*Seventeen Syllables* Hisaye Yamamoto 1994 On the surface, "Seventeen Syllables" is the story of Rosie and her preoccupation with adolescent life. Between the lines, however, lurks the tragedy of her mother, who is trapped in a marriage of desperation.

**The Seventeen Widows of Sans Souci** Charlotte Armstrong 2012-02-21 A middle-aged widow makes a new life in a strange apartment house. Nona Henry's husband is dead, and with him the life they spent years building in New York City. Unable to bear the Manhattan winter without him, Nona goes west to Pasadena, California, land of sun, sand, and rebirth. She finds a picture postcard advertising a boarding house called Sans Souci and, charmed by the elegant hotel's stately patio, makes a one-month reservation. Reality does not live up to the postcard. Sans Souci is dingy, cramped, and dark, a claptrap hotel full of shabby rooms whose windows overlook a run-down neighborhood. But Nona will not give in. Sixteen other widows live in the hotel. Some are lifers, some just passing through. In this eclectic mix of women whose men have gone, Nona finds a niche, and learns that the end of her old life can't stop her from beginning again.

At Seventeen Gerri Hill 2013-07-01 Madison Lansford and Shannon Fletcher met when they were ten years old. Madison—daughter of wealthy parents and Shannon, daughter of their live-in maid and cook—became fast friends, yet both knew their place in life. There was never a doubt that they would become lovers . . . there was also never a doubt that Madison would marry and maintain her social standing in the community. Little by little, they grew apart, their love affair ending with Madison's marriage and pregnancy. Now, years later, Shannon returns to her old hometown to care for her ailing mother. Can they rebuild their friendship? Or will their new-found closeness bring back memories of their long-lost love? Travel through the years with Shannon and Madison

and watch their love unfold as they move from teens to young women and into adulthood.

*Seventeen to Thirty-Seven* D.C. Happy Hermit 2012-10-24 In this collection of poems, there are some inspired by grief, some by love, one by a three-wheeler, my first car, and some just about thoughts and feelings. The first poem was written at the age of seventeen, the most recent, at the age of 37! When my nan died of lung cancer after a long battle, I found some way of expressing my emotions through writing poetry. Since then, my life has had many twists and turns but somehow, even after being diagnosed with thyroid disease and some sort of Bi-polar, I have settled down and decided to present my poems to anyone that finds them interesting. A friend of mine recently said that she enjoys reading the poems, as they make you think about things in a very different way. Maybe - sometimes life needs a 'flip-side'!

**Youth, Identity, and Digital Media** David Buckingham 2008 "The contributors explore how young people use digital media to share ideas and creativity and to participate in networks that are small and large, local and global, intimate and anonymous. They look at the emergence of new genres and forms, from SMS and instant messaging to home pages, blogs, and social networking sites. They discuss such topics as "girl power" online, the generational digital divide, young people and mobile communication, and the appeal of the "digital publics" of MySpace, considering whether these media offer young people genuinely new forms of engagement, interaction, and communication."--BOOK JACKET.

**Seven Going on Seventeen** Jacqueline Reid-Walsh 2005 The tween is the «new girl on the block» in girlhood studies. Although the study of tween life may have derived from a particular marketing orientation at the end of the twentieth century, it is not limited by it. On the contrary, this collection of essays shows that «tween» is not a simple or unified concept, nor is it limited to a certain class of girls in a few countries. This collection by an international group of authors highlights specific methodologies for working with (and studying) tween-age girls, provides challenges to the presumed innocence of girlhood, and engages in an analysis of marketing in relation to girlhood. In so doing, this book offers a reading on these three or four years in a girl's life that suggests that this period is as fascinating as the teen years, and as generative in its implications for girlhood studies as studies of both younger and adolescent girls.

