The Book Buyer's Guide 1967

Counter-revolution of the Word Alan Filreis 2009-09-17 Counter-revolution of the Word is

about conservatives' attempt to destroy the modernist avant-garde in the anticommunist period after World War II. The antagonists readers will meet in these pages by no means constitute a monolithic force. They were not ideologically of a kind. But aesthetically? Well, yes, aesthetically they were more or less unified; they knew what they formally opposed, and the narrative of that surprising unity lies at the center of this study. A few of these people did work together, such as the band of poets and poetry editors - most of them reactionary antimodernists - that the prolific Stanton Coblenz helped assemble under the banner of the League for Sanity in Poetry. Others among Coblenz's colleagues, however, would not have recognized themselves as allies; quite aside from their hatred of modern poetry, differences between them - academic, theoretical, personal - would have gotten in the way. To my knowledge, this is the first book written about the overall effects of actual anticommunism on modernist American poetry and poetics. Such a blank in our understanding of American art and artists has its specific causes. A main cause is the apparent disappearance of the evidence for links between and among disparate, truculent McCarthyite elements in the poetry world and their "communist poet" enemies and the modernist experimenters who have not been known to have connections to the communist movement. --- Preface

The Oxford Companion to American Literature James D. Hart 1995-10-12 Covers the

National Union Catalog 1970 Includes entries for maps and atlases.

Library journal 1956

Tell Me the Truth About Love Robert Ayres Carter 2008-10-31 Praise for Sundays Child Carter has written a memoir that captures the quintessential America that now seems to be slipping away from us. A real treat. --John Tebbel, author and Journalist Deeply moving...the book is a delight and of course you write like a dream...Congratulations on what I believe we used to call a great read, and more than that, a deeply affecting record. --Ellen Feldman, author of *Lucy* and *The Scottsboro Boys* Praise for Nobody Yet Knows Who I Am In volume two of Robert Carters memoirs, the reader is again treated to the authors ruthlessly stark self-appraisal. Through the extraordinarily clarity of prose, the reader seems to share his experiences immediately rather than through the medium of words. His descriptions of his lovers, friends, and passing acquaintances drive

the reader along. --James Scanlon, Professor Emeritus of History, Randolph-Macon College

By identifying your reading preferences, choosing the right platform, and exploring various eBook formats, you can embark on a journey of learning and entertainment like never before. Remember to strike a balance between eBooks and physical books, and embrace the reading routine that works best for you. So why wait? Start your eBook Seven Stars For Catfish Bend

FAQs About Finding Seven Stars For Catfish Bend eBooks

How do I know which eBook platform is the best for me?

Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice.

Are free eBooks of good quality?

Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.

Can I read eBooks without an eReader?

Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.

How do I avoid digital eye strain while reading eBooks?

To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

What the advantage of interactive eBooks?

Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
