint had actually written. Here, expressed with all of Thérèse's original spontaneity and fervor, we rediscover the great themes of her spirituality: confidence and love, the "little way," abandonment to God's merciful love, and her "mission" in the church and world today. Father John Clarke's acclaimed translation, first published in 1975 and now accepted as the standard throughout the

English-speaking world, is a faithful and unaffected rendering of Thérèse's own words, from the original manuscripts. This new edition, prepared for the centenary of the Saint's death, includes a select bibliography of recent works in English on Thérèse, along with a new referencing system now widely used in studies of her doctrine.

**The Smallest Spark** John D Wright 2021-06-09

It seems safe to say that everyone who has walked this earth at some point in their lives, by varying degrees, has had experiences of darkness and futility, especially in a world that has been constantly plagued by war, famine, and disease. No matter how many years go by, the cycle appears to repeat itself. Many of us hopefully have not and will not have to experience the ravages of earthly war, famine, and disease, but we inevitably must come face to face with the cycles of darkness and futility that can creep into our hearts when confronted by our own weaknesses and failures. As these cycles continue, we may start to doubt there is any significance to our lives and a fire we may have once felt in our hearts turns to smoke and ashes. We may even feel discouraged by our simple ordinariness. Thérèse Martin was all too familiar with these cycles. From a very early age, she felt a call to greatness, but at each stage of her life was met with seemingly insurmountable obstacles in addition to the constant misunderstanding of others. Even in success, she still felt the weight of her weakness and the monotony of everyday life. With time, however, this young woman learned how to turn her weakness and ordinariness into the very weapons that would enkindle that fire in her heart which we all crave, and, in turn, set aflame countless hearts who have come to know of her. This book provides a creative multi-perspective narrative of the development of this spark that changed an unknown ordinary girl into the Greatest Saint of Modern Times.

**The Story of a Soul** Saint Therese of Lisieux

2018-04 Born Marie Françoise-Therese Martin, Saint Therese of Lisieux in her twenty-four short years, through her simple and practical approach to spiritual life, left one of the most lasting impressions upon the Catholic world. In the view of Pope Saint Pius X, she was the greatest saint of modern times, and along with Saint Francis of Assisi, remains to this day as one of the popular saints in the history of the church. Contained here is her autobiography, in the words of Francis Cardinal Bourne, "It is the old story of simplicity in God's service, of the perfect accomplishment of small recurring duties, of trustful confidence in Him who made and has redeemed and sanctified us. Humility, self-effacement, obedience, hiddenness, unfaltering charity, with all the self-control and constant effort that they imply, are written on every page of the history of this little Saint. And, as we turn its pages, the lesson is borne in upon our souls that there is no surer nor safer way of pleasing Our Father Who is in Heaven than by remaining ever as little children in His sight." This edition of "The Story of a Soul: The Autobiography of Saint Therese of Lisieux" is printed on a premium acid-free paper.

**Saint Thérèse of Lisieux** Didier-Marie Golay 2021-06-22 Thérèse of Lisieux is one of the most popular modern saints in the world, but the details of her life and spirituality are still not widely known and are somewhat of a mystery even to her devoted followers. With over 150 stunning photographs, in-depth text, and plentiful sidebars on history, geography, and themes, this gorgeous work helps us enter into the universe of the greatest saint of modern times to discover the simplicity, yet depth of her daily life and of her relationships, both human and spiritual. It invites us to a personal encounter with Thérèse, who once wrote, I am your sister, your friend; I will always watch over you. It invites us also to discover her appealing and rich spirituality of the little way. Patroness of missions, Doctor of the Church, this Carmelite sister, who died at only twenty-four, has not ceased to surprise us and to spread her powerful message of love and trust across the world. Her whole life of can be encapsulated in her poem Living on Love: a passionate love of Christ lived out in the everyday, in the joys and trials of life, in inner and outer sufferings. Living on love is a

spiritual program for life, but to live it requires a special grace for which we must ask, especially through the intercession of the Little Flower of Jesus. This unique, very beautiful and moving work will inspire readers to desire to imitate St. Thérèse in living on love.

