Although wonderfully accepting, divine love is also intrusive, intimate, personal, and active. Instead of simply loving us as we are, God loves us

enough to change us. Powlison acknowledges four underlying truths of unconditional love, offers biblical improvements on the idea, and urges us to see God's love for what it really is—better than unconditional.

**Lead** Paul David Tripp 2020-08-24 The church is experiencing a leadership crisis. What can we do to prevent pastors from leaving the ministry? For every celebrity pastor exiting the ministry in the spotlight, there are many more lesser-known pastors leaving in the shadows. Pastor and best-selling author Paul David Tripp argues that lurking behind every pastoral failure is the lack of a strong leadership community. Tripp draws on his decades of ministry experience to give

churches twelve gospel principles necessary to combat this leadership crisis. Each of these principles, built upon characteristics such as humility, dependency, and accountability, will enable new and experienced leaders alike to focus their attention on the ultimate leadership model: the gospel.

Reactivity Paul David Tripp 2022-10-04 Digital

media and technology are altering the way people act—and react—toward each other. Criticism, outrage, and controversy dominate social engagement and unfortunately many Christians have joined in the chaos. It's a troubling contrast to Jesus's words in John 13:35: "By this all people will know that you are my disciples, if you have love for one another." Award-winning author Paul David Tripp instructs believers to view digital media and technology through the lens of the gospel and points them toward a biblical framework for communication. Explaining how God wants the church to engage with culture and each other, Tripp encourages Christians to think wisely about their interactions and be a beacon of light in an age of toxicity.

This Life Martin Hagglund 2019-03-05 "A profound, original, and accessible book that argues that a faith not in God or eternal life, but in the finite, temporal life we lead here on earth is one that gives that life far greater depth of

meaning. A manifesto for a truly secular faith that speaks eloquently to both believers and agnostics alike. The philosopher and critic Martin Hägglund believes that we need a new way of thinking about faith. In contrast to the traditional religious faith in eternity, he proposes a secular faith in the value of living in time. He argues that the concept of an eternal heaven actually renders our mortal life meaningless since it assumes that our ultimate aims should be to escape it. Engaging writers and thinkers as diverse as C. S. Lewis, Kierkegaard, St. Augustine, Nietzsche, Martin Luther, and even Karl Ove Knausgaard, Hägglund provides not only a critique of religious ideals, but also a positive, alternative understanding of the beliefs and values that can motivate us to live lives of meaning in the here and now"--

2021-04-14 Updated with Discussion Questions and Two Bonus Chapters When you say "I do,"

In this rebranded edition of *What Did You Expect?*, popular author and pastor Paul David Tripp encourages couples to make six biblical commitments to the Lord and to one another. These commitments, which include a lifestyle of confession and forgiveness, building trust, and appreciating differences, will equip couples to cultivate thriving, joy-filled marriages built on Christ.

[Journey to the Cross](#) Paul David Tripp  
2020-12-18 Journey through Lent with Best-Selling Author Paul David Tripp "During our forty days together, may your mourning increase so that your joy may deepen." —Paul David Tripp  
Lent is a time in the yearly Christian calendar

when we mourn our sin and let go of worldly things that keep our hearts from experiencing God more fully. But how do we reevaluate and recalibrate the values of our hearts to match those of our suffering Savior? In this forty-day Lenten devotional, best-selling author Paul David Tripp invites us to set aside time from the busyness of our lives to focus on the suffering and sacrifice of Jesus. Each of the short readings encourages us to abide in the abundant joy found in Christ as we encounter the Savior more fully and follow him more faithfully during this Lenten season.

**Stress** David Powlison 2004 Is it possible not to be controlled by life's stressful circumstances and relationships? The author says Psalm 131 shows how to quiet your soul before God.

Anger David Powlison 2000-10 Anger. We all experience it, some more than others. When is it righteous, and when is it not? How can we control our anger and not get caught in a maze of rage when things don't go our way? David

Powlison takes a close look at anger to help us to understand what it is and why we have it. He exposes three common misconceptions that leave us powerless to overcome anger. Using the illustration of a traffic jam, he probes the assumptions and cravings of the heart behind a typical angry response. In place of the false premises and futile consequences of ungodly anger, Powlison guides us to biblical truths and outcomes that honor God and teach us how to live.

