Seven Wives and Seven Prisons L. A. Abbott 2018-08-07 Seven Wives and Seven Prisons: Large Print By L. A. Abbott SOME one has said that if any man would faithfully write his autobiography, giving truly his own history and experiences, the ills and joys, the haps and mishaps that had fallen to his lot, he could not fail to make an interesting story; and Disraeli makes Sidonia say that there is romance in every life. How much romance, as well as sad reality, there is in the life of a man who, among other experiences, has married seven wives, and has been seven times in prison-solely on account of the seven wives, may be learned from the pages that follow. I was born in the town of Chatham, Columbia County, New York, in September, 1813. My father was a New Englander, who married three times, and I was the eldest son of his third wife, a woman of Dutch descent, or, as she would have boasted if she had been rich, one of the old Knickerbockers of New York. My parents were simply honest, hard-working, worthy people, who earned a good livelihood, brought up their children to work, behaved themselves, and were respected by their neighbors. They had a homestead and a small farm of thirty acres, and on the place was a blacksmith shop in which my father worked daily, shoeing horses and cattle for farmers and others who came to the shop from miles around. The Prison Experience Merry Morash 2002-12-02 Confined to an institution and further burdened by patriarchal assumptions and stereotypes, incarcerated women struggle to retain a sense of self-worth for

themselves and often for their children. Scholarship on the subject typically has either ignored or trivialized the role of gender as an organizing feature of society. The result is a lack of emphasis on the role played by gender in the lives of women in a correctional setting. In this theoretically informed and empirically grounded textbook, Morash and Schram explain the realities of prison life for women from a feminist perspective. The hope for reform begins with an informed public so that a system premised on deterrence and punishment can also offer opportunities for rehabilitation.

Seven Wives and Seven Prisons Or Experiences in the Life of a Matrimonial Monomaniac. a True Story - L. A. Abbott L.A. Abbott 2010-02-16 A passage from the book...From New York I went to Troy, and at the hotel where I stopped I became acquainted with a woman who told me that her husband was in the Insane Asylum at Brattleboro, Vt. She was going to see him, and if he was fit to be removed, she proposed to take him home, with her. I told her of the success I had had in taking care of two men at Newbury and Montgomery; and how I had traveled about the country with them, and with the most beneficial results to my patients. She was much interested, inquired into the particulars, and finally thought the plan would be a favorable one for her husband. She asked me to go with her to see him, and said that if he was in condition to travel he should go about with me if he would; at any rate, if he came out of the Asylum she would put him under my care. We went together to Brattleboro, and the very day we arrived her husband was taken in an apoplectic fit from which he did not recover. She carried home his corpse, and I lost my expected patient.

As the first book to explore the concept of global aesthetics in political prison narratives, it makes a timely contribution to the advocacy and discourse of universal human rights by demonstrating how literary insight enhances the study of this field and encouraging comparative analyses and cross-cultural understanding.