*Autobiography of St. Therese of Lisieux* Saint Therese 2012-06-01 2012 Reprint of 1958 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. St. Therese of Lisieux, "The Little Flower," was recently declared a Doctor of the Church by Pope John Paul II, the third woman to receive this honor in 2000 years. She thus ranks with such intellectual and theological giants as St. Augustine and Saint Thomas Aquinas. This elevation is all the more astonishing when we consider her background; born to a bourgeois family in provincial 19th century France, she entered a cloistered convent at the age of 15, and died in obscurity at age 24. The posthumous publication of her spiritual journals created a sensation in the Catholic world comparable to that produced in the postwar world by "The Diary of Ann Frank." Adopted as a universal "little sister" by the French soldiers of World War I, St. Therese's naive, charming, but profound words were carried next to many an infantryman's heart. Therese's story and the effect of her powerful personality and passionate devotion have lost none of their force. "At last I have found my calling," she declared. "My calling is love." The core of her spiritual message, the "little way" is the recognition that any act, no matter how trivial, is infinitely valuable if done out of love. Her influence on other great 20th century figures such as Theresa of Calcutta and Edith Stein is obvious. This is a unique book, to be read with pleasure, with joy, and with the assurance of great spiritual benefit. The homely and human details of Therese's short life lead to the path of enlightenment. In her memoirs, she describes spiritual life: she lived each day with an unshakable confidence in God's love. "What matters in life," she wrote, "is not great deeds, but great love." Therese lived and taught a spirituality of attending to everyone and everything well and with love. She believed that just as a child becomes enamored with what is before her, we should also have a childlike focus and totally attentive love. Therese's spirituality

is of doing the ordinary, with extraordinary love.

*The Plays of Saint Thérèse of Lisieux* Saint Thérèse of Lisieux 2008 Over a period of about three years toward the end of her life, St. Therese of Lisieux (1873-1897) was asked by her Carmelite superiors to compose eight theatrical pieces for special occasions in her convent. She did not consider them mere trivial amusements. On the contrary, Therese invested herself wholeheartedly in the writing and performance of these little dramas, which provided a welcome opportunity to articulate her growing spiritual insights and share them with her religious community. Here we find echoes of her great themes, some where developed at greater length than anywhere else in her writings: Mary of Nazareth and Joan of Arc, humility and the little way, confidence and love, and so much more. In the present volume, for the first time, all eight of

her plays (or pious recreations, as they are sometimes called in the French) are published together in their entirety for English-speaking readers. They open a new window onto the message of the church's youngest Doctor. Also included is a masterful general introduction by the noted Theresian expert, Bishop Guy Gaucher, O.C.D., as well as individual introductions to each play explaining it in context and significance.

**Saint Therese of Lisieux, Little Flower** Victor Sanmiguel 1987

*The Love That Keeps Us Sane* Marc Foley 2000  
 Seeing life in light of Eternity This is not a book about using Thérèse's little way as a path to holiness. Thérèse's spirituality is often dismissed as cloyingly sweet and sentimental, useless for modern seekers. This new IlluminationBook uncovers how Thérèse's sweetness was just a stylistic convention expected in the religious writing of her day. Beneath the form, says the author, is a straightforward spirituality that offers a practical, concrete, and very realistic

method for preserving one's sanity in an often-insane world. At the heart of Thérèse's method is learning how to keep one's perspective by seeing all things in light of eternity, seeing all things the way God sees. This enables one to live more authentically and more attentively. The method helps readers to become involved in life without being absorbed by it, to love without becoming enmeshed, and to deal with life's absurdities without losing faith or peace of mind. Five simple everyday choices help foster this perspective and transform ordinary life into moments of true grace. Those already devoted to the Little Flower will love this fresh new look at her spirituality. In addition, the book makes for enlightening and perhaps surprising reading for pastors, clergy and religious, directors of religious ed, retreat directors, chaplains, and family counselors. The principle of viewing life in light of eternity can also provide comfort and relief for parents dealing with children, for those experiencing change or loss, and for people in therapy. +

*Therese of Lisieux* Thomas R. Nevin 2006-10-12  
 Thérèse of Liseux (1873-1897), also known as St Therese of the Child Jesus and the Holy Face, is popularly named the Little Flower. This work charts the development of Therese's career as a writer. It offers a different understanding of Therese as a theologian for whom love, rather than doctrines and creeds, was the paramount value.

