The Living Nativity Larry James Peacock 2018-09-01

Who came up with the idea of

Setting The Christmas Stage Readings For The Advent Season

using nativity scenes to celebrate Christmas? Many might be surprised to learn that Francis of Assisi, the well-known thirteenth-century saint, is credited with creating the first nativity scene. The Living Nativity introduces readers to Saint Francis and his joyous reenactment of the birth of Jesus, complete with a manger and animals. The Living Nativity explores how nativity sets, Advent wreaths, candles, carols, Christmas cards, and other traditions help prepare our hearts for the God "who bends low to enter our world and our lives." Prayer poems for each day of the season lead readers to deepen their spiritual journey, and the book provides a guided pattern for individuals and small groups to share reflections and experience activities that open their hearts to the Christ child. The Living Nativity provides a prayer, meditation, and reflection questions for each day of Advent. The Leader's Guide includes suggestions for worship, discussion questions focused on the readings, and

guidance for a mini-retreat on a theme of the week.

Traveling the Prayer Paths of Jesus John Indermark 2003

John Indermark helps readers walk the prayer paths of Jesus to gain clear insights into the life of prayer. With a fresh clarity, readers will see that Jesus prayed at all times and in all places--for example, in the solitude of the desert and in the midst of crowds, on the mountaintop and in the garden. Helping readers to move beyond these times and places, Indermark invites all to follow the example of Jesus and to learn deeper ways to connect with God. Written as a six-week study, each section has seven readings. Each reading has a related prayer exercise to help readers grow in prayer and in

the model of Jesus. A guide for small groups is included in the book. Indermark writes from a very personal perspective and includes stories from his family and church life that are always relevant to the subject. He begins his exploration of the prayers of Jesus by writing about a church camp experience, a time when he was to give the evening devotion around the campfire. "Why I even recall that devotion is this: It served as the first time in my life I felt a sense of calling to Christian ministry." Always gentle and inviting, Indermark's writing helps readers to see new depth in the prayers of Jesus and new ways that all might pray.

Unto Us Is Born Herbert F. Brokering 1999 Here are thirty-seven inspiring readings for the days of Christmas. Herbert Brokering takes the reader on a unique journey through Advent and Christmas in the form of imaginative dialogues with the mother of Jesus. Beginning on December 1 and ending on January 6, each dialogue explores a new

and exciting understanding about the birth of God's Son. The readings capture thoughts and emotions that Mary might have experienced in the unfolding of this marvelous event. Each dialogue is introduced with a Bible verse and brief scene-setting paragraph and concludes with a provocative question and prayer. A beautiful book for personal, or group, use during the Christmas season.

The Season of the Nativity

Sybil MacBeth 2014-11-01

Sybil MacBeth writes that Advent and Epiphany are the often-neglected parentheses around Christmas. And they deserve more attention and better publicity. This Season of the Nativity sets the stage the liturgical year, our yearlong journey through Scripture and salvation history. Sybil MacBeth's memoir, front-porch theology, and pages of practices and activities invite individuals and families to enjoy this season in a way that has more peace and more Christ and less chaos and guilt. She offers simple tools for busy people - perhaps to reclaim a joyful and yes, serious nativity season for the first time. Sybil

It will also be under the tree of just about everyone on my gift list. We will all have more interesting winters, and greater intimacy with Jesus, because of it." —Lauren F. Winner, author of *Still and Mudhouse Sabbath* "This beautifully designed book caters to those of us for whom waiting for Christmas is the very best part about the holidays. With activities like Advent calendars, games, doodles, carols, and my personal favorite—"flaunting the color purple"—Sybil MacBeth helps us see the Nativity as an entire season

stretching from Advent through Epiphany, each day an opportunity for Technicolor grace." —Jana Riess, author of *Flunking Sainthood* and *Flunking Sainthood Every Day* If you think you're already familiar with Advent, Christmas, and Epiphany, think again! After reading this book, you'll never see those seasons in the same way. With humor, spiritual wisdom, and innovative activity suggestions, the author makes you open your eyes in wonder." —Linda Douty, spiritual director and author of 5 books, including *Rhythms of Growth: 365 Meditations to Nurture the Soul* "With heart-open honesty, Sybil MacBeth opens the door to a new exploration of the three-part Nativity Season. With personal and family-friendly practices and her appealing approach, Sybil invites both seasoned Christians and curious seekers to prepare in Advent, nestle into Christmas, and wonder anew in Epiphany. Extremist? Not really, but perhaps the leader of a new awakening.

