*Standing Tall* C. Vivian Stringer 2009-03-03 "Lots of people have dreams, but C. Vivian Stringer is the dream—a coalminer's daughter who believed when her Poppa told her there was no obstacle she could not surmount. And she lives that dream, teaching others to rise up to meet challenges, turning underdogs into champions again and again—on and off the court. This is the quintessential American story, of a woman and of a family pulling together against the odds. *Standing Tall* offers an important message of hope to so many." —John Chaney, Hall of Fame college basketball coach At a time when heroes are too rare, C. Vivian Stringer sets a shining example. She has time and again shown character, fortitude, and heart, both on and off the hardwood, and in the face of unbearable loss. In *Standing Tall*, she shares her remarkable life story, inspiring us to find this fortitude within ourselves. "Work hard, and don't look for excuses," Stringer's parents told her, "and you can achieve anything." But her faith and perseverance would be tested many

times. A gifted athlete, she had to fight for a place on an all-white cheerleading squad in the sixties. In 1981, just as her coaching career was taking off, her fourteen-month-old daughter, Nina, was stricken with spinal meningitis. Nina would never walk or talk again. Still grieving, Stringer brought a small, poor, historically black college to the national championships—a triumph hailed as “Hoosiers with an all-female cast.” In 1991, her husband, Bill—her staunchest supporter, the father of her children, and the love of her life—fell dead of a sudden heart attack, but that same year, she led yet another young team to the Final Four. Through these dark times and others—including her bout with cancer, shared here for the first time—Stringer has carried her burdens with grace. Given her history, it was no surprise that she led her team to respond to Don Imus’s slurs with dignity and courage. *Standing Tall* is a story of quiet strength in the face of punishing odds. Above all, it is an extraordinary love story—love for the game, for the players she has coached, for her close-knit family, and for the husband she lost far too soon. It will resonate long after the last page.

**The Change Agent** Damon West 2019-03-19  
Sentenced to sixty-five years in a Texas prison, Damon West once had it all. He came from a great family, in a home full of God, love, support, and opportunities to reach any goal. A natural born leader, an athlete with good looks and charm, he appeared to be the all-American kid pursuing his dreams. Underneath this facade, however, was an addict in the early stages of disease. After suffering childhood sexual abuse by a babysitter at the age of nine, Damon began putting chemicals into his body to alter the way he felt. Once he was introduced to methamphetamines, however, he became instantly hooked—and the lives of so many innocent people would forever be changed by the choices he made in order to feed his insatiable meth habit. After a fateful discussion during his incarceration with a seasoned convict, Damon had a spiritual awakening. He learned that, like a coffee bean changing with the application of heat and pressure, he was capable of changing the environment around him. Armed with a program of recovery, a renewed faith, and a miraculous second chance at life, Damon emerged from over seven years of prison a changed man. His story of redemption continues to inspire audiences today.

*A Noble Knight* Scott Brown 2020-07 "As the reality of my accident settled in, I faced a choice. I could become bitter and depressed, wondering, 'Why me?' Or I could live each day to the best of my ability, trusting in Jesus Christ to be my source of peace and strength."-- Dan Priatko Anything seemed possible for Pittsburgh-area native Dan Priatko as his 23rd birthday approached. A graduate of the United States Military Academy in West Point, Dan had recently completed Army Ranger School. Those who knew Dan were convinced he was destined for great things -- and might one day become a general. Just before Dan's first army deployment, tragedy struck. Dan was in a catastrophic car accident, one that probably should have killed him. Even after he pulled through doctors didn't expect him to have much quality of life. Dan spent more than a year in a coma due to a traumatic brain injury, but his family never gave up hope. Their religious beliefs sustained them through the most trying of times and Dan made a miraculous recovery. He approached relearning such basics as walking and talking with the Army Ranger motto that has always resonated with him: All the way and then some. Dan made it easy for people to root for him with his can-do spirit, relentless positivity, and unwavering faith. He never dwelled on what might have been or what he had lost. Dan became an inspiration to many, including Duke men's basketball coach Mike Krzyzewski, a fellow West Pointer, and Pro Football Hall of Famer Dick LeBeau. His remarkable journey is one of faith, family, and the power of perseverance. Most of all it is about someone who was robbed of so much but refused to let a tragedy take his essence. [Nine Ms and a Mother Like No Other](#) Martial Bednar 2009-07 In the memoir *Nine Ms and a Mother Like No Other*, Martial Bednar brings warmth, wit, and insight to this entertaining narrative about his family and their trials and triumphs as they survive a messy divorce, cross-country road trips in broken down jitneys, several siblings split into foster homes, and life-threatening medical experiences and in the end, still consider themselves blessed. Told with candor and humor from the kid brother's unique perspective, Bednar begins with a colorful description of his mother Peggy an heiress