**Story of A Soul, The Autobiography of St. Thérèse of Lisieux** Frances Cardinal Bourne 2021-01-28

*A Family of Saints* Stephane-Joseph Piat 2016-05-16 "God gave me a father and mother more worthy of heaven than of earth." —Saint Thérèse of Lisieux The recent, and unprecedented, canonization by Pope Francis of a husband and wife, Louis and Zélie Martin, the parents of Saint Thérèse, has stirred a great interest in this extraordinary family. This work, by the highly regarded expert on the Martin family, Father Stéphane-Joseph Piat, O.F.M, is the definitive biography of this amazing "family of saints". Saint Thérèse, a Doctor of the Church, wrote in her classic spiritual biography, *Story of a Soul*, how important her family life was in setting the foundation for her spiritual life. She grew up in a close family, where the deep love of

parents and children for God, neighbor, and each other was the very heart of their home and family life. This family of saints, who lived in the late 1800s and early 1900s, might appear from their quaint photographs to have lived a relatively serene and smooth path to sainthood, untarnished by modern problems. But, as this book shows, the reality is quite the opposite. They suffered from the loss of four children, the failure of a family business, and the death of Zélie, at forty-five, to breast cancer. The secret to their happiness then is the secret to our happiness now--unfailing love made possible by boundless faith in God. All the challenges the Martins faced, great and small, were met with a profound trust in Divine Providence. Illustrated with 8 pages of photographs

*A Compendious Critical Life of St. Thérèse of Lisieux* Saint Thérèse (de Lisieux) 1928

[Story of a Soul: The Autobiography of Saint Therese of Lisieux](#) Saint Therese of Lisieux 2015-06-22 As we become acquainted with the histories of those in whom, in long succession, God has been pleased to show forth examples of holiness of life, it seems as if every phase of human existence had in the history of the Church received its consecration as a power to bring men nearer to their Maker. But there is no limit to the types of sanctity which the Creator is pleased to unfold before His Creatures. To many, on reading for the first time the story of Sister Teresa of the Child Jesus and of the Holy Face, it came almost as a shock to find a very youthful member of an austere Order, strictly retired from the world, engaged in hidden prayer and mortification, appearing before us to reveal to the whole world the wonders of the close intimacy of friendship to which her Divine Spouse had been pleased to call her. Certainly the way by which Soeur Thérèse was led is not the normal life of Carmel, nor hers the manner whereby most Carmelites are called to accomplish the wondrous apostolate of intercession to which their lives are given. But no less certain is it that, in her particular case, her work for God and her apostolate were not to be confined between the walls of her religious home, or to be limited by her few years on earth.

**The Trial of Faith of Saint Thérèse of Lisieux** Frederick L. Miller 1998 This work uses the lens of the life of Saint Therese of Lisieux to

focus on the coredemptive role all Christians are called upon to play by virtue of their baptism.

**Saint Thérèse of Lisieux** Kathryn Harrison 2003-01-01 Saint Thérèse of Lisieux, largely unknown when she died in a Carmelite convent at the age of twenty-four, became--through her posthumously published autobiography--one of the world's most influential religious figures. In *Saint Thérèse of Lisieux* Kathryn Harrison reveals the hopes and fears of the young girl behind the religious icon. Saint Thérèse of Lisieux shows us the pampered daughter of successful and deeply religious tradespeople who--through a personal appeal to the pope--entered a convent at the early age of fifteen. There, Thérèse embraced sacrifice and self-renunciation in a single-minded pursuit of the "nothingness" she felt would bring her closer to God. With feeling, Harrison shows us the sensitive four-year-old whose mother's death haunted her forever and contributed to the ascetic spirituality that strengthened her to embrace even the deadly throes of tuberculosis. Tellingly placed in the context of late-nineteenth-century French social and religious practices, this is a powerful story of a life lived with enormous passion and a searing, triumphant voyage of the spirit.

**The Story of a Soul: the Autobiography of St. Therese of Lisieux** St. Therese Lisieux 2013-02-15 The Story of a Soul is the autobiography of Thérèse of Lisieux. It was first published on September 30, 1898, a year to the

day after her death from tuberculosis at the age of 24, on September 30, 1897. It quickly became a publishing phenomenon however and Sister Thérèse of the Child Jesus was canonised in 1925.