*Forever* Paul David Tripp 2011-10-04 Is this all you're living for? For years, pastor Paul Tripp understood we were "hardwired for forever." Now he knows, and he can help you discover how to survive and thrive in the middle of your story, with the final chapter of heaven in view. Instead of embracing the world's motto--"you only live once"--follow Tripp as he unpacks the biblical

truth of the world as a broken place, longing for a second chance. And come alive as you discover the meaning and redemption all this brokenness can bring to your life today. With practical insights on how eternity impacts your relationships, your job, your kids, and your deepest struggles, you'll be encouraged to relax into the eternal story God is writing for you. **Re-Emergence** Erika Judit KOVÁCS 2013-12-12 At the dawn of the 22nd century a cosmic-scale secret is revealed at the deathbed of a dying

scientist. What makes this information so special and esoteric? Floods, drought, and pandemics sweep across the world. By 2030 half of Earth's population is wiped out. Those who survive choose different paths. American society regresses to a medieval Dark Age, others, who manage to escape, build a new civilization from scratch. With the help of Zita's invention, mankind sends a spaceship to terraform planet Mars. What they find there affects them profoundly. Some astronauts perish, but --with Masha's discovery and Martian intervention --the last two are saved. The captain falls into a coma, and the most influential encounter humankind has ever faced rests on the shoulders of Ocean alone. A mysterious new reality is revealed. Her perspectives and views are exposed and come under scrutiny. Will humanity pass the test? In the Americas, young rebels form a secret alliance. Two of their leaders, Mirella and Kyle, vow to find the long-lost scientists and end the oppression. When they get separated, their lives

take an unexpected turn. Mirella goes through indescribable suffering. Will her determination prevail? The newly founded nations decide to unite humanity, the stage is set, and a global-scale search takes place. When Ocean returns to Earth, an unforeseen chain of events occurs. She's entrusted with the greatest secret of all. The fate of humanity is forever turned. Will mankind be able to re-emerge? Who plays the key role in the Cosmos? Beliefs are challenged, lives are changed, and nothing will ever be the same. Civilizations meet, and bonds form as humanity approaches its destiny. The final twist of the story sets the stage for the second installment of the trilogy, and promises even more mystery to untangle the Cosmic Enigma. *Living in the Light of Eternity* K. P. Yohannan 1995 Yohannan, founder and president of Gospel for Asia, challenges Christians to realign their lives in the light of eternity. From his Asian perspective, the author observes differences between the lifestyle of millions of Westerners

and how Christ called them to live. Yohannan asserts that each Christian can make a difference in a world of hatred, suffering, starvation and spiritual need. *Suffering and the Sovereignty of God* John Piper 2006-09-13 In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shramek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest

fellowship they have ever known.

**Why a Suffering World Makes Sense** Chris Tiegreen 2006 Tiegreen reveals that there is a point to suffering--it reveals God's mercy, forgiveness, and healing that can only be known in an imperfect world. He encourages readers to let God's hidden attributes be revealed in their pain, thereby helping them unravel the mystery of who God is.

The biblical truths about God, humanity, and the world are not merely about knowing more—they are also about loving God and making sense of this life and the

life to come. But what happens when there is disparity between what believers confess and how they live? In his latest book, *Do You Believe?*, pastor and best-selling author Paul David Tripp takes a close look at 12 core doctrines and how they engage and transform the human heart and mind. According to Tripp, “true belief is always lived.” To demonstrate, he unpacks each doctrine and presents its relevance for the Christian life. As readers explore topics such as the doctrine of God, the holiness of God, and the doctrine of Scripture, they will be fueled to fall deeper in love with and stand in awe of their Creator and Father—putting the truths of God’s word on display for all the world to see.

[A Theology of Biblical Counseling](#) Heath Lambert 2016-04-05 Since the beginning of the biblical counseling movement in 1970, biblical counselors have argued that counseling is a ministry of the Word, just like preaching or missions. As a ministry, counseling must be

defined according to sound biblical theology rather than secular principles of psychology. For over four decades, biblical theology has been at the core of the biblical counseling movement. Leaders in biblical counseling have emphasized a commitment to teaching doctrine in their counseling courses out of the conviction that good theology leads to good counseling...and bad theology leads to bad counseling. *A Theology of Biblical Counseling* is a landmark new book that covers the history of the biblical counseling movement, the core convictions that underlie sound counseling, and practical wisdom for counseling today. Dr. Heath Lambert shows how biblical counseling is rooted in the Scriptures while illustrating the real challenges counselors face today through true stories from the counseling room. A substantive textbook written in accessible language, it is an ideal resource for use in training biblical counselors at colleges, seminaries, and training institutes. In each chapter, doctrine comes to life in real

ministry to real people, dramatically demonstrating how theology intersects with the lives of actual counselees.