whose husband walked out after twenty years of marriage and nine children who became a desperate housewife long before it was in vogue. As he chronicles his jaw-dropping childhood adventures, Bednar also introduces his siblings (the nine Ms) and shares the inspirational story of his brother Merrick, a priest-in-the-making whose profound health crises not only strengthen his own faith, but also the fabric of his entire family. This true story often hysterical, at times heartbreaking gives testimony to the inseparable bonds of family, the incredible power of perseverance and prayer, and the life-sustaining gifts of faith, hope, and love.

[Walking Miracle](#) Ryan Shazier 2021-11-30 Nearly four years after an errant tackle left him paralyzed below the waist, the inspiring comeback story of how former Pittsburgh Steeler Ryan Shazier recovered to walk again. As an All-American at Ohio State and All-Pro linebacker for the Pittsburgh Steelers, Ryan Shazier was living his best life while excelling at the game he loves, a game that has given him so much. But then Ryan was forced to redefine success. Suddenly, it was no longer measured by tackles or sacks, but by purpose and faith. WALKING MIRACLE is the story of this new definition of success, following the arc from December 4, 2017, when Shazier was injured playing the Cincinnati Bengals, to his retirement. For three years, Shazier doggedly pursued a return to professional football. He took small wins as "first downs" on the drive to return to the field: moving his toes, walking, dancing at his wedding, and ultimately running and returning to the team. What Shazier didn't realize is that along the way, he was preparing himself for another purpose—that of father and

husband, philanthropist, and football analyst. The journey was preparing him not for a renewed life as a middle linebacker, but a renewed life after the game. Here we see Shazier overcome childhood alopecia, which caused a great deal of emotional pain, and scoliosis, which nearly robbed him of his dreams of playing college and professional football. We gain insights into legendary coaches Urban Meyer and Mike Tomlin. And we see him star on the field. Shazier was one of the best defensive players in Steeler history—a history full of great defensive stars. WALKING MIRACLE—the message on a bracelet given to him by his godmother—is the story of Ryan’s comeback, but it’s also a book of life’s lessons, challenges, and a love letter to the power of positive thinking.

**Perseverance** Melvin Goldman 2019-03-07  
Melvin Goldman seemed to be a typical successful American, living with his family in Squirrel Hill, a multicultural Pittsburgh neighborhood with a large Jewish population. There, he turned his craftsmanship as a jewelry designer into a profitable business, and maintained a rosy outlook on life and a generous view of his fellow man. It may seem like a common story, but it is far from it. In the decade before his arrival in the United States in 1950, Mieczyslaw Goldman saw his home destroyed, his family torn apart, his health ruined, and nearly everyone he had ever known murdered in the death camps of the Third Reich. His survival of the years in the ghetto and Auschwitz, his long and slow recovery, and his attainment of a somewhat normal life are miraculous. Perhaps even more miraculous is his refusal to let his

experience destroy his faith in God or his love for humanity. Told in his own words from audio recording he made decades later, and supplemented with his daughter's memories of their happy life in Pittsburgh, this is a story which no reader will ever forget.
