Memoirs of Louis XIV and His Court and of the Regency - duc de duc de Louis de Rouvroy Saint-Simon 2016-01-08 Duc de Louis de Rouvroy Saint-Simon was a French courtier during the 18th century, but today he's best known for the comprehensive multi-volume memoirs, which depict life in France at the time.

The Memoirs of the Duke of Saint-Simon on the Reign of Louis XIV and the Regency Louis de Rouvroy duc de Saint-Simon 1857

The Memoirs of the Duke of Saint-Simon on the Reign of Louis XIV, and the Regency Louis de Rouvroy duc de Saint-Simon 1891 This work presents the memoirs of Louis de Rouvroy, Duke of Saint-Simon, who was a noble at the court of Versailles during the reign of Louis XIV. Saint-Simon generally disliked how King Louis reigned and disapproved of his bastard children because they ceremonially took precedence over the French nobility, such as himself. Thus, this work offers a differing viewpoint from many histories of the period and is valuable as such.

French Society from the Fronde to the Great Revolution Henry Barton Baker 1874

1710-1715 Louis de Rouvroy duc de Saint-Simon 1967 "The Duc de Saint-Simon, one of the most fascinating characters of the reign of Louis XIV and the French Regency, reveals himself in his memoirs"--back cover, volume 1.

The Cat And The King Louis Auchincloss 2013-06-18 A cat may look at a king, says an old proverb. The king is the Sun King, Louis XIV of France, whose fabled court at Versailles was the wonder of Europe; the cat is the watchful chronicler, Louis de Rouvroy, second duc de Saint-Simon, author of the famous Memoirs which are the definitive record of Louis' reign. Auchincloss has conceived his novel as an extension of the Memoirs, in which Saint-Simon reveals his own story—as well as a great deal about the private lives of the great and near-great that did not find its way into the published record. With his inimitable gift for characterization, Auchincloss portrays Saint-Simon, the meticulous, proud aristocrat of the old school who is at once fascinated and threatened by the powerful centralized monarchy Louis is building and by the king's plot to bolster his position by marrying off his illegitimate children to princes of the blood. Elegant, crisp, and abounding in authentic detail, The Cat and the King shows us the factions, liaisons, intrigues and dalliances that made up daily life at Versailles as they might have been seen from Saint-Simon's highly critical perspective. Auchincloss imagines the dominant figures of this greatest period in French history—the aging Louis; his pious morganatic spouse, Madame de Maintenon; Monsieur, the king's homosexual brother; the great warrior and ladies' man Conti; and many others—as wholly believable individuals with peculiar tics and foibles of their own; but none is stranger, more fascinating, or more believable than Saint-Simon himself. A remarkable portrait of a quintessential man of his time, a discerning study of the use and abuse of power, and an utterly convincing recreation of a turbulent age that bears no small resemblance to our own, The Cat and the King is a many-faceted jewel that represents a new dimension of achievement in Louis Auchincloss' distinguished career as a novelist.

Gossip and Glory of Versailles, 1692-1701, Vol. 1 Francis Arkwright 2018-03-22 Excerpt from Gossip and Glory of Versailles, 1692-1701, Vol. 1: An Abridged Translation With Notes From the Memoirs of the Duke De Saint-Simon I feel that some apology is needed for offering to the public a translation of a well-known book, written in a language familiar to most educated English people; I can only plead, by way of excuse, that the case is exceptional. The Memoirs of Saint - Simon are certainly well known, in a sense that is, everybody has heard of them everybody knows that they are the very best of all French memoirs, rich as the French language is in literature of that kind. But not everybody reads them, even in France and I am convinced that they are not nearly so familiar to English readers as they deserve to be. I believe, indeed, that they are studied mainly by authors, who dig into them as into some vast rubbish-heap, in search of jewels wherewith to adorn their own writings. The fact is that the Memoirs are very lengthy, and very

unequal the best parts are extremely vivid and interesting, but others are dull, and when saint-simon is dull his dullness passes all belief. Macaulay remarks in his Journal for 1852: I finished saint-simon's Memoirs, and am more struck with the goodness of the good parts than ever. To be sure, the road from fountain to fountain lies through a very dry desert. With all deference for that great critic, I should put the case somewhat differently the Memoirs are not a wilderness with here and there a green oasis; the reader's journey takes him, for the most part, through a pleasant and picturesque country; but now and then he has to cross a patch of desert which seems as though it would never end. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. Saint-Simon and the Court of Louis XIV Emmanuel Le Roy Ladurie 2001-07 The Duke of Saint-Simon (1675-1755) was a self-obsessed courtier and chronicler of court life under Louis XIV. Drawing heavily on his memoirs, historian Ladurie offers a wonderful portrait of life with Louis, focusing on issues of hierarchy and rank in this tightly controlled universe. Illustrations.