—Connie Denninger is a retreat leader, teacher of prayer and spiritual disciplines, and advocate of the Arts in Christian Practice Sybil MacBeth's genius is for getting the grand themes - like prayer and yearning and waiting and birth and joy - into real life. She starts with scripture and tradition and solid theology and ends up right on the kitchen table or living room (where children and adults alike are actually enjoying one another). As an on-the-ground parish priest, I want this book in every home of every parishioner. That's because I know they want what I want - not to dread the approach of Christmas and feel inadequate in its wake - but to truly experience God's great activity before, during and after in a way that's full of pleasure and meaning. This book lines out the very concrete path from the wish to the reality. —Rev Carleton Bakkum, Episcopal Priest and Rector of Grace Episcopal Church, Yorktown, VA. - also an artist The "Season of the Nativity" by Sybil

MacBeth is an invitation into spiritual growth through frameworks and forms - by sharing with the reader some familiar and many new ways to prepare for and celebrate Advent, Christmas, and Epiphany. Her book is an incarnational feast of ideas - both thoughtful and fun, challenging at times and delightful as well. You will want your own copy as well as several to share with your friends. —The Reverend Canon Meredith Hunt, Episcopal Priest, Diocese of Western Michigan As Luther translated Scripture in the language of the people, Sybil MacBeth's Seasons of the Nativity translates the Church's ancient Incarnation liturgy into the every day lives of God's children of every age. If you adopt any of Sybil MacBeth's suggestions for observing the Church's liturgical seasons of Advent, Christmas and Epiphany--watch out! blessings. Six learning centers -- each including posters, projects, a guided experience, follow-up activities, and a closing prayer -- focus on such topics as families, nature, our religious heritage, and our bodies. Intended for kindergarten through sixth grade, this is an ideal activity for your church school and can be held during a single session. "A Chrismon Service" portrays the drama of redemption through symbols of Jesus in the form of Christmas ornaments. (The word "Chrismon" is a combination of the words "Christ" and "monogram.") As appropriate scripture passages are read, each symbol is presented and explained; worshipers participate in the service by hanging them on the Chrismon tree. Eighteen designs are included so that you can make your own Chrismons based on such symbols as the Epiphany star, the Christmas rose, and the angel. "The ABC's Of Christmas" offers four easy programs for Christmas worship, celebrating angels,

bells, colors, and gifts. Each incorporates scripture, carols, and simple props together with dramatic readings to create a meaningful worship experience that will linger in the memory long after Christmastime passes. "The Angels' Point Of View" is a play in two acts that looks at Jesus' conception, birth, and flight into Egypt from their perspective. Originally developed for a junior high Sunday school class, this piece is excellent for older youth and can be performed in a variety of settings. There are thirteen speaking roles, and complete directions for assembling props, costume, and scenery are included. "In Search Of Christmas" is a light, contemporary drama that intersperses a series of brief dialogues between a husband and wife, two teenagers, and others illustrating how we can lose the real meaning of Christmas with faith-affirming conversations among individuals who have kept the season's true spirit of joy and giving. "Last Year In Bethlehem: The Story Of Eli The Shepherd" reminds us that the story of Christ's birth is more than a holiday tradition. It combines a dramatic monologue with hymns and candlelight for a moving Christmas Eve worship experience. On the first anniversary of the first Christmas, a gruff but friendly shepherd tells of the night that changed his life. Suggestions for costuming, makeup, and staging are included, along with historical background on shepherds during Jesus' time. "O Holy Night" brings together scripture, song, and poetic readings to create a touching Christmas Eve worship service that can involve several participants without requiring lengthy rehearsal. It is an especially attractive option for smaller churches without many resources, but this enchanting service will be a glorious experience for any congregation.

Reflections of Messiah Jim

~~Melchiorre 2003 Journalist Jim~~
Melchiorre began listening to a recording of Handel's oratorio Messiah as a way to avoid being swept away by consumerism at Christmas. He found familiar music and text a source of comfort and inspiration, a way to find solace in the midst of much seasonal busyness. He also read the scriptures on which the great oratorio is based. He came to fresh understandings of the prophetic mission of the Christ. In short meditations for all the days of Advent plus Christmas Day, Melchiorre reflects a passionate understanding of Jesus. Each day's meditation is based on a portion of scripture included in Handel's Messiah. The meditations call attention to the prophetic understanding of Christianity. Melchiorre invites us to comfort the old, the weak, the marginalized. He reminds us of the relevance of the statement: The work of the Messiah always has and always will be to comfort the afflicted-- and to afflict the comfortable. Using the words of the prophet Isaiah, Melchiorre reminds us

Gospel Overtures Noel Cooper 2014-03-18 Christmas is a charming and memorable season for children, and it is perfectly reasonable for well-informed adults to enjoy cribs, candles, carols, decorated trees, presents, and family feasts. It is not possible, however, to be a well-informed adult believer without adding

to the value of the Christmas celebration by searching for the deeper meaning of the gospels, a meaning that is beyond the comprehension of young children. Gospel Overtures offers a detailed analysis of the Christmas stories in the Gospels of Matthew and Luke, as well as suggestions for personal reflection. Christianity is primarily a religion for adults, and the gospel narratives are intended to inspire adult faith. Gospel Overtures is intended to help readers appreciate the depth of the gospels and to grow as believers.

arrival or coming. During this sacred season, we actively recall the arrival of Jesus as the Word made flesh, and we joyfully await his final return at the end of the age. But as we remember the past and anticipate the future, we are also attentive to our divine encounters in the present, the ways God "arrives" in our everyday lives.
