MyPerspectives 2017

The Emancipation Proclamation Abraham Lincoln 2020-03-16 This is one of President Lincoln's most famous pieces of writing in which he announced during the second year of the civil war, that slaves fighting for America should become free men. It was a brave move because he was not sure how it would affect the outcome of the war but he stuck to his principles announcing that he had never felt more right in his life. It is possibly among the most important documents ever written.

Gulliver's Travels and Other Writings Jonathan Swift 1984-09-01 Nominated as one of America's best-loved novels by PBS's The Great American Read "It is universally read, from the cabinet council to the nursery," remarked Alexander Pope when Gulliver's Travels was published in 1726. One of the unique books of world literature, Swift's masterful satire describes the astonishing voyages of one Lemuel Gulliver, a ship's surgeon, to surreal kingdoms inhabited by miniature people and giants, quack philosophers and scientists, horses endowed with reason and men who behave like beasts. Written with great wit and invention, Gulliver's Travels is a savage parody on man and his institutions that has captivated readers for nearly three centuries. As bestselling author and critic Allan Bloom observed: "Gulliver's Travels is an amazing rhetorical achievement. Swift had not only the judgment with which to arrive at a reasoned view of the world but the fancy by means of which he could re-create that world in a form which teaches where argument fails and which satisfies all while misleading none." This representative collection of Swift's major writings includes the complete Gulliver's Travels as well as A Tale of a Tub, "The Battle of the Books," "A Modest Proposal," "An Argument Against Abolishing Christianity," "The Bickerstaff Papers," and many more of his brilliantly satirical works. Here too are selections from Swift's poetry and portions of his Journal to Stella. Swift's savage ridicule, corrosive wit, and sparkling humor are fully displayed in this comprehensive collection.

Progress in Mathematics Rose A. McDonnell 2006

Sadlier Phonics TE B Lesley Mandel Marrow 2003-02 Covers more advanced phonics & word-study skills, including r-controlled vowels, vowel digraphs & diphthongs, prefixes, suffixes & inflectional endings. The emphasis is on fluency. Children begin to process words more efficiently as they "chunk" words, looking at larger units within both single-syllable & multisyllabic words. They also learn reliable rules to help in decoding.