**Seven to Seventeen** Alexander Dean 1935

My Last Day at Seventeen 2015 Doug DuBois was first introduced to a group of teenagers from the Russell Heights housing estate while he was an artist-in-residence at the Sirius Arts Centre in Cobh, on the southwest coast of Ireland. He was fascinated by the insular neighborhood, in which "everyone seems to be someone's cousin, former girlfriend, or spouse." Little can happen there that isn't seen, discussed, distorted beyond all reason, and fiercely defended against any disapprobation from the outside. DuBois gained entry when Kevin and Eirn (two participants of a workshop he taught) took him to a local hangout spot, opening his eyes to a world of not-quite-adults struggling -- publicly and privately -- through the last days of their childhood. Over the course of five years, DuBois returned to Russell Heights. People came and left, relationships formed and dissolved, and babies were born. Combining portraits, spontaneous encounters, and collaborative performances, the images in My Last Day at Seventeen exist in a delicate balance between documentary and fiction. A powerful follow-up to DuBois' acclaimed first book, All the Days and Nights, this volume provides an incisive examination of the uncertainties of growing up in Ireland today, while highlighting the unique relationship sustained between artist and subject. Exhibition: Sirius Arts Centre, Cobh, Ireland (10.2015).

A New English Dictionary on Historical Principles Bradley 1914

Voicing Girlhood in Popular Music Jacqueline Warwick 2016-06-10 This interdisciplinary volume explores the girl's voice and the construction of girlhood in contemporary popular music, visiting girls as musicians, activists, and performers through topics that range from female vocal development during adolescence to girls' online media culture. While girls' voices are more prominent than ever in popular music culture, the specific sonic character of the young female voice is routinely denied authority. Decades old clichés of girls as frivolous, silly, and deserving of contempt prevail in mainstream popular image and sound. Nevertheless, girls find ways to raise their voices and make themselves heard. This volume explores the contemporary girl's voice to illuminate the way ideals of girlhood are historically specific, and the way adults frame and construct girlhood to both valorize and vilify girls and women.

Interrogating popular music, childhood, and gender, it analyzes the history of the all-girl band from the Runaways to the present; the changing anatomy of a girl's voice throughout adolescence; girl's participatory culture via youtube and rock camps, and representations of the girl's voice in other media like audiobooks, film, and television. Essays consider girl performers like Jackie Evancho and Lorde, and all-girl bands like Sleater Kinney, The Slits and Warpaint, as well as performative 'girliness' in the voices of female vocalists like Joni Mitchell, Beyoncé, Miley Cyrus, Taylor Swift, Kathleen Hanna, and Rebecca Black. Participating in girl studies within and beyond the field of music, this book unites scholarly perspectives from disciplines such as musicology, ethnomusicology, comparative literature, women's and gender studies, media studies, and education to investigate the importance of girls' voices in popular music, and to help unravel the

complexities bound up in music and girlhood in the contemporary contexts of North America and the United Kingdom.

**Valley of the Shadows & Surrender** Rochelle L. Holt 2004-09-14

Valley of the Shadows is a duet of two novels, concerning the fickleness of pursuing fame in a society that measures success by media adoration. In the title novel, Marya Brooks, an experienced poet in her seventies, decides to practice amateur obeah (voodoo) to cast negative spells on her favorite top five poets, the thriving competition. Only when each poet begins to die mysteriously does she develop guilt for her actions. Her former student, H.D., believes her research can dispute Marya's fallacious theories. Surrender, the second poem-novel, alternates between viewpoints of Rory Pole, an aspiring songwriter, and her idol, country music rising star, Maggie Moore. Also set in the southeast, primarily on both coasts of southern Florida, Rory is bitter when she receives no response from Maggie but notices that lines of her poems begin appearing in the singer's songs. In both novels, all characters eventually give up illusions and false patterns of behavior in these chilling stories, regarding the relevance of mass recognition and inordinate acclaim and adulation. They are novels-of-the-future, in accord with Anais Nin's tenets that commingle art with moral issues for compelling psychological literature.
