**Guide to Adapting
Instructions on Condom Use**
1992

The Safer Sex Condom Guide
for Men and Women 1987
*How to Persuade Your Lover to
Use a Condom-- and why You
Should* Patti Breitman 1994
Explains the role of condoms in
preventing the spread of AIDS
and other venereal diseases,
and tells how to introduce the
subject and convince a lover of
the importance of safe sex
The Condom K. April 1992
Recent studies on HIV infection
prevention show that the
assumption that condoms
provide reliable protection
against infection with HIV to
be a dangerous illusion. The
statements and conclusions in
this book are all based on 48
medical studies, the references
of which are given at the end of

the book.

About Condoms and Safer Sex
Channing L. Bete Co 1991
Guide to Adapting Instructions
on Condom Use Barry Leonard
1992-11-01 An increasing
number of programs are
distributing condoms for family
planning &/or the prevention of
sexually transmitted diseases
(STDs), including AIDS. Since
condoms are effective only if
used properly, it is necessary
to supply clear instructions to
condom users, to help new
users learn how to use
condoms, and reassure
experienced users that they are
using them correctly. This
report proposes two versions of
a flyer that illustrates and
explains proper condom use. It
was developed by the WHO to
be adapted by nat. programs
for use in their own country.
Also includes step-by-step
instructions on how to adapt
the flyer to the cultural
conditions of any country. It
can also be used by anyone
that wants to develop condom
instructions.

Wilson 2021-04-29 It's human nature to be curious about sex, and the curiosity doesn't stop even if you're having it multiple times a day, seven days a week, etc. Like all things, no one wants to get into a rut, and incorporating new techniques and tricks is part of what keeps sex so refreshing and intimate. Sure, sex has been around forever, and the never-ending curiosity gap around it is part of what makes it such a dynamic part of our lives. It's also only logical that we humans would be constantly thinking and wondering about it. Are we all doing it? If so, how often? Are we doing it correctly? What else is there to try? Is everyone having one kind of sex that I'm not? The good news is, as long as it's consensual, safe, and healthy, you're good. Part of the beauty of sex is that it's so subjective. Just because one person loves BDSM-style sex, doesn't mean other people can't enjoy vanilla sex. You can always evolve your sexual tastes and proclivities, and that's kinda what makes it great.

Experimentation is part of being a sexual being. To help you make sure your bedroom action is as pleasurable as possible. here is a complete sex guide book for you to get started

[The Condom Guide](#) Hea 1996-11-01

[The Safer Sex Photobook](#)

Wieland Speck 1991-06-01 This photobook is the first of its kind. It presents an illustrative dimension to the basic rules of safer sex. These rules were first established as guidelines by government authorities, AIDS foundations and family planning clinics. More and more sexually active people are recognizing the importance of these rules and are learning to put them into practice. Using condoms is not always as easy as one might think. The best thing you can do is play around with them -- both alone and with others. This book will help you to discover new means of sexual gratification, which at the same time will make you a better practitioner of safer sex.

Safer Sex Diane Richardson

1990 This is a practical manual

for women on sexual practice with an emphasis on minimizing the risk of pregnancy. It describes ways to explore needs and desires; recommends openness with the sexual partner and provides a guide to the best condoms and lubricants. The author aims to reassure and surprise women who are worried that sexual activity in the age of AIDS needs to be restricted. She has also written *Women and the AIDS Crisis*.

The Condom 1988

Condoms and Sexually Transmitted Diseases ... Especially AIDS. 1990

Dr. Ruth's Guide to Safer Sex
Ruth Karola Westheimer 1992
Describes the risks of AIDS and other sexually transmitted diseases for both heterosexuals and gays, and discusses condoms, changes in sexual behavior, and other precautions that can be taken to avoid AIDS

Safe Sex James Brackett
1991-01-01

Doctor Ruth's Guide to Good Sex

footprint in the world as one of the UK's original respondents to the AIDS crisis, Vernal also happens to be a very beautiful man, inside and out. With HIV and STI infection rates on a steep rise in the UK, especially amongst gay and bi men, this well timed portfolio of sexy personal photos, combined with frank, 'street language' messages, successfully captures all aspects of safer sex and how we can thoroughly enjoy ourselves. Whilst unequivocally praising "the mighty power of the simple condom," Scott also deliberately sets out to lift the self-esteem of the reader, by encouraging them to love themselves and make healthy decisions. He proclaims, "the only great orgasm is a safe one." This 90-page guide is relevant to all sexually active men, whether or not they have HIV. In fact, Vernal clearly states: "Someone's HIV status is irrelevant if you are enjoying safe sex, so there is no reason to discriminate, ever!" He advocates regular testing for HIV and other infections, and

adds, cheekily, "If you're shy about raising the subject of safer sex with a current or new partner, just drop this booklet in his lap." The undertone of good humour helps to remove any fear from the principal underlying message: safer sex is to be enjoyed! So, whip out the ice cream, honey, condoms and lube! This tastefully presented guide deserves to be on every coffee table or bedside cabinet. Get it today - and play safer! Vernal Scott is also the author of the compelling non-fiction book, *God's Other Children - A London Memoir*; described as "a brilliant, shocking, informative, graphic, and darkly entertaining autobiography." Check out excerpts and reader reviews here on Amazon or at www.VernalScott.com

Never Too Late Shannon Dowler 2023-02-14 The ultimate—and fun!—guide to maintaining vibrant sexual health with aging. In *Never Too Late*, Shannon Dowler, MD, a family physician who is also an expert on sexually transmitted

diseases (STD), provides a refreshing overview of sexual education for people over 55. With the advent of dating apps, vibrant 55+ retirement communities, and sexual enhancement drugs, adults are sexually active well into their golden years. Unfortunately, the rates of STDs are dramatically increasing in older adults. In entertaining, accessible language, Dr. Dowler presents relatable patient stories and hilarious rhymes that make for an easy and fun way to learn about safe sex. This guide covers important topics, including: • How to identify the signs and symptoms of different STDs, including newer infections • The importance of regular screening • Best sexual practices, including guidance on medications • Preventative measures, tests, and treatments • Guidance on how to broach difficult conversations with romantic partners and doctors • Details about changing sexual trends, including dating apps, swinging, and normal aging

changes that may impact your sexuality • Conditions commonly confused with sexually transmitted infections, such as urinary tract infections, tick-related infections, and forms of dermatitis • Common misconceptions, myths, and assumptions • Advice on seeking medical care when uninsured or financially limited Never Too Late will help you take charge of your sexual health and learn how to protect yourself and your current and future partners.
