**Old Cowboys Never Die** William W. Johnstone 2022-10-25 JOHNSTONE COUNTRY. THE GOLDEN YEARS. From the bestselling masters of the classic Western comes a blazing new series that proves that old cowboys

only get wiser, bolder--and crazier--with age . . . They say you can't teach an old dog new tricks. But old cowboys? That's a different story--especially when those cowboys are trail-hardened cattlemen like Casey Tubbs and Eli Doolin. When these longtime buddies learn that their bosses are getting out of the beef business, they figure it's probably time to retire anyway. Nothing left to do now but deliver the last two thousand cows to Abilene and collect their pay. There's just one problem. There's no money. The company's lawyer is skipping town with all the workers' cash--which means Casey and Levi have one last job to do . . . Steal it back. Sure, pulling off a robbery is a new challenge for these old boys. But they've learned a lot of tricks over the years--and they're one hell of a team. Casey is strictly no-nonsense, a let's-get-it-done kind of guy. Eli is more devil-may-care, a let's-have-some-fun troublemaker. Between the two of them, they devise a scheme to hold up the lawyer on the noon train and deliver the money to the men who earned it. There's just one catch: once they pull off the perfect crime--and get away with it--Casey and Eli start thinking they may have missed their calling in life. This could be the start of a whole new career . . . as outlaws. So begins the wild, wild story of Casey and Eli, two old cowboys who are one step ahead of the law--and the young deputy marshal who's determined to catch them. . . .

News of the World Paulette Jiles 2016-10-04 Soon to be a Major Motion Picture National Book Award Finalist—Fiction In the aftermath of the Civil War, an aging itinerant news reader agrees to transport a young captive of the Kiowa back to her people in this exquisitely rendered, morally complex, multilayered novel of historical fiction from the author of *Enemy Women* that explores the boundaries of family, responsibility, honor, and trust. In the wake of the Civil War, Captain Jefferson Kyle Kidd travels through northern Texas, giving live readings from newspapers to paying audiences hungry for news of the world. An elderly widower who has lived through three wars and fought in two of them, the captain enjoys his rootless, solitary existence. In Wichita Falls, he is offered a \$50 gold piece to deliver a young orphan to her relatives in San Antonio. Four years earlier, a band of Kiowa raiders killed Johanna's parents and sister; sparing the little girl, they raised her as one of their own. Recently rescued by the U.S. army, the ten-year-old has once again been torn away from the only home she knows. Their 400-mile journey south through unsettled territory and unforgiving terrain proves difficult and at times dangerous. Johanna has forgotten the English language, tries to escape at every opportunity, throws away her shoes, and refuses to act "civilized." Yet as the miles pass, the two lonely survivors tentatively begin to trust each other, forming a bond that marks the difference between life and death in this treacherous land. Arriving in San Antonio, the reunion is neither happy nor welcome. The captain must hand Johanna over to an aunt and uncle she does not remember—strangers who regard her as an unwanted burden. A respectable man, Captain Kidd is faced with a terrible choice: abandon the girl to her fate or become—in the eyes of the law—a kidnapper himself.

Satanta's Woman Cynthia Haseloff 1998-05 It was during the War Between the States that the Comanches and Kiowas decided to rid their land of invaders forever. War chief of the Kiowa, Satanta, has set his sights on Adrienne Chastain. Much of Adrienne's family is killed in the raid that follows, and she, her son, and two granddaughters are taken captive. How a fierce war chief and Adrienne, a Christian gentlewoman, come to love one another is an incredible story.

*The Massacre at Fall Creek* Jessamyn West 1975 Trial and conviction of five white men for the massacre of innocent Indians in 1824.

*South by Southwest* Johnny D. Boggs 2015-10-13 From a Spur Award-winning author comes a thrilling tale of faked deaths, runaway slaves, and revenge amid the Civil War. The only way to escape the purgatory that is the Florence Stockade is to die, so on February 3, 1865, Zebulon Hogan dies. Corporal Favour and Private Gardenhire, the only two soldiers of the 16th Wisconsin healthy enough to tote Zeb's wasted-away ninety pounds, wrap him in a dirty, stinking, and damp blanket, and carry him to the Dead House. It was typhoid pneumonia that got him, the soldiers told the Confederate guards. Zeb is buried in the prisoners' cemetery, but the grave is shallow and it's likely that the hogs rooting around will soon be sinking their teeth into his rotting flesh. Then, young Ebenezer Chase, a runaway slave, sees the shadowy figure of a hand clawing through the muddy dirt over that grave, like it's reaching to pull anybody nearby into the deepest part of Hades. Ebenezer's first impulse is to scream, to warn the soldiers in the Stockade of what is happening, but nothing comes out of his throat. Zeb Hogan has a mission far beyond

escaping from the Stockade. He has sworn an oath to other prisoners to pursue the traitorous Sergeant Ben DeVere, who traded blue for gray and is now a Confederate in Vicksburg, and kill him. The problem for Zeb is that he knows nothing of the surrounding country and is likely to be intercepted. Ebenezer, despite being a runaway slave and no less vulnerable to capture, does know the country. Perhaps they can join forces to get where each wants to go . . . Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West. Westerns—books about outlaws, sheriffs, chiefs and warriors, cowboys and Indians—are a genre in which we publish regularly. Our list includes international bestselling authors like Zane Gray and Louis L'Amour, and many more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