The Life of St. Thérèse of Lisieux August Pierre Laveille 2017 This remarkable biography of Thérèse of Lisieux, one of the most popular Catholic saints of all time, was commissioned by her sister and religious superior and was the first published in English in 1928. Msgr. August Pierre Laveille was able to portray Thérèse, as well as her parents Zélie and Louis who were canonized in 2015, with exquisite detail, having interviewed those who knew them best. When the autobiography of the life of Thérèse of Lisieux, *Story of a Soul*, was first published a year after her death in 1898, the response was immediate and overwhelming, with tens of thousands of copies of her book sold in just a few short months. It was decided that an official biography should be written from the documents that had been gathered on the life of Thérèse Martin, whose cause for canonization was taken up without the customary fifty year waiting period. First published in French in 1925, the first English edition became available in 1928. This exhaustive record of the life of one of the most beloved of all Catholic saints includes biographical information about her parents and grandparents, her early years at home, her years in the cloister, her illness and death, and information about the miracles attributed to her after her death, when she made good the promise on her deathbed that she would "spend her heaven doing good on earth."

Mornings with Saint Therese Patricia Treece 2014-03-17 Mornings with Saint Therese is a compilation of short excerpts (no more than 1-3 pages) taken from the Little Flower's writings and also from those of her close family members and friends. This hardcover book is beautifully designed inside and out, making it a perfect gift for those you love, or as a daily tool for deepening your own spiritual life — all for just \$12.95! The following passages have been carefully selected as examples of the countless pearls of wisdom to be found in this special book. On Mortification "I resolved to lead a life of greater devoutness and mortification than ever before. When I speak of mortification, I

don't mean the kind of penance practiced by the saints. There are great souls who practice every sort of mortification from childhood, but I am not like them." "All I did was to break my self-will, check a hasty reply, and do little kindnesses without making a fuss about them — and lots of similar things. So, I prepared myself to become a bride of Jesus." Give, with No Thought of Results! On working with the Carmelite novices: "I throw to the right and the left to my little birds the good seed that the good God puts in my little hand. And then, the seed does what it will!" "I don't concern myself about it.

Sometimes the results are as if I had thrown nothing; other times, something good results. But the good God says to me, 'Give, give always without concerning yourself with results.'" Keeping the Fire of Love Burning "When I am feeling nothing, when I am incapable of praying, of practicing virtue, then is the moment for seeking opportunities, 'nothings' which please Jesus more than mastery of the world when suffered with generosity." "For example, a smile, a friendly word, when I would want to say nothing, or put on a look of annoyance, etc." Infinite Love "Oh! How beautiful is our religion; instead of contracting hearts (as the world believes), it raises them up and renders them capable of loving, or loving with a love almost infinite, since this love must continue after this mortal life which is given to us only for meriting the homeland of heaven, where we shall find again the dear ones whom we have loved on earth! Wanting Only to Die of Love "How gentle and merciful God is...I no longer want anything except to love until I die of love. I am free and fear nothing. I am not even afraid — and it used to be my greatest fear — that my illness will drag out and make me a burden to the community." "I do not refuse the struggle: 'The Lord is a rock upon which I stand; He teaches my hands to fight and my fingers to war. He is my protector and I have hoped in Him.'"

*The Story of a Soul* Therese of Lisieux 2017-03-10 The Story of a Soul By St. Therese of Lisieux Donations from the sales of this edition go to ProLife At the age of 14, on Christmas Eve in 1886, Therese had a conversion that transformed her life. From then on, her powerful energy and sensitive spirit were turned toward love, instead of keeping herself happy. At 15, she

entered the Carmelite convent in Lisieux to give her whole life to God. She took the religious name Sister Therese of the Child Jesus and the Holy Face. Living a hidden, simple life of prayer, she was gifted with great intimacy with God. Through sickness and dark nights of doubt and fear, she remained faithful to God, rooted in His merciful love. After a long struggle with tuberculosis, she died on September 30, 1897, at the age of 24. Her last words were the story of her life: "My God, I love You!"

The world came to know Therese through her autobiography, "Story of a Soul". She described her life as a "little way of spiritual childhood." She lived each day with an unshakable confidence in God's love. "What matters in life," she wrote, "is not great deeds, but great love." Therese lived and taught a spirituality of attending to everyone and everything well and with love. She believed that just as a child becomes enamored with what is before her, we should also have a childlike focus and totally attentive love. Therese's spirituality is of doing the ordinary, with extraordinary love. She loved flowers and saw herself as the "little flower of Jesus," who gave glory to God by just being her beautiful little self among all the other flowers in God's garden. Because of this beautiful analogy, the title "little flower" remained with St. Therese. Her inspiration and powerful presence from heaven touched many people very quickly. She was canonized by Pope Pius XI on May 17, 1925. Had she lived, she would have been only 52 years old when she was declared a Saint.