**Grief** Paul David Tripp 2005-03-24 No matter what the circumstances, death shakes us to the core. It seems so wrong, and it is! We long for comfort, but we don't know where to look. Can God really help when we are overwhelmed with grief? With compassion and biblical wisdom, Paul David Tripp shows us how to think and what to do when death enters our door. He reminds us that we have a Savior who knows our sorrows, hears our cries, and promises to one day wipe away all tears. Hope and healing come from our relationship with Jesus, the One who promises to walk all the way through the valley of the shadow of death with us.

**Walking with God Through Pain and Suffering** Timothy Keller 2015-08-04 The best-selling author of *The Prodigal God* explores the role of pain and suffering from a Christian perspective for a new generation of readers,

drawing on unique insights to offer counsel on how to pursue a spiritual journey in the face of difficult challenges.

*Glorious Ruin* Trullian Tchividjian 2013-06-03 This is not so much a study about why God allows suffering or even how we should approach suffering; it is a study about the tremendously liberating and gloriously counterintuitive truth of a God who suffers with you and for you.

*The Christian Counselor's Medical Desk Reference* Charles Hodges, Jr. 2023-02-20 How do certain medical conditions impact counseling needs? Biblical counselors and pastors often have questions when a counselee is struggling with a mixture of physical, emotional, and spiritual difficulties. Dr. Charles Hodges and a team of contributing physicians set out to answer some of those questions and offer solid biblical principles for counseling those with medical issues. While inspired by the original edition, *The Christian Counselor's Medical Desk*

Reference 2nd\_Edition contains all new content, including up-to-date information on the medical conditions highlighted and medications currently used to treat them, helping counselors to look past the labels and give counselees biblical hope and help. In the first section, doctors and healthcare professionals with biblical counseling experience offer guidance for the extra challenges inherent with certain medical diagnoses. The second section examines some of the specific challenges associated with a variety of physical and mental conditions such as autoimmune disorders, PTSD, Alzheimer's, bipolar disorder, clinical depression, and more, helping counselors better understand the specific counseling needs that are often associated with each condition. Readers will learn more about the basics of these disorders and conditions and how sufferers need specific reminders of gospel truth as they journey a long road. Counselors will also become better equipped to better encourage caregivers and

loved ones also impacted by these diagnoses. *This Life* Martin Hägglund 2020-02-04 Winner of the René Wellek Prize Named a Best Book of the Year by The Guardian, The Millions, and The Sydney Morning Herald *This Life* offers a profoundly inspiring basis for transforming our lives, demonstrating that our commitment to freedom and democracy should lead us beyond both religion and capitalism. Philosopher Martin Hägglund argues that we need to cultivate not a religious faith in eternity but a secular faith devoted to our finite life together. He shows that all spiritual questions of freedom are inseparable from economic and material conditions: what matters is how we treat one another in this life and what we do with our time. Engaging with great philosophers from Aristotle to Hegel and Marx, literary writers from Dante to Proust and Knausgaard, political economists from Mill to Keynes and Hayek, and religious thinkers from Augustine to Kierkegaard and Martin Luther King, Jr., Hägglund points the way to an

emancipated life.

*Rethinking Hell* Christopher Date 2014-04-15  
Most evangelical Christians believe that those people who are not saved before they die will be punished in hell forever. But is this what the Bible truly teaches? Do Christians need to rethink their understanding of hell? In the late twentieth century, a growing number of evangelical theologians, biblical scholars, and philosophers began to reject the traditional doctrine of eternal conscious torment in hell in favor of a minority theological perspective called conditional immortality. This view contends that the unsaved are resurrected to face divine judgment, just as Christians have always believed, but due to the fact that immortality is only given to those who are in Christ, the unsaved do not exist forever in hell. Instead, they face the punishment of the "second death"--an end to their conscious existence. This volume brings together excerpts from a variety of well-respected evangelical thinkers, including John

Stott, John Wenham, and E. Earl Ellis, as they articulate the biblical, theological, and philosophical arguments for conditionalism. These readings will give thoughtful Christians strong evidence that there are indeed compelling reasons for rethinking hell.

**Why Me?** David Powlison 2003 ?Why is this happening to me? Where is God in my time of anguish Knowing our hearts, God has spoken powerful words of comfort. Psalm 10, for example, is God's word to those who have been victimized by others. It guides people into knowing God in the midst of being violated.

Counseling the Hard Cases Stuart Scott 2012  
Real life stories from the counseling and medical field about the sufficiency of God's resources in Scripture to bring help, hope, and healing to difficult psychiatric diagnoses from bipolar and obsessive compulsive disorders to postpartum depression, panic attacks, etc.
