**The Creative Teacher** James T. Charnock 2011-02-15 Author James T. Charnock shares the best from his thirty-plus years' experience teaching language arts in *The Creative Teacher*, a teachers' guide filled with student activities in writing, public speaking, researching, dramatizing, and more. This is the second edition of the 2005 publication, *A Non-Workbook, Non-Textbook Approach to Teaching Language Arts*.

Charnock's clarity, energetic style, and practical approach make this book a worthy addition to your teaching library. You will be impressed with how simple and fun teaching language arts can be when compared with the onerous and complicated methods propagated in the past. About the Author James T. Charnock, MEd, is a veteran teacher of more than thirty years at the elementary and junior high levels. For most of those years he was a certified reading-language arts specialist. In addition to creating educationally oriented market products, Charnock has been a feature writer/children's book reviewer for *The Reading Teacher*, a national reading journal, and has served on the editorial board of *Language Arts*, a national English journal. Former top students have honored Charnock four times in *Who's Who Among America's Teachers*. He has also been listed in *Who's Who in the East*. *The Creative Teacher* is Charnock's second edition to his 2005 publication, *A Non-Workbook, Non-Textbook Approach to Teaching Language Arts*. In addition, Charnock has published *Mt. Horeb: The Little White Schoolhouse on Little Deer Creek*, about the history and memories of one of Maryland's last one-room schoolhouses, where he started his education. Charnock lives in a suburb of Philadelphia, where he continues as a freelance writer, often serving as a seminar speaker on the teaching of writing and classroom art.

*Pets and Mental Health* Odean Cusack 2014-06-11 This fascinating new book addresses the most recent research and provocative findings on the use of pets in mental health therapy. The historical basis of using pets in therapy is reviewed, and numerous examples are provided of results incurred from prescribing pets to disabled, lonely, incarcerated, and institutionalized individuals. The author provides convincing evidence of the therapeutic value of animals in making us happier, healthier, and more sociable. Although the terms human-animal bond and pet-facilitated therapy are relative newcomers to the scientific literature, the

concepts they encompass have been with us for centuries. BACKCOVER COPY Research has shown that animals can promote humor, laughter, play, and a sense of importance in people. This fascinating book explores the provocative findings on the use of pets in mental health therapy. Although the terms human-animal bond and pet-facilitated therapy are relative newcomers to the scientific literature, the concepts they encompass have been with us for centuries. The historical basis of using pets in therapy is reviewed, and numerous examples show the astonishing results of prescribing pets to disabled, lonely, incarcerated, and institutionalized individuals. Odean Cusack, animal lover and writer, provides convincing evidence of the therapeutic value that animals have in making us happier, healthier, and more sociable.

**Pet-oriented Child Psychotherapy** Boris Mayer Levinson 1997 "Boris Levinson was the first professionally trained clinician to formally introduce and document the way that companion animals could hasten the development of a rapport between therapist and patient, thereby increasing the likelihood of patient motivation. The original edition of this fascinating book was the first work to document "pet-oriented psychotherapy." That text is reproduced here in its original form; furthermore, in order to update and revise the text, footnotes have been added to identify and highlight research and practices which have occurred since the book was first published in 1969. Also, a list of resources now appears in the appendix. This classic work has universal appeal, from human service practitioners, health and mental health practitioners, to educators in social work, psychology, nursing, veterinary medicine and counseling."--BOOK JACKET. **Encyclopedia of Television Pilots** Vincent Terrace 2020-01-17 On November 27, 1937, NBC presented TV's first pilot film, *Sherlock Holmes* (then called an "experiment"). Thousands of pilot films (both unaired and televised) have been produced since. This updated and restyled book contains 2,470 alphabetically arranged pilot films broadcast from 1937 to 2019. Entries contain the concept, cast and character information, credits (producer, writer, director), dates, genre and network or cable affiliation. In addition to a complete performer's index, two appendices have been included: one detailing the pilot films that led to a series and a second that lists the programs that were spun off from one series into another. Never telecast pilot films can be found in the companion volume, *The Encyclopedia of Unaired Television Pilots, 1945-2018*. Both volumes are the most complete and detailed sources for such information, a great deal of which is based on viewing the actual programs.

Teachers in the Movies Ann C. Paietta 2007-08-07 The teaching profession has a long history in motion pictures. As early as the late 19th century, films have portrayed educators of young children--including teachers, tutors, day care workers, nannies, governesses, and other related occupations--in a variety of roles within the cinematic classroom. This work provides a broad index of more than 800 films (both U.S. and foreign) which feature educators as primary characters. Organized alphabetically by title, each entry contains a short plot summary and many also include cast and crew details. A detailed subject index is also

included.