My mission - to make God loved - will begin after my death," she said. "I will spend my heaven doing good on earth. I will let fall a shower of roses." Roses have been described and experienced as Saint Therese's signature. Countless millions have been touched by her intercession and imitate her "little way." She has been acclaimed "the greatest saint of modern times." The Story of a Soul (l'Histoire d'une me) is the autobiography of Thrse of Lisieux. It was first published on September 30, 1898, a year to the day after her death from

tuberculosis at the age of 24, on September 30, 1897. The book was a single volume formed from three distinct manuscripts - manuscripts of different length, written at different times, addressed to different people, and differing from one another in character. The work of unifying these disparate manuscripts was carried out by Pauline, the sister of Thrse. It was initially published with a limited audience in mind, the Carmelite convents and certain religious personalities, and just 2000 copies of the 475 page book were printed.[1] It quickly became a publishing phenomenon however and Sister Thrse of the Child Jesus was canonised in 1925.

[A Little White Flower](#) Saint Thérèse (de Lisieux) 1925

**A Month of Prayer with St. Therese of Lisieux** Wyatt North 2020-11-14 Saint Therese of Lisieux (1873-1897)—also known as Therese of the Child Jesus and the Holy Face—lived a short life. She died at the age of twenty-four from consumption—what we now call

tuberculosis. However, in her short life, she inspired many nuns in the Carmelite community of Lisieux, Normandy. She was canonized by Pope Pius XI in 1925 and wrote much regarding the path of humility and holiness befitting a Christian. She was acquainted with temptation and tribulation and learned to find joy in many sufferings. She was one of the most honored saints throughout the twentieth century, and her words still ring true today, inspiring Christians, young and old, who might hope to follow her path of piety.

*Saint Thérèse the Little Flower* John Beevers 1992 The story of this life is a marvel---a miracle--of divine grace. For the life of St. Therese is the lesson to all men of spiritual greatness to be achieved by all our perfect love of God and total consecration of all our actions, and His greater honor and glory.

**The Story of a Soul** St Therese of Lisieux 2009-10 If you are looking for inspiration in your daily life this book will deliver. St. Therese of Lisieux, the Little Flower of Jesus, gave the world a precious gift in putting her life and mission to paper. It doesn't matter where you are in life - this little saint, a sheltered nun in her early twenties, will touch your very heart and soul with her simplicity and honesty. As she pours out her innermost thoughts and longings on the pages, you will find your own heart opening in the same way to Jesus - like a flower opens to the warmth of the Sun. The spiritual depth of Therese's work is astounding. Her inspiring autobiography brought the greatest of popes to their knees - such is the power of God working through even the humblest of vessels. This book will change you for the better, as it has thousands of other souls before you.

**The Story of a Soul** St. Thérèse of Lisieux 2010-04 The Story of a Soul conveys St. Thérèse of Lisieux's "Little Way" of spiritual childhood - her "elevator" to Heaven, as she called it. This method was approved by Pope Pius XI as a way for all to grow in holiness through unfailing confidence and childlike delight in God's merciful love. Again and again in this book, St. Thérèse shows us how her "Little Way" of love and trust comes straight from Sacred Scripture. This book belongs in every Catholic home, for Pope St Pius X stated St. Thérèse of Lisieux the "greatest Saint of modern times". This is the

original TAN edition now with updated typesetting, fresh new cover, new size and quality binding, and the same trusted content. Spiritual Childhood Vernon Johnson 2001 St. ThErEse of Lisieux, now a Doctor of the Church, summarized her spirituality in these simple but profound words, "My Little Way is all love." Her complete and unshakable trust in the love of God our Father was the foundation of her spiritual life, a childlike relationship with our Creator that raised her to the heights of sanctity in only 24 years of life. ThErEse's spirituality, her Little Way of Spiritual Childhood, is one that can be imitated and practiced by all souls, no matter what their state in life. Her spirituality has been recognized by the Church as a special gift from God for ordinary people everywhere to reach heroic sanctity. Msgr. Vernon Johnson, a famous convert and apostle of St.ThErEse, presents in this book the most clear, practical and yet profound explanation of this "little way," a way to perfection that changed his life and the lives of countless others. Johnson summarizes the spiritual approach of St. ThErEse in these three words: Love, Humility, Confidence.