*Riders of Judgment* Frederick Feikema Manfred 2014-04 Here is a rich and serious novel of the violent West. Full of the authentic sounds and colors of Wyoming cattle country in the late nineteenth century, it tells the true story of a long-vanished time--the era of the cowhands and the bloody Johnson County range wars. *Riders of Judgment* centers on the three Hammett brothers and their cousin Rosemary, whom all three love. To the oldest brother, Cain, falls the lot of avenging the murder of his father, grandfather, and brother. Cain--who is in a sense a cowboy Hamlet--is torn by conflicts within himself. He desires peace yet is forced to wear a gun. He is a law-abiding man by instinct yet has to take the law into his own hands. He is loved by a woman but rejects her because he feels unworthy of her love. Then one spring morning the cattle barons invade his territory, and Cain's hesitancy vanishes. One man's inner struggle becomes a fight to turn the cattle kingdom into a free country for the small stockman. *Riders of Judgment* is the final book in Frederick Manfred's five-volume series, *The Buckskin Man Tales*.

**The Native American in Long Fiction** Joan Beam 2003 A companion guide

to the authors' 1996 work, *The Native American in Long Fiction: An Annotated Bibliography*, this supplement is a compilation of all identifiable novel-length fictional works by and about Native Americans published primarily between the years 1995 and 2002. Recently more Native Americans are writing their own stories and telling their contemporary experiences, and the novels included in this supplement reflect that shift. It identifies Native American authors who have written long fiction on themes relevant to their history, social conditions, culture, and people, and includes all works by non-Native American authors that either have Native Americans as central characters or Native American issues as central themes. Though it concentrates on fictional works published about native people in the United States and Alaska, it also includes many works that focus on tribes from other areas of North America, such as Canada, and includes all literary genres: mysteries, historical fiction, westerns, romances, and contemporary fiction. This is an imperative addition to the field that raises the awareness of Native American issues in either an historical context, a cultural or social context, or in contemporary society. For use by librarians and library collection development staff, teachers, educators and faculty in high schools and colleges, and by the general public eager to locate and identify novels on Native American themes. Includes short critical annotations, indexes by tribal affiliation, geographical location, time period, historical persons and events, a list of works not included, and a Best Books list of the authors' personal favorites.

He writes with depth, flavor, and color.” —Booklist Young Comanches Daniel Killstraight and Charles Flint have been called to Texas. Captain Pratt will be giving a talk on the transformations brought about by the Carlisle Industrial School, of which Killstraight and Flint are shining examples. They’ll be joining a Comanche delegation led by Quanah Parker, who will be negotiating grasslands leases—until blown-out gas lamps in Quanah Parker’s room kill a Comanche chief and put Parker in a coma. But the question of who tried to murder Quanah Parker is not an easy one. He had many enemies among both native and white men. Daniel attempts to unravel the mystery while fulfilling his original purpose in Texas—to support Captain Pratt’s talk. But he doesn’t know who to trust, especially as the list of suspects begins to dwindle. Will Killstraight figure out who is after Quanah Parker? Can the land disputes of the People be resolved? And will justice be served by the anti-Indian townspeople? Find out in Johnny D. Boggs’s novel *Kill the Indian*.

months. His mother is struggling to make ends meet on the family farm and abandoned sawmill near Poison Spring. All Travis really wants to do is to follow his passion—make up adventure stories in the style of Alexandre Dumas. But the Civil War keeps getting in his way. Since his mother hails from Illinois and has Abolitionist leanings, the Ford family—including Travis’ twin sister, Edith, and their seven-year-old brother, Baby Hugh—has few friends to turn to for help, only eccentric Miss Mary Frederick, who owns a cotton plantation down the road, and Uncle Willard Ford, a slave trader in nearby Camden. For the most part, Anna Louella Ford and her children find themselves alone, and they are about to become even more isolated.

**Summer of the Star** Johnny D. Boggs 2016-05-01 Recalling his early life as a young cowboy, sixty-two-year-old Madison Carter remembers his first love: her name was Estrella O’Sullivan, and he met her the summer he turned sixteen back in 1873. The summer of 1873 marked Madison’s last drive up what is now called the Chisholm Trail. It was the first time he tasted oysters and the only time he pinned on a badge. It was the summer of longhorns, miserable heat, friendship and betrayal, and murder. In the end it was the summer the whole world came crumbling down on the United States, and Madison’s world crashed too. The summer of 1873 was the year Madison watched a bunch of men die. One of them was a man he killed, an encounter one never forgets.
